Dear Chairman Wellinghoff,

Thank you for your letter regarding the renewal of the Memorandum of Understanding (MOU) between the Federal Energy Regulatory Commission (FERC) and the Interstate Oil and Gas Compact Commission (IOGCC).

We are in agreement that the MOU has been mutually beneficial, and I believe that we can identify and collaborate on additional projects going forward.

The IOGCC agrees with the terms of renewal you outlined in your letter dated February 26, 2010, and considers the MOU effective immediately.

Thank you again for your attention to this matter and your willingness to work with the states on items critical to the nation's energy future.

Sincerely,

Carl Michael Smith
Executive Director
