After the expiration of a period of four years following the date of transportation under authority of this paragraph of a privately owned motor vehicle of any officer or employee who has remained in continuous service outside the several States of the United States of America, excluding Alaska and Hawaii, but including the District of Columbia, during such period, the transportation of a replacement for such motor vehicle for such officer or employee may be authorized by the Director in accordance with this paragraph.

Violation of such agreement for personal convenience of an employee or because of separation for misconduct will bar such return payments and, if determined by the Director or his designee to be in the best interests of the United States, any money expended by the United States on account of such travel and transportation shall be considered as a debt due by the individual concerned to the United States.
