

**MEMORANDUM OF UNDERSTANDING
BETWEEN
FLORIDA COMMUNITY COLLEGE AT JACKSONVILLE
AND DEFENSE ACQUISITION UNIVERSITY**

1. PARTIES

The parties to this Memorandum of Understanding (MOU) are the Military Education Institute (MEI) at Florida Community College at Jacksonville, referred to as FCCJ hereafter, and Defense Acquisition University, referred to as DAU hereafter.

2. PURPOSE

The purpose of this MOU is to outline a strategic partnership between FCCJ and DAU.

3. RESPONSIBILITIES

Florida Community College at Jacksonville will:

- a. Maintain accreditation by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS). (Attachment A: Accreditation Documentation)
- b. Guarantee admission standards and requirements as stated in the FCCJ current catalog for DAU employees admitted to FCCJ under this agreement shall not exceed those of applicants seeking admission to FCCJ. (Attachment B: FCCJ Admissions Policy)
- c. Provide academic instruction, degree roadmaps, and advising to accommodate the requirements of students in FCCJ's academic programs. FCCJ programs offered include the Associate in Arts Degree, the Associate in Science Degree, the Associate in Applied Science Degree, and Technical Certificates. (Attachment C: Degree Roadmaps)
- d. Follow standard approved FCCJ procedures for approving academic programs, approving faculty selection and assignment and monitoring and evaluating programs.
- e. Upon receipt of a complete student application form and request for evaluation, FCCJ will evaluate applicable transfer of credits. FCCJ will award credit as appropriate for students' chosen degree option.
 - i. College credit may be awarded based on credit recommendations by the American Council on Education (ACE).
 - ii. College credit may be awarded for learning experiences derived from training programs or work experience if properly documented. Credit will be awarded in accordance with FCCJ's policy for prior learning assessment.
 - iii. College credit may be awarded for College Level Examination Program (CLEP) General and Subject exams, Excelsior Exams, and Defense Activity for Non-Traditional Education Support (DANTES) Subject

Standardized Test (DSSTs) exams based on FCCJ's current list of tests accepted and their minimum passing scores.

- iv. College credit may be awarded for tests passed under FCCJ's internal testing program for prior learning, Proficiency Examination Program (PEP).
 - v. College credit may be awarded for DAU courses evaluated by FCCJ faculty and staff for intended articulation. (Attachment D: DAU to FCCJ Course Equivalency)
- f. Provide an online method for the purchase of textbooks and required materials through FCCJ's contracted text book provider to students prior to the beginning of each course at prices consistent with on-campus rates.
- g. Provide complete information on available financial aid to all students and potential students.
- h. Ensure instructors are available for academic consultation with students.
- i. In regard to online classes, instructors will be available via email during the length of the class.
 - ii. In regard to in-seat classes, instructors will be available before and/or after class or during scheduled office hours or by appointment during the length of the class.

Keep complete and accurate academic records.

- j. Provide an FCCJ Web page for DAU employees to learn more about their academic options with FCCJ.
- k. If DAU determines the need for an offsite location, FCCJ will make its campuses available under a separate agreement to be developed at that time.

Defense Acquisition University will:

- a. Assist FCCJ in distribution of information regarding academic opportunities at FCCJ to DAU students.
- b. Place transfer of credit information and a link to FCCJ's Military Education Institute on the DAU Web site. DAU will update information on the DAU Web site as changes occur.
- c. Work with FCCJ to identify college credit courses to be offered at flexible times convenient to the majority of DAU employees.

4. LIABILITY

Florida Community College services are intended to lend technical knowledge and support to the client. Any recommendations made by our staff are offered in strictly an advisory capacity and are not to be construed as legal advice. Florida Community College agrees to use its best efforts to diligently perform the services set forth in this agreement,

but shall in no way be liable for any loss, damages, fines, penalties, or forfeitures resulting from that service.

5. POINTS OF CONTACT

The POC for DAU is:

NAME: Wayne E. Glass
Position: Program Director, Strategic Partnerships
Phone: 703-805-4480
Facsimile: 703-805-4480
E-mail: wayne.glass@dau.mil

The POCs for FCCJ are:

NAME: Bruce H. Brunson, Ph.D.
Position: Executive Director, Military Education Institute
Phone: 904-632-3191
Facsimile: 904-632-5092
E-mail: bbrunson@fccj.edu

NAME: Paula Carpenter
Position: Program Coordinator, Military Education Institute
Phone: 904-632-5090
Facsimile: 904-632-5092
E-mail: pcarpent@fccj.edu

6. MODIFICATION

This agreement may be modified in writing upon the mutual written consent of both parties. As this strategic partnership evolves with additions and modifications to the original MOU, these changes will be reflected as addenda to the original MOU.

7. TERMINATION

- a. The terms of this agreement, as modified with the consent of both parties, will remain in effect until September 30, 2009. The agreement may be extended by the mutual written agreement of both parties. Upon 30 days written notice to the other party, either party may terminate this agreement without cause.
- b. In the event of termination, the parties agree to be responsible for developing a phase-out process that will focus on the best interests of the active students in the program.

8. OTHER

- a. FCCJ and DAU upon mutual agreement will entertain collaborative research projects that benefit both the DAU and FCCJ curricula.
- b. FCCJ and DAU may use the other party's logo or name in published materials specifically only to reference this memorandum of understanding and hyperlinks

to the other party's Web site. Any and all marketing, promotional or publications materials developed pursuant to this agreement prepared and developed by one party must be reviewed and approved by the other party prior to use of any such materials.

