

Webinar Series: The Fundamentals of Exporting

U.S. Census Bureau sent this bulletin at 07/06/2012 11:46 AM EDT

Created by the Foreign Trade Division of the U.S. Census Bureau, the *official* source of U.S. export and import statistics and the Foreign Trade Regulations (FTR), this in-depth webinar series provides the tools necessary for a strong foundation in the fundamentals of exporting. Topics will include trade data, export regulations, electronic export reporting and much more.

"Understanding the Basics – An Introduction to Foreign Trade Statistics"

Wednesday, July 11, 1 p.m. (EDT)

In this introductory webinar, learn the importance of the foreign trade statistics and their impact on the U.S. economy. Discover how to obtain country and product data at www.census.gov/trade to conduct market analysis and make informed exporting decisions.
