Estimated value <i>dutiable</i> imports	\$16,000,000	\$16,000,000	\$16,000,000	\$16,000,000	\$16,000,000

Technical comments:⁴

The Commission staff suggests that language be drafted to modify the article description for heading 9902.05.33 to insert the name “Trifluralin” in parentheses after the chemical name.

⁴ The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
