

JOB TITLE:

USAF: Licensed Clinical Social Worker, Name of Facility, Seymour Johnson AFB, NC
(O4 billet)

JOB DESCRIPTION:

Primary provider role will be to provide diagnosis, assessment, and treatment for adult active duty population within the Mental Health Clinic. Prefer familiarity with treatment protocols for PTSD, anxiety, and depression. Treatment plans, high risk documentation, and peer reviews will be expected. Routing contact with Commanders. Attendance at Flight, Squadron, and Medical Group meetings is required.

As alternate Program Manager for ADAPT, the individual should have strong familiarity of diagnosis, assessment, and treatment of alcohol, and an awareness of drug addictions. Some program administration in the absence of the primary manager will be required.

Provider will also assist with Outreach/Prevention, which requires an ability to provide education/briefings on Mental Health or alcohol-related topics. Briefings average <10 hours per month, but in surge deployment times, this may be primary duty for 1-3 days.

Work shift is daytime, Monday through Friday, but maintaining workload sometimes requires evening hours. On-call can be expected once every four to seven weeks. Assistance on Air Force-specific instructions/protocols will be given, but a strong clinical base with adult mental health is necessary.

This position requires a Secret clearance.

At least 51% of the incumbent's time will be spent on direct mental health patient care and/or mental health clinical management.

REQUIREMENTS:

License: A current valid, unrestricted, registration or certification that allows of independent clinical social work practice in a U.S. State or other jurisdiction is required.

Training: The Candidate must possess a qualifying master's degree in social work that has been accredited by the Council on Social Work Education (CSWE).

This position is for a minimum 3 year commitment

LOCATION DESCRIPTION:

Seymour Johnson AFB, North Carolina
