KEEP SUMMER FUN BY KEEPING KIDS SAFE

○ Supervise

Never take your eyes off children in and around water.

○ Use Barriers

Fences, self-closing/self-latching gates and secured doors with alarms can prevent young children from wandering into the pool.

○ Avoid Entrapment

Suction from a pool's drain is so powerful it can trap an adult underwater. Check for broken or missing drain covers.

○ Learn to Swim

To stay safe in the water, all family members should learn to swim well.

○ Know How to Respond

Get training in basic water rescue skills, first aid and CPR. Have rescue equipment and a phone by the pool.