- c. Individual students bear the responsibility for payment of tuition, fees, and any other costs related to enrollment in FCCJ's degree or certificate programs.
- d. Students will be subject to the policies and procedures of FCCJ.
- e. No agreements concerning the transfer or exchange of any asset of either party is intended or implied by this memorandum. FCCJ and DAU are separate and independent institutions of higher education and by this agreement both will continue to operate as separate institutions. The administrators of FCCJ and DAU are authorized to sign, prepare and implement plans of action and procedures necessary to effect this agreement.

9. GOVERNING LAW

This agreement shall be interpreted under the laws of the State of Florida. The parties hereto acknowledge and agree that the College ("FCCJ & MEI") is a political subdivision of the State of Florida. As such, the College's performance under this Agreement and any amendments hereto or attachments connected herewith, shall at all times be subject to any and all state laws, state regulations and District Board of Trustees Rules which are applicable to the College's operations, commitments and/or activities in the furtherance of any terms specified herein.

June 13, 1997

Dr. Edgar C. Napier
Interim President
Florida Community College
at Jacksonville
501 West State Street
Jacksonville, FL 32202-4030

Dear Dr. Napier:

This is to certify that Florida Community College at Jacksonville in Jacksonville, Florida, is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Associate's degrees.

The institution was initially accredited in 1969 and was last reviewed and reaffirmed in 1994. The 1994 reaffirmation review covered the main campus and all extended sites. The institution is scheduled to receive its next reaffirmation of accreditation review in 2004.

Sincerely,

James T. Rogers
Executive Director
Commission on Colleges

JTR:rb

General Admissions Eligibility

Individuals seeking general admission to Florida Community College must meet the following minimum criteria, except as provided below:

1. The individual must be a U.S. citizen.
2. The individual must be 18 years of age or older.
3. The individual must have earned a standard or college ready high school diploma or the equivalency of a high school diploma.

Individuals seeking admission to Florida Community College who do not meet the general admissions criteria may seek admission if they meet the criteria of the following special admissions classifications:

Special Admissions Classification for Adult Students

Applicants 18 years of age or older who have not earned a high school diploma or a high school equivalency diploma and are not currently enrolled in a high school may be admitted as special students under the following conditions:

Non-High School Graduates

Adults who have not earned a standard or college-ready high school diploma or the equivalency of a standard high school diploma may be admitted to the College's adult general education Post Secondary Adult Vocational programs (PSAV). Adults who have not earned a standard or college-ready high school diploma or the equivalency of a standard high school diploma may be admitted into college-credit classes with the following requirements and restrictions:

- The individual will be required to take the College Placement Test or the Test of Adult Basic Education.
- 2 The individual may enroll for no more than 12 hours of college-credit course-work before completing his/her standard or college-ready high school diploma or the equivalency of a standard high school diploma.

Non-U.S. Citizen Students Who Are Adults

Individuals who are age 18 or older and who are not citizens of the United States may be admitted to Florida Community College if they meet the criteria of any category listed above and if they are in compliance with the standards from the Immigration and Naturalization Service.

Special Admissions Classification for Minors

United States citizens under the age of 18 may be admitted to the College under one of the following sets of conditions with confirmation from all high schools attended that the individual has not been convicted of any of the following offenses:

1. Distribution of drugs
2. Simple battery upon school employees or agents
3. Robbery
4. Extortion
5. Burglary of school property
6. Criminal mischief or vandalism
7. Possession of weapons or dangerous objects
8. Indecent public conduct
9. Battery upon another student resulting in bodily harm
10. Inciting or participating in a major student disorder
11. Commission of any felony

High School Graduates

Minors who have earned a standard or college-ready high school diploma or the equivalency of a standard high school diploma may be admitted to Florida Community College with authorization to attend from their

parent or legal guardian.

Dual Enrollment for High School Students

Students enrolled at a public or private high school, or home school may be admitted to Florida Community College for either college or vocational/ technical credit if they meet the dual enrollment requirements in accordance with state statute and have high school authorization.

Accelerated College for High School Students

High school sophomores or higher who have not earned a high school diploma may be admitted to Florida Community College for college credit courses under the following requirements and restrictions.

1. The individual must have authorization to attend the College from his/her high school, parent or legal guardian, and meet established grade point average.
2. The individual will be required to take the College Placement Test if he/she plans to enroll in college-credit courses.
3. Accelerated college is not a dual enrollment program, and students will only receive college credit for courses taken.
4. Students pay all tuition and fees for courses taken.

Other Non-High School Graduates

Minors who have not earned a standard or college-ready high school diploma or the equivalency of a standard high school diploma and who are no longer attending a public or private school may be admitted to the College's adult basic education (ABE), vocational preparation instruction (VPI), general educational development (GED), or English for Speakers of Other Languages (ESOL) programs if they have authorization to attend the College from their parent or legal guardian.

Applicants age 18 and over who have not earned a high school diploma or its equivalent and who are no longer attending a public or private school may also be admitted to the College's adult high school program

Non-U.S. Citizen Students Who Are Minors

Individuals who are not citizens of the United States who are high school sophomores or higher may be admitted if they meet the criteria of Accelerated College for High School if they are in compliance with standards from the Immigration and Naturalization Service.

Selective Access

Selective access programs have special selection and admission criteria. Special procedures may be obtained from the program office as listed in this catalog. Selective access programs include: criminal justice technology (academy track), criminal justice officer administration (academy track), dealer specific automotive technology, human services, industrial management technology (maritime), industrial management technology (naval nuclear power operations), dental hygiene, emergency medical services (EMS) technology, emergency medical technology (EMT), histotechnology, medical laboratory technology, nursing, paramedic, physical therapist assistant and respiratory therapy programs.
