**Technical comments:<sup>5</sup>**

The Commission staff suggests that the article description on page 1 of this report be used in place of the existing article description in HTS heading 9902.01.49 in order to correct various spelling errors. In addition, the Commission staff notes that H.R. 5002 would extend HTS heading 9902.01.49, which temporarily suspends the general rate of duty on imports of deltamethrin in bulk (2926.90.30), or packed for retail sale (3808.91.25). By comparison, H.R. 5457 would extend HTS heading 9902.11.26, which temporarily suspends the general rate of duty only on imports of deltamethrin in bulk (2926.90.30). Furthermore, H.R. 5457 would strike HTS heading 9902.01.49 from the HTS. If H.R. 5002 is enacted, then H.R. 5457 should not be enacted, heading 9902.01.49 should not be deleted from the HTS, and heading 9902.11.26 should be deleted from the HTS.

<sup>5</sup> The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
