

UNITED STATES INTERNATIONAL TRADE COMMISSION

WASHINGTON, DC 20436

March 29, 2007

To Whom It May Concern:

The enclosed questionnaire pertains to the United States International Trade Commission's review investigations concerning certain pasta from Italy and Turkey. The reviews are being conducted under the provisions of section 751 of the Tariff Act of 1930.

In these reviews the Commission must determine whether revocation of the antidumping and countervailing duty orders on certain pasta from Italy and Turkey would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. A copy of the Commission's notice of these reviews are enclosed and will be published in the *Federal Register*.

The business proprietary information you supply in this questionnaire or in connection therewith will be so treated by the Commission and will not be disclosed except as may be required by law. Your response will be consolidated with the responses of other firms and will form much of the statistical base for the Commission's determinations. The questions in the questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible.

Please return the completed questionnaire to the Commission by no later than May 1, 2007. If you have any questions concerning the questionnaire or other matters related to the reviews, please contact Michael Szustakowski (202-205-3188 or via E-mail mgs@usitc.gov) of the Commission's staff. Correspondence may be sent to the above address or via FAX to 202-205-3205.

Sincerely,
