

Subcommittee on Sedimentation (SOS)
Meeting Minutes of November 16, 2007
Teleconference at 1:00 – 2:15 EST

Attendees: Jorge Pagan – FHWA, John Potyondy – FS, Bill Jackson – NPS, Mary Greene – OSM, Tim Randle – BOR, Paula Makar – BOR, Jerry Webb – USACE, John Gray – USGS, Doug Glysson - USGS

The Subcommittee meeting was convened as a final discussion on the SOS prospectus. During the conference call the Subcommittee participants reached consensus on the prospectus. Tim Randle will compile all comments into one document and send out to the Subcommittee by November 19, 2007 for an electronic vote. SOS members need to cast their votes by Dec 14, 2007.

Jerry Webb accepted the position of vice-chair for FY 2008.
