## Armed Forces Day

### 28 May 2011

To our NTM-A Soldiers from Croatia,

Today, the 28th of May, your many colleagues in NATO Training Mission – Afghanistan congratulate you as you celebrate the 20th anniversary of your Armed Forces.

Your wide array of talents at the Engineer School, Military Police School, NCO maintenance course, Consolidated Fielding Center, and Mi-17 Air Advisory Team are a great reflection of Croatia's commitment to the development of the Afghan National Security Force and assistance to the Afghan people.

Although far from home on this day, take pride that your accomplishments are adding to the history of your Armed Forces.

Have a great Dan Oružanih snaga Republike Hrvatske.

**William B. Caldwell, IV**

LTG, USA

Commander, NATO Training Mission-Afghanistan and CG, CSTC-A
