Technical comments:³

The Commission notes that the initial word “Chloro” should be capitalized and the HTS subheading should read “2918.90.20”.

³ The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
