**Domestic violence : a reference handbook**

*Margi Laird McCue.*

Santa Barbara, CA : ABC-CLIO, 2008.

REF 362.8292 MCC

Domestic Violence: A Reference Handbook provides straightforward and objective coverage that considers all aspects of the issue through a careful combination of facts, statistics, case studies, and victims' stories. This volume in ABC-CLIO's Contemporary World Issues series examines the causes and historical roots of domestic violence, providing the facts and analyses to foster a better understanding. The work analyzes the complex dynamics of domestic violence from three perspectives-- legal, social, and psychological. This reference is an important source of information for those touched by domestic violence and for those seeking to understand it.

**Domestic Violence: Do teenagers need more protection?**

*Pamela M. Prah*

En: CQ Researcher, Vol. 16, No. 1, pp. 1-24, January 6, 2006.

REF 909.82 CQR 2006

On a typical day in the United States, three women are murdered by their spouses or partners, and thousands more are injured five times more than men. Young people between the ages of 16 and 24 are also at risk. Nevertheless, domestic violence against women has dropped dramatically in recent years. Meanwhile, some father's-rights say too many domestic violence-programs demonize men, promote a feminist agenda and do not try hard enough to keep families together.

**"Trivial complaints" :  
the role of privacy in  
domestic violence law  
and activism in the U.S.**

*Kirsten S. Rambo.*

New York, NY : Columbia  
University Press, 2009.

342.730 RAM

Explores the historical relationship between privacy and domestic violence through an analysis of litigation and activism. The state has traditionally hesitated in responding to domestic violence, characterizing it as a "private" family matter. The discourse of privacy incorporates presumption about race, class, and sexuality, and this volume examines the ramifications of such assumptions for victims and activists.
