

## NOAA FISHERIES SERVICE

### Atlantic Large Whale Take Reduction Plan (ALWTRP)

For more information on large whale species, the Take Reduction Plan, and implementing regulations, including:

- Critical Habitat
- Threats
- Conservation Efforts
- Current and Final Regulations, including final rules published in June and October 2007

Please visit NMFS on the web at:

<http://www.nmfs.noaa.gov/pr/species/mammals/cetaceans/>  
or the ALWTRP site at: <http://www.nero.noaa.gov/whaletrp/>

Or contact Diane Borggaard, NMFS Northeast Region Large Whale Coordinator, at 978-281-9300 ext. 6503, [Diane.Borggaard@noaa.gov](mailto:Diane.Borggaard@noaa.gov)

### Pelagic Longline Take Reduction Plan (PLTRP)

For more information on:

- Pelagic Longline Take Reduction Plan - 74 FR 23349 (published May 19, 2009), effective on June 18, 2009
- Regulations at 50 CFR 229.36
- Biological species included in the plan
- Species abundance estimates
- Background materials

Please visit NMFS on the web at:

<http://www.nmfs.noaa.gov/pr/species/mammals/cetaceans/>  
or the PLTRP site at: <http://www.nmfs.noaa.gov/pr/interactions/trt/pl-trt.htm>

Or contact Erin Fougères, PLTRT Coordinator, at 727-824-5312, [Erin.Fougeres@noaa.gov](mailto:Erin.Fougeres@noaa.gov)
