Note: Major airports comprise the 35 Operational Evolution Partnership (OEP) airports. Segment defined as non-stop service from specified major airport to any other airport, including non-major airports, e.g. EWR to LAX is defined as a segment from EWR and LAX to EWR is defined as a segment from LAX.

Nationwide there were 17659 scheduled flights, 23 weather-related cancellations, and 140 other cancellations. Other cancellations reported in the categories of: carrier, national air system (NAS), or security.

Note: Major airports comprise the 35 Operational Evolution Partnership (OEP) airports. Segment defined as non-stop service from specified major airport to any other airport, including non-major airports, e.g. EWR to LAX is defined as a segment from EWR and LAX to EWR is defined as a segment from LAX. Nationwide there were 17860 scheduled flights, 1103 weather-related cancellations, and 236 other cancellations. Other cancellations reported in the categories of: carrier, national air system (NAS), or security.

Note: Major airports comprise the 35 Operational Evolution Partnership (OEP) airports. Segment defined as non-stop service from specified major airport to any other airport, including non-major airports, e.g. EWR to LAX is defined as a segment from EWR and LAX to EWR is defined as a segment from LAX.

Nationwide there were 18210 scheduled flights, 56 weather-related cancellations, and 107 other cancellations. Other cancellations reported in the categories of: carrier, national air system (NAS), or security.
