

Call for Articles: Activity Accomplishments / Success Stories

The SSVF Program Office is accepting submissions in order to recognize and share success stories from 2011 SSVF grantees.

Submissions should represent SSVF “beyond the numbers” and be based on the following:

- Success stories of Veteran families served where homelessness was prevented and/or housing was secured
- Success stories of Veterans in targeted populations (Females, Families with Dependents, Chronically Homeless, <30% AMI, OEF/OIF, etc.)
- Success stories of Veteran families receiving and/or linked to employment services via SSVF
- Success stories demonstrating an impact on Veteran family’s access to VA benefits and other entitlements via SSVF
- Success stories demonstrating the development of VA interaction and enhanced community networks (public and private) via SSVF

These submissions provide your organization with the opportunity to chronicle your successes and share them with VA, partner Federal agencies, consumer providers, the general public, and of course, Veterans who may be seeking services.
