## Resource Advisory Council to Accept Project Proposals

**Kernville, CA:** The Kern and Tulare Counties Resource Advisory Committee (RAC) is seeking a new round of applications for funding natural resource projects. These projects would enhance forest ecosystems or restore and improve land health and water quality on the Sequoia National Forest and other nearby lands in Tulare and Kern Counties.

The RAC will have nearly \$70,000 to fund proposals in Tulare and Kern Counties this year. These funds are made available through the Secure Rural Schools and Community Self-Determination Act. Proposals will be accepted in hard copy, by email, or in person, with this round due September 6, 2012. Proposal application forms and instructions are available on the Sequoia National Forest at: [www.fs.fed.us/r5/sequoia](http://www.fs.fed.us/r5/sequoia) under “Kern and Tulare Counties RAC”.

The RAC works closely with the Forest Service to recommend projects that will benefit forest health, fish, wildlife, soils, watersheds and other resources; maintain roads, trails, and other infrastructure; or control noxious weeds.

The RAC funded seventeen projects in Kern and Tulare Counties (2008-2011), totaling nearly \$400,000.

Completed proposal forms can be sent hard copy to Penelope Shibley, RAC Coordinator, 105 Whitney Road, Kernville CA 93238, or by email to: [pshibley@fs.fed.us](mailto:pshibley@fs.fed.us), no later than September 6, 2012.

Project proposals can also be brought in person to RAC committee meetings for the Sequoia National Forest on the following dates:

- August 23, 2012, from 5:00 - 8:00 p.m., on August 23, 2012, at the Sequoia National Forest Supervisor’s Office, 1839 South Newcomb, Porterville, CA 93257, and
- September 13, 2012, in the evening at the County of Kern Administrative Office, 3rd Floor Conference Room, 1115 Truxtun Avenue, Bakersfield CA 93301.
