SUMMARY: In response to a petition filed by CF Industries, Inc. (CF) on May 17, 2011, the Board is instituting a declaratory order proceeding under 49 U.S.C. 721 and 5 U.S.C. 554(e). CF requests that the Board declare invalid and unenforceable certain tariffs addressing the movement of Toxic-by-Inhalation Hazardous materials and Poison-by-Inhalation Hazardous materials (TIH/PIH) issued by 3 subsidiaries of RailAmerica, Inc. (RailAmerica): The Indiana & Ohio Railway Company, the Point Comfort and Northern Railway Company and the Michigan Shore Railroad, Inc. (collectively, the RailAmerica railroads). This proceeding will also develop the record with respect to a complaint filed by another shipper and several trade associations in Docket No. NOR 42129, which raises similar issues regarding the handling of TIH/PIH by another RailAmerica subsidiary.¹ The Board seeks public comment on the issues raised in both cases.

DATES: Any person who wishes to participate in this proceeding as a party of record (POR) must file, no later than October 17, 2011, a notice of intent to

participate. Discovery will close on November 29, 2011. Opening evidence and argument from all PORs is due on January 13, 2012. Reply evidence and argument from all PORs is due on February 27, 2012. Rebuttal evidence and argument from all PORs is due on March 13, 2012.

SUPPLEMENTARY INFORMATION: CF and the NOR 42129 complainants challenge certain requirements for rail transportation of TIH/PIH promulgated by RailAmerica and several of its railroad subsidiaries. Under 5 U.S.C. 554(e), the Board has discretionary authority to issue a declaratory order to terminate a controversy or remove uncertainty. A declaratory order proceeding is thus instituted in this docket to invite broad public comment on the issues raised in Docket Nos. FD 35517 and NOR 42129. Any person seeking to comment on CF's petition in Docket No. FD 35517 or the complaint in Docket No. NOR 42129 may submit written comments to the Board (pursuant to the schedule and procedures set forth in this notice) regarding the reasonableness of the challenged TIH/PIH transportation requirements. Title: Registration of Money Services Business.

OMB Number: 1506-0013.

Form Number: FinCEN Form 107.

Abstract: The statute generally referred to as the “Bank Secrecy Act,” (“BSA”) Titles I and II of Public Law 91-508, as amended, codified at 12 U.S.C. 1829b, 12 U.S.C. 1951-1959, and 31 U.S.C. 5311-5330, authorizes the Secretary of the Treasury, *inter alia*, to issue regulations requiring records and reports that are determined to have a high degree of usefulness in criminal, tax, and regulatory matters. Regulations implementing Title II of the BSA (codified at 31 U.S.C. 5311-5330) appear at 31 CFR chapter X. The authority of the Secretary to administer the BSA has been delegated to the Director of FinCEN.

Under 31 U.S.C. 5330 and its implementing regulations, money services businesses must register with the Department of the Treasury, maintain a list of their agents, and renew their registration every two years. Currently, money services businesses register by filing FinCEN Form 107, which is being revised to incorporate changes to the MSB definitions¹ and provide for prepaid access program²

information. The information collected on the form is required to comply with 31 U.S.C. 5330 and its implementing regulations. The information will be used to assist supervisory and law enforcement agencies in the enforcement of criminal, tax, and regulatory laws and to prevent money services businesses from being used by those engaging in money laundering, terrorist financing and other illicit financial crimes. The collection of information is mandatory.

Current Actions: The current FinCEN Form 107 and instructions are being revised to update the information collection tool as follows:

Part I adds Item 1e, RMSB Registration number for all but initial registrations.

Part II expands Item 3 into separate fields to record last name/entity, adds a check box to indicate “if entity,” adds first name and middle initial boxes. In Item 6, adds AKA to the DBA entry, adds a box to indicate a foreign country, adds a box to indicate the type of taxpayer identification number (TIN), adds a space for recording a Web site (URL) address if available, and adds spaces to identify the name and phone number of the compliance contact person for the MSB.

Part III repeats the same name entry expansion, TIN and TIN type as in part II. E-mail address and Web site info is added and removes ID information box 23 on the current form.

Part IV adds a check box to indicate foreign locations, adds to the MSB services provided check boxes to indicate seller of prepaid access and provider of prepaid access, and updates the existing terminology to match the new MSB definitions. Added to part IV is an entry to list financial services being provided that are in addition to those already indicated. Added in part IV are a series of information boxes regarding prepaid access that are to be completed if the registrant is a provider of prepaid access. This revision adds the name of the prepaid program, the IIN/BIN (first six numbers), the name of the processor, and compliance point of contact to include the phone number and provides a check box to indicate if the listed program is useable internationally. This revision updates part IV to clarify reporting the number of U.S. agents providing MSB services.

