Investigation No. 337-TA-582

**NOTICE OF COMMISSION DETERMINATION
NOT TO REVIEW AN INITIAL DETERMINATION
EXTENDING THE TARGET DATE FOR COMPLETION OF THE INVESTIGATION**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ") initial determination ("ID") (Order No. 53) extending the target date for completion of the investigation by 13 months until January 9, 2009.

SUPPLEMENTARY INFORMATION: On August 29, 2006, the Commission instituted this investigation, based on a complaint filed by Caterpillar Inc. ("Caterpillar") of Peoria, Illinois. The complaint alleges violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain hydraulic excavators and components thereof by reason of infringement of U.S. Trademark Registration No. 2,140,606, U.S. Trademark Registration No. 2,421,077, U.S. Trademark Registration No. 2,140,605, and U.S. Trademark Registration No. 2,448,848. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. The complainants requested that the Commission issue a general exclusion order and cease and desist orders. The complaint named twenty (20) firms as respondents. Two respondents, Barkley Industries LLC and Frontera Equipment Sales, have been found in default. Fourteen have been terminated as a result of settlement agreements.

The original target date of this investigation was September 6, 2007. However, on May 18, 2007, the ALJ stayed the proceeding. On November 6, 2007, the ALJ issued the subject ID (Order No.

53) extending the target date by thirteen months to January 9, 2009. The ALJ determined that the extension of the target date was necessary in light of recent investigation reassignments. No petitions for review were filed.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42).

By order of the Commission.

Secretary to the Commission
