**Technical comments:<sup>5</sup>**

The Commission staff notes that H.R. 5006 and H.R. 5063 each extend the temporary duty reduction that is provided for in HTS heading 9902.25.68. Only one bill should be enacted.

<sup>5</sup> The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
