Mr. Paul Iron Cloud
Executive Director
Oglala Lakota Housing Authority
Pine Ridge, SD 57770

Dear Paul:

Due to a prior commitment I'm unable to attend the consultation session with the US Department of Housing and Urban Development (HUD) on January 21, 2010. I am therefore delegating you with the authority to present the issues from the perspective of the Oglala Sioux Tribe with regarding to housing matters. I trust that your testimony will reflect the concerns that we have shared. Thank you for providing insight to this extremely important process.

Please contact me if you have any questions.

Sincerely,

Theresa Two Bulls
President
