III-1. Who should be contacted regarding the requested financial information?

Company contact: _____
Name and title

() _____
Phone number E-mail address

III-2. Briefly describe your financial accounting system.

- A. When does your fiscal year end (month and day)? _____
If your fiscal year changed during the period examined, explain below:

- B.1. Describe the lowest level of operations (e.g., plant, division, company-wide) for which financial statements are prepared that include woven electric blankets:

- 2. Does your firm prepare profit/loss statements for woven electric blankets?
 Yes No
- 3. How often did your firm (or parent company) prepare financial statements (including annual reports, 10Ks)? Please check relevant items below.
 Audited, unaudited, annual reports, 10Ks, 10 Qs,
 Monthly, quarterly, semi-annually, annually
- 4. Accounting basis: GAAP, cash, tax, or other comprehensive (specify) _____

Note: The Commission may request that your company submit copies of its financial statements, including internal profit-and-loss statements for the division or product group that includes woven electric blankets, as well as those statements and worksheets used to compile data for your firm's questionnaire response.

III-3. Briefly describe your cost accounting system (e.g., standard cost, job order cost, etc.).

III-4. Briefly describe your allocation basis, if any, for COGS, SG&A, and interest expense and other income and expenses.

PART III.--FINANCIAL INFORMATION--Continued

III-5. Please describe in detail how your firm treats returns and/or related activity for accounting purposes in the normal course of business and how this activity is reflected in table III-11 (woven electric blanket income statement).

III-6. Other products.--Please list any other products you produced in the facilities in which you produced woven electric blankets, and provide the share of net sales accounted for by these other products in your most recent fiscal year:

III-13. Woven Electric Blanket Product Mix.--Based on information provided in the preliminary phase of this investigation, the following characteristics can be used to describe the product mix for sales of woven electric blankets: fiber content (cotton blend versus 100 percent synthetic) and size (twin, full, queen, and king). Please indicate in the space below whether these are the primary characteristics which you believe are important for purposes of describing your firm's product mix or whether there are other important characteristics. As appropriate, please describe any additional characteristics important for describing your firm's product mix.

III-14a. Woven Electric Blanket Product Mix (Net Sales Quantity).—To supplement the information provided in table III-11, please complete the following table as it relates to woven electric blanket product mix. Staff recognizes that product mix may need to be broadened based on your firm's response to question III-13 and requests that you, as necessary, report on additional fiber content and size categories, as appropriate. The total annual net sales quantity reported in this table should reconcile to the corresponding amounts reported in table III-11.