Part V, Primary Transaction Account for MSB Activities, adds depository institution routing number, depository institution IBAN if foreign, country code, type of financial institution (depository institution, non-depository or foreign) in addition to existing information.

Parts VI and VII change the name to add, respectively, address and signature of the Agent for Service of Process.

Type of Review: Renewal with change of a currently approved collection report.

Affected public: Individuals, business or other for-profit institutions, and not-for-profit institutions.

Frequency: Every two years.³

Estimated Burden: Reporting average of 30 minutes per response; recordkeeping average of 30 minutes per response.

Estimated number of respondents: 44,300.

Estimated Total Annual Burden Hours: 22,150 hours.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid Office of Management and Budget (OMB) control number. Records required to be retained under the BSA must be retained for five years. Generally, information collected pursuant to the BSA is confidential, but may be shared as provided by law with regulatory and law enforcement authorities.

Request for Comments:

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; (e) estimates of capital or start-up costs and costs of operation, maintenance and purchase of services to provide information; (f) whether it is a business practice for providers of prepaid access to contract with more than one payment processor and if so, please explain why and how many; and (g) any other aspect of the revised form and instructions.

General Information

Who Must Register

Generally money services businesses (MSBs) must register with the Department of the Treasury, using this report, FinCEN 107, Registration of Money Services Business. However, not all MSBs are required to register. For example, if you are an MSB solely because you are an agent of another MSB, you are not required to register. The discussion below will help you determine whether or not you are an MSB that is required to register. For more information visit http://www.fincen.gov/financial_institutions/msb/.

The term money services business includes:

1. Dealer in foreign exchange who transacts in an amount greater than \$1,000 for any one customer on any day, whether or not for same day delivery.
2. Check casher who accepts checks or other monetary instruments in return for currency or a combination of currency and other monetary instruments for any one customer on any day.
3. Issuer or seller of traveler's checks who issues or sells more than \$1,000 in traveler's checks or money orders for any one customer on any day. "Issuer" is defined or determined by virtue of the amount at which its monetary instruments or traveler's checks are sold, as opposed to the amounts at which they are issued. For example, the amount of the sale includes the face value of the monetary instruments plus any fees.
4. Provider of prepaid access who agrees to be the provider with respect to a prepaid access program or is determined to have primary oversight and control over the prepaid access program and serves as the principal conduit for access to information from its fellow program participants. Considerations for a provider determination include whether a party organizes the program; sets the terms and conditions of the prepaid program and determines that the terms have not been exceeded; determines the other businesses that will participate in the prepaid program, which may include the issuing bank the payment processor, or the distributor; controls or directs the appropriate party to initiate, freeze, or terminate prepaid access; and engages in activity that demonstrates oversight and control of the prepaid program.
5. Money transmitter.
6. U.S. Postal Service.
7. Seller of prepaid access.

The following are not required to register:

1. A business that is an MSB solely because it serves as an agent of another MSB. For example, a supermarket corporation that sells money orders for an issuer of money orders is not required to register. This is true even if the supermarket corporation serves as an agent for two or more

MSBs. However, an MSB that serves as an agent of another MSB and engages in MSB activities on its own behalf must register. For example, a supermarket corporation must register if, in addition to acting as an agent of the money order issuer, it provides check cashing or currency exchange services on its own behalf in an amount greater than \$1,000 for any one person on any day.

2. The United States Postal Service, any agency of the United States, of any state, or of any political subdivision of any state.

3. A seller of prepaid access is any person that receives funds or the value of funds in exchange for an initial loading or subsequent loading of prepaid access, unless that person only sells prepaid access offered under a prepaid program that cannot be used before verification of customer identification and has implemented policies and procedures reasonably adapted to prevent the sale of more than \$10,000 of any type of prepaid access.

For the regulatory definition of "money services business" see 31 CFR 1010.100 (ff).

The following terms are used in the form and instructions to describe a money services business:

1. An "agent" is a separate business entity from the issuer that the issuer authorizes, through written agreement or otherwise, to sell its instruments or, in the case of funds transmission, to sell its send and receive transfer services. A person who is solely an employee of the MSB is not an agent of that MSB. A branch is not a separate business entity and is therefore not an agent.

2. A "branch" is an owned location of either an issuer or agent at which financial services are sold. An MSB should not separately register each of its branches. A mobile operation owned by an MSB is a branch of that MSB. The MSB's headquarters is not a branch. If the MSB has only one location, that location is not a branch.

3. A "check casher" is a person that accepts checks (as defined in the Uniform Commercial Code), or monetary instruments (as defined at § 1010.100(dd)(1)(ii), (iii), (iv), and (v)) in return for currency or a combination of currency and other monetary instruments or other instruments, in an amount greater than \$1,000 for any person on any day in one or more transactions.

