

The following Recommendation was provisionally adopted by the Acquisition Advisory Panel during the public meeting held August 10, 2006.

(For complete document on Improving Competition Findings and Recommendations, see Meeting Materials for August 10, 2006 – Improving Competition Proposal with Voting Results 08 10 06)

Improving Competition

Recommendations:

2. Regulatory guidance should be provided in FAR to assist in establishing the weights to be given to different types of evaluation factors, including a minimum weight to be given to cost/price, in the acquisition of various types of products or services.
