

BLM and DoD Wind Energy Protocol

Points-of-Contact - DoD Regional Environmental Coordinators (RECs):

Note: BLM staff are requested to transmit requests for DoD evaluation of proposed renewable energy projects via e-mail to the primary REC point-of-contact (in bold) listed below with copy to the alternate contacts (also in bold). This will ensure that the proposals will receive prompt attention. Also note that there are two alternates in Region IX due to the large number of proposed projects in that region. Please copy both alternates when sending evaluation requests to DoD Region IX.
