ACTION: Notice.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on April 16, 2002, based on a complaint filed by SKF USA, Inc. (SKF) of Norristown, PA against fourteen respondents. 67 Fed. Reg. 18632 (2002). Four respondents remain in the investigation, ten respondents having either settled with complainant or been found in default. The complaint, as supplemented, alleged violations of section 337 of the Tariff Act of 1930 in the importation into the United States, sale for importation, and sale within the United States after importation of certain bearings by reason of infringement of registered and common law trademarks, dilution of trademarks, various acts in violation of the Lanham Act, and passing off. A count concerning "unfair pecuniary benefits" was dismissed by the Commission on September 23, 2002.

On April 10, 2003, the presiding administrative law judge (ALJ) issued his final initial determination on violation and his recommended determination on remedy. The ALJ found a violation of section 337 by reason of infringement of SKF's registered and common law trademarks by each of the four remaining respondents, *viz.*, Bearings Limited, Bohls Bearing and Transmission Service, CST Bearing Company, and McGuire Bearings Company, and recommended the issuance of a general exclusion order and cease and desist orders to the respondents found in violation. All parties remaining in the investigation, including the Commission investigative attorney, filed petitions for review on April 21, 2003, and replies to the petitions on April 28, 2003. On May 27, 2003, the Commission determined to review the ID in part. 68 *Fed. Reg.* 32766 (June 2, 2003).

This action is taken under the authority of section 337 of the Tariff Act of 1930, 19 U.S.C. § 1337, and section 210.51 (a) of the Commission's Rules of Practice and Procedure, 19 C.F.R. § 210.51(a).

By order of the Commission.
