

**Advisory Committee on Water Information  
Water Resources and Adaptation to Climate Change Workgroup  
MEMBERSHIP**

**Federal Agencies**

1. Army Corps of Engineers
2. Centers for Disease Control
3. Council on Environmental Quality
4. Department of Agriculture, Natural Resources Conservation Service
5. Department of Agriculture, Forest Service
6. Department of Energy
7. Department of Homeland Security, Federal Emergency Management Agency
8. Department of Interior, U.S. Geological Survey
9. Department of Interior, Bureau of Reclamation
10. Department of Interior, U.S. Fish and Wildlife Service
11. Environmental Protection Agency
12. National Oceanic and Atmospheric Administration; National Weather Service
13. National Oceanic and Atmospheric Administration; National Climatic Data Center
14. Office of Science and Technology Policy, U.S. Global Change Research Program

**State, Tribal, and Local Government Organizations**

1. Association of Metropolitan Water Agencies
2. Association of Clean Water Administrators
3. Association of State Drinking Water Administrators
4. Association of State Floodplain Managers
5. Association of State and Territorial Health Officials
6. Association of State Wetland Managers
7. Ground Water Protection Council
8. Interstate Council on Water Policy
9. National Association of Clean Water Agencies
10. National Association of County Planners
11. National Congress of American Indians
12. National Tribal Water Council
13. Oregon Health Authority, Public Health Division
14. Water Utility Climate Alliance
15. Western States Water Council
16. National Association of State Conservation Agencies

## **Public and Academic Organizations**

1. American Rivers
2. American Society of Civil Engineers
3. American Water Works Association
4. American Water Resources Association
5. Clean Water America Alliance
6. Clean Water Network
7. Consortium of Universities for the Advancement of Hydrologic Science (CUAHSI)
8. National Council for Air and Stream Improvement
9. National Ground Water Association
10. National Water Resources Association
11. Natural Resources Defense Council
12. Water Environment Federation
13. Coastal States Organization
14. North American Lake Management Society
15. National Institutes for Water Research

**Note: not all of these organizations are likely to participate. Thus, the number of organizations on this list exceeds the maximum number of members stated in the Terms of Reference.**

### **Suggested non-voting members**

Non-voting member organizations would serve as expert resources and communication conduits with the groups they represent. To keep membership to a reasonable size, this category may be omitted, at least for the first year or two.

### **Representatives of National Climate Assessment Regions (a representative from each Region)**

1. New England
2. Midwest
3. Southeast and Caribbean
4. Great Plains
5. Southwest
6. Northwest
7. Alaska and Arctic
8. Hawaii and Pacific Islands

**ACWI subgroups** that are working on topics related to the goals of the Workgroup (such as, but not limited to, the Subcommittee on Hydrology, Subcommittee on Ground Water, National Water Quality Monitoring Council, and the Sustainable Water Resources Roundtable)
