Dear Friends,

It continues to be my honor to represent you in the United States Congress, and I believe it is vital that you remain informed on what's happening in Washington, D.C. This year, Congress is considering a number of issues that will directly affect you and Arizona—from the War on Terror to strengthening the economy, tax relief, education, health care, immigration and national security.

To that end, one of my welcome duties is to keep you updated on issues and significant legislation. I so value what you have to say and would be encouraged to receive your views and input on your interests and areas of concern. The 109th Congress will prove to be a critical one. I want to make sure I represent you as I would my own family, and that together, we can build a stronger America than ever. Again, it is my heartfelt honor to serve as your Congressman, and I truly look forward to continuing a close communication with you.

Most sincerely,

Congressman Trent Franks
