

Department of Commerce Export Compliance Program

Can you answer the following?

How do export regulations affect your business?

What is the Automated Export System (AES) and how do you report your export information?

Do you know how to comply with the Bureau of Industry and Security's (BIS) Export Administration Regulations?

Does your product require a license?

Are you aware of upcoming changes?

If you answered "no" or "I'm not sure" to any of the above questions, the Export Compliance Program can assist you.

Who should attend?

- Manufacturers
- Suppliers
- Forwarders
- Agents
- Carriers

Ever been penalized?

Customs and Border Protection recognizes this program as a mitigating factor should a penalty be issued. Mitigating factors can lead to lower fines.

We will discuss other mitigating factors as well.

Export Compliance Program

New York, NY

Wednesday, November 14, 2012

8:00 AM - 5:00 PM

The Export Compliance Seminar is an all day program where experts from the Department of Commerce will provide training on export filing requirements. Highlights include:

- Mandatory filing requirements
- BIS export control requirements
- How to avoid common penalties and seizure of cargo
- Overview of Export Control Classification Numbers (ECCN)
- Best practices for maintaining compliance with export regulations
- How to classify your product

Only \$249.00 per person

AESpLink Workshop

New York, NY

Thursday, November 15, 2012

8:30 AM - 12:00 PM or 1:00 PM - 4:30 PM

The AESpLink Workshop is a 3 1/2 hour program that provides hands-on experience for the reporting of Electronic Export Information (EEI) through the AESpLink system. Highlights include:

- Learn how to use AESpLink
- Create shipment templates
- Practice reporting export information
- Learn how to become AES certified

Only \$75.00 per person
