# Four Reasons Bystander Approach is Key:

1. Numbers our on our side
2. Break through historical obstacles
3. Answers “Why don’t people intervene?”
4. Realistic discussions

# In order to mobilize our communities:

1. We must be inclusive
2. We must meet people where they are
3. We must give people specific, manageable behaviors to try
4. We must have an impact across the entire social ecology

# Four Things You Can Do:

1. Educate yourself
2. Reflect on your obstacles
3. Know and maximize your sphere of influence
4. Believe it can be done
