

**Errata to
2007 Wholesale Power Rate Case Final Proposal
Administrator's Final Record of Decision, Appendix A
WP-07-A-BPA-02A(E2)**

Administrator's Final Record of Decision, Appendix A, 2007 Wholesale Power Rate Schedules and General Rate Schedule Provisions, July 2006, GRSPs Section III, Definitions, B. Definition of Rate Schedule Terms:

1. For Number 20 on Page 130 for **Heavy Load Hours (HLH)**, change the word 'to' to 'through' in the first sentence. It should read:

Heavy Load Hours (HLH) are all those hours in the peak period hour ending 7 a.m. through the hour ending 10 p.m., Monday through Saturday, Pacific Prevailing Time (Pacific Standard Time or Pacific Daylight Time, as applicable).

2. For Number 22 on Page 131 for **Light Load Hours (LLH)**, change the word 'to' to 'through' in the first sentence. It should read:

Light Load Hours (LLH) are all those hours in the off-peak period hour ending 11 p.m. through the hour ending 6 a.m., Monday through Saturday and all hours Sunday, Pacific Prevailing Time (Pacific Standard Time or Pacific Daylight Time, as applicable).
