

Public CR ROW Solar Energy

Menu Option: CR ROW Solar Energy

Purpose: This report will be used to track the number of solar energy ROW actions being processed and granted on public lands. The BLM Strategic Plan identifies solar energy as one of the measures being tracked. This report is used to provide the Department and others seeking information on the BLM renewable workload.

When viewing any of the various report formats, you can click on the serial number and the case recordation serial register page will be run for that case.

Selection Criteria: This report allows you to search on mandatory criteria.

Mandatory Criteria: Admin State and Action Date

Procedure:

1. Select **CR ROW Solar Energy** from the reporting menu.

The screenshot shows the BLM Reporting Application interface. At the top, it says "U.S. DEPARTMENT OF THE INTERIOR BUREAU OF LAND MANAGEMENT" and "Reporting Application". Below this is a navigation bar with "Return to Report Menu" and "Return to Criteria Selection" buttons, and a "(Public)" label. The main content area is titled "PUB CR ROW SOLAR ENERGY (LR2000 PUBLIC REPORTS)" and "Please Set the Limits You Would Like to Filter On". Under "MANDATORY CRITERIA", there are two rows: "Admin State" and "Action Date", each with a "Set" button. At the bottom of the form are "Run Report" and "Reset" buttons. A sidebar on the left contains links for "LR2000 Home", "About", "Tutorial", "Help Guides", "Reference Codes", "Contact Us", and "Report Summaries". The footer contains various links including "USA.GOV", "No Fear Act", "DOI", "Disclaimer", "About BLM", "Notices", "Get Adobe Reader", "Privacy Policy", "FOIA", "Kids Policy", "Contact Us", "Accessibility", "Site Map", and "Home".

Identify the Mandatory Information:

2. Click **Set** for **Admin State** to specify the state(s) in which to report information.
Type the two-letter state code in the text field or select it from the list.
3. Click **Set** for **Action Date** to specify the date range.
Identify the beginning date and the ending date separated by a comma.

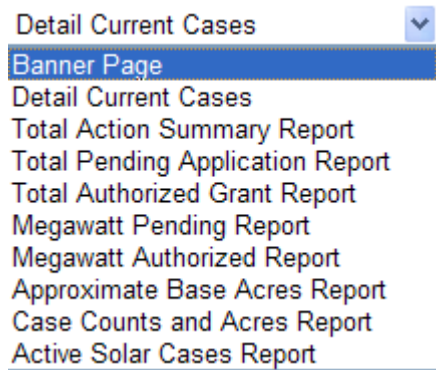

Note: To change criteria selection, click **Return to Criteria Selection**.

TIP: To select multiple values for a criterion, enter each code separated by a comma in the text field or use the ALT key (for non-sequential items) or Shift key (for sequential items) and select multiple items in the list box. Click Close or click Set for another criterion to retain the search criteria.

Process Report:

4. After selecting all criteria, click **Run Report**.
5. Click **OK** to confirm the report criteria.
6. When the report has finished processing, there are multiple report options available.

Click on the Down Arrow to select the report format you want to view.

EXAMPLE:

Query: *How many solar energy actions have been processed in CA in FY09?*

Set Admin State

Type “CA” into the edit field *or* select “CA” in the list box.

Set Action Date

Type “10/01/2009, 09/30/2010” into the edit field and click the green checkmark

Click “**Run Report**”

When the processing has completed, the cursor will change from an hourglass back to an arrow and the **Current Solar Energy Cases report** will be displayed.