4. A "dealer in foreign exchange" is a person that accepts the currency, or other monetary instruments, funds, or other instruments denominated in the currency, of one or more countries in exchange for the currency, or other monetary instruments, funds, or other instruments denominated in the currency, of one or more other countries in an amount greater than \$1,000 for any other person on any day in one or more transactions, whether or not for same day delivery.

5. "Informal value transfer system." See explanation of the term money transmitter.

6. An "issuer" is the business that is ultimately responsible for payment of money orders or travelers checks as the drawer of such instruments, or a money transmitter that has the obligation to guarantee payment of a money transfer.

7. A “money transmitter” is (A) a person that provides money transmission services. The term “money transmission services” means the acceptance of currency, funds, or other value that substitutes for currency from one person *and* the transmission of currency, funds, or other value that substitutes for currency to another location or person by any means. “Any means” includes, but is not limited to, through a financial agency or institution; a Federal Reserve Bank or other facility of one or more Federal Reserve Banks, the Board of Governors of the Federal Reserve System, or both; an electronic funds transfer network; or an informal value transfer system; or (B) Any other person engaged in the transfer of funds.

An “informal value transfer system” is a kind of money transmitter. An informal value transfer system includes any person who engages as a business in an informal money transfer system or any network of people who engage as a business in facilitating the transfer of money domestically or internationally outside of the conventional financial institutions system.

8. A “person” is an individual, a corporation, a partnership, a trust or estate, a joint stock company, an association, a syndicate, joint venture, or other unincorporated organization or group, an Indian Tribe (as that term is defined in the Indian Gaming Regulatory Act), and all entities cognizable as legal personalities.

9. A “seller” is a business that issuers or providers authorize, through written agreement or otherwise, to sell their instruments, services, or products or their send and receive transfer services.

10. A “transaction account” is a deposit or account on which the depositor or account holder is permitted to make withdrawals by negotiable or transferable instrument, payment orders of withdrawal, telephone transfers, or other similar items for the purpose of making payments or transfers to third persons or others. Such terms include demand deposits, negotiable order of withdrawal accounts, savings deposit subject to automatic transfers, and share draft accounts. See 12 USC 461(b)(1)(c).

If two or more persons own equal numbers of shares of a corporation, those persons may enter into an agreement as explained above that one of those persons may register the business. If the owner or controlling person is a corporation, a duly authorized officer of the owner-corporation may execute the form on behalf of the owner-corporation.

If box a, b, or c **does not apply**, check as many state or territory boxes as necessary. If a service is offered on tribal lands, mark the box for the state, territory or district in which the tribal lands are located. If services are also provided in foreign locations, check box "d."

Item 35 --Enter the number of branches of the registrant. Enter the number of branches of the money services business at which one or more MSB activities are offered. If there are no branches, enter zero. See the General Information for an explanation of the term "branch."

Item 36 --MSB activities of the registrant. Items 36a through 36i are MSB activities. Check the box of each MSB activity conducted by the registrant at its branches. See the General Information for an explanation of the terms "issuer," "seller," "dealer in foreign exchange," "check casher," "provider of prepaid access," "seller of prepaid access," and "money transmitter." If the MSB activity is not listed here, check box "z Other" and enter a brief description in the space provided.

Item 36i-- A Provider of prepaid access is required to "identify each prepaid program for which it is the provider of prepaid access." What constitutes a separate prepaid program is left to the business judgment of the provider of prepaid access; however the information required in items 37 - 42 is illustrative of the factors that should be considered. Items 37 to 42 may be repeated up to 999 times. For example, where programs have separate names, different issuing banks or Issuer Identification Numbers (IIN), or where one program can be used internationally and another not, the programs should be identified separately.

Item 38-- Prepaid Access Program Identification. If item 36i (Provider of Prepaid Access) is checked, the Provider must "identify each prepaid program for which the registrant is the provider of prepaid access. . . ." Item 38 allows space to identify the name(s) of the program(s) for which the registrant is a provider. Such a person may be one with day-to-day knowledge of the program.

Item 43--Is this program useable internationally? A program may be useable internationally if funds or the value of funds are accessible, by any means, outside of the United States. Accordingly, if for example, the program allows for ATM usage or point of sale transactions in countries outside of the United States, it is useable internationally.

Item 44 --Informal value transfer system. If any part of the registrant's money services business is an informal value transfer system, check yes. An informal value transfer system is a kind of money transmitter. See the General Information explanation of the term "money transmitter."

Item 46 --Number of agents. Enter the number of agents that the registrant has authorized to sell or distribute its MSB services.
