INTRODUCTION

In March 2004, SIGIR formed the Iraq Inspectors General Council (IIGC) to provide a forum for discussion of oversight in Iraq and to enhance collaboration and cooperation among the inspectors general (IGs) of the agencies that oversee Iraq reconstruction funds. Representatives of member organizations meet quarterly to exchange details about current and planned audits, identify opportunities for collaboration, and minimize redundancies.

The most recent meeting was held on November 18, 2009, at the SIGIR office in Arlington, Virginia, with Special Inspector General Bowen chairing the meeting from Baghdad. These organizations attended:

- Air Force Audit Agency (AFAA)
- Defense Contract Audit Agency (DCAA)
- Department of Defense Office of Inspector General (DoD OIG)
- Department of State Office of Inspector General (DoS OIG)
- Government Accountability Office (GAO)
- SIGIR
- U.S. Agency for International Development Office of Inspector General (USAID OIG)
- U.S. Army Audit Agency (USAAA)
- U.S. Army Corps of Engineers (USACE)

Each quarter, SIGIR requests updates from member organizations on their completed, ongoing, and planned oversight activities. This section summarizes the audits and investigations reported to SIGIR this quarter by DoD OIG, DoS OIG, GAO, USAID OIG, and USAAA. For DCAA updates, see Appendix G.

In previous quarters, SIGIR has provided updates on the U.S. Department of the Treasury and the U.S. Department of Commerce, but these agencies have no current Iraq reconstruction oversight activities ongoing or planned for FY 2010. SIGIR will no longer report on these agencies in this section.

Section 842 of the National Defense Authorization Act for Fiscal Year 2008 (Public Law 101-181) requires that SIGIR, in consultation with other inspectors general, develop "a comprehensive plan for a series of audits" of "federal agency contracts, subcontracts, and task and delivery orders for the performance of security and reconstruction functions in Iraq." Following the enactment of Section 842, SIGIR has worked closely with the DoD OIG Joint Planning Group-Southwest Asia, which has facilitated the production of the Comprehensive Oversight Plan for Southwest Asia. That document, compiled by the relevant IGs (including SIGIR), summarizes ongoing and near-term planned audits for Iraq and the region. The Group is currently coordinating an FY 2010 update to the Plan. The comprehensive plan was expanded beyond the statutory mandates to include other functional areas relevant to supporting Operations Enduring Freedom and Iraqi Freedom, as well as overseas contingency operations, such as contract administration and management, reset of equipment, financial management, and reconstruction support. Participating oversight agencies will continue to coordinate audit plans through working groups and councils.
