MEMORANDUM

TO: Fernanda Young
Chief Information Officer

FROM: Jean Smith 
Assistant Inspector General for Audit

SUBJECT: *Fiscal Year 2011 Information Security Program and Practices Audit*
(OIG-AR-12-02, December 19, 2011)

This memorandum transmits Cotton & Company LLP's report on the results of the subject audit. Under a contract monitored by this office, we engaged the independent firm of Cotton & Company LLP to evaluate security controls over information, as well as to determine if Ex-Im Bank met Federal Information Security Management Act requirements. The contract required the audit to be performed in accordance with Government Auditing Standards, 2007 Revision, as amended.

The *Fiscal Year 2011 Information Security Program and Practices Audit* report addresses issues associated with the security of information at Ex-Im Bank. For that reason, we are not making the report available on-line, but it may be available under the Freedom of Information Act.

We appreciate the courtesies and cooperation provided to the auditors during the audit. If you have any questions, please call me at (202) 565-3944.
