Subject: Testimony

To whom it may concern:

I would be interested in attending/participating in the hearing regarding participant advice in self-directed retirement plans. I am a Retirement Plan Consultant with over 16 years in the industry, and as such, I have been a major proponent of the PPA's long overdue lifting of the burden of investment selection from our nation's participants. Please advise me on the feasibility of my participation in the hearing.

Sincerely--

Claiborne B. "Chip" Morton, III, AIF, PRP
