

HHS-OWH Celebrates the Contributions of Women 30 Years of HIV/AIDS Leadership

The Department of Health and Human Services Office on Women's Health recognizes the following women who have been advocates for women and HIV/AIDS. The women included on this list were nominated and submitted to OWH by their peers. We are certain that there are additional leaders who have worked on this issue for more than 20 years, and we welcome those names to add to this list. Please send them to Frances Ashe-Goins, OWH-Deputy Director, at Frances.Ashegoins@hhs.gov no later than August 30, 2011.
