SEC. 505. FORMULA.

(a) ALLOCATION AMONG STATES.—

(1) IN GENERAL.—Of the total amount appropriated for this subpart, the Attorney General shall, except as provided in paragraph (2), allocate—

(A) 50 percent of such remaining amount to each State in amounts that bear the same ratio of—

(i) the total population of a State to—

(ii) the total population of the United States; and

(B) 50 percent of such remaining amount to each State in amounts that bear the same ratio of—

(i) the average annual number of part 1 violent crimes of the Uniform Crime Reports of the Federal Bureau of Investigation reported by such State for the three most recent years reported by such State to—

(ii) the average annual number of such crimes reported by all States for such years.

(2) MINIMUM ALLOCATION.—If carrying out paragraph (1) would result in any State receiving an allocation less than 0.25 percent of the total amount (in this paragraph referred to as a “minimum allocation State”), then paragraph (1), as so carried out, shall not apply, and the Attorney General shall instead—

(A) allocate 0.25 percent of the total amount to each State; and

(B) using the amount remaining after carrying out subparagraph (A), carry out paragraph (1) in a manner that excludes each minimum allocation State, including the population of and the crimes reported by such State.

(b) ALLOCATION BETWEEN STATES AND UNITS OF LOCAL GOVERNMENT.—Of the amounts allocated under subsection (a)—

(1) 60 percent shall be for direct grants to States, to be allocated under subsection (c); and

(2) 40 percent shall be for grants to be allocated under subsection (d).

(c) ALLOCATION FOR STATE GOVERNMENTS.—

(1) IN GENERAL.—Of the amounts allocated under subsection (b)(1), each State may retain for the purposes described in section 501 an amount that bears the same ratio of—

(A) total expenditures on criminal justice by the State government in the most recently completed fiscal year to—

(B) the total expenditure on criminal justice by the State government and units of local government within the State in such year.

(2) REMAINING AMOUNTS.—Except as provided in subsection (e)(1), any amounts remaining after the allocation required by paragraph (1) shall be made available to units of local government by the State for the purposes described in section 501.

(d) ALLOCATIONS TO LOCAL GOVERNMENTS.—

(1) IN GENERAL.—Of the amounts allocated under subsection (b)(2), grants for the purposes described in section 501 shall be made directly to units of local government within each State in accordance with this subsection, subject to subsection (e).

(2) ALLOCATION.—

(A) IN GENERAL.—From the amounts referred to in paragraph (1) with respect to a State (in this subsection referred to as the “local amount”), the Attorney General shall allocate to each unit of local government an amount which bears the same ratio to such share as the average annual number of part 1 violent crimes reported by such unit to the Federal Bureau of Investigation for the 3 most recent calendar years for which such data is available bears to the number of part 1 violent crimes reported by all units of local government in the State in which the unit is located to the Federal Bureau of Investigation for such years.

(B) TRANSITIONAL RULE.—Notwithstanding subparagraph (A), for fiscal years 2006, 2007, and 2008, the Attorney General shall allocate the local amount to units of local government in the same manner that, under the Local Government Law Enforcement Block Grants program in effect immediately before the date of the enactment of this section, the reserved amount was allocated among reporting and nonreporting units of local government.

(3) ANNEXED UNITS.—If a unit of local government in the State has been annexed since the date of the collection of the data used by the Attorney General in making allocations pursuant to this section, the Attorney General shall pay the amount that would have been allocated to such unit of local government to the unit of local government that annexed it.

(4) RESOLUTION OF DISPARATE ALLOCATIONS.—(A) Notwithstanding any other provision of this subpart, if—

(i) the Attorney General certifies that a unit of local government bears more than 50 percent of the costs of prosecution or incarceration that arise with respect to part 1 violent crimes reported by a specified geographically constituent unit of local government; and

(ii) but for this paragraph, the amount of funds allocated under this section to—

(I) any one such specified geographically constituent unit of local government exceeds 150 percent of the amount allocated to the unit of local government certified pursuant to clause (i); or

(II) more than one such specified geographically constituent unit of local government exceeds 400 percent of the amount allocated to the unit of local government certified pursuant to clause (i),

then in order to qualify for payment under this subsection, the unit of local government certified pursuant to clause (i), together with any such specified geographically constituent units of local government described in clause (ii), shall submit to the Attorney General a joint application for the aggregate of funds allocated to such units of local government. Such application shall specify the amount of such funds that are to be distributed to each of the units of local government and the purposes for which such funds are to be used. The units of local govern-

ment involved may establish a joint local advisory board for the purposes of carrying out this paragraph.

(B) In this paragraph, the term “geographically constituent unit of local government” means a unit of local government that has jurisdiction over areas located within the boundaries of an area over which a unit of local government certified pursuant to clause (i) has jurisdiction.

(e) LIMITATION ON ALLOCATIONS TO UNITS OF LOCAL GOVERNMENT.—

(1) MAXIMUM ALLOCATION.—No unit of local government shall receive a total allocation under this section that exceeds such unit’s total expenditures on criminal justice services for the most recently completed fiscal year for which data are available. Any amount in excess of such total expenditures shall be allocated proportionally among units of local government whose allocations under this section do not exceed their total expenditures on such services.

(2) ALLOCATIONS UNDER \$10,000.—If the allocation under this section to a unit of local government is less than \$10,000 for any fiscal year, the direct grant to the State under subsection (c) shall be increased by the amount of such allocation, to be distributed (for the purposes described in section 501) among State police departments that provide criminal justice services to units of local government and units of local government whose allocation under this section is less than \$10,000.

(3) NON-REPORTING UNITS.—No allocation under this section shall be made to a unit of local government that has not reported at least three years of data on part 1 violent crimes of the Uniform Crime Reports to the Federal Bureau of Investigation within the immediately preceding 10 years.

(f) FUNDS NOT USED BY THE STATE.—If the Attorney General determines, on the basis of information available during any grant period, that any allocation (or portion thereof) under this section to a State for such grant period will not be required, or that a State will be unable to qualify or receive funds under this subpart, or that a State chooses not to participate in the program established under this subpart, then such State’s allocation (or portion thereof) shall be awarded by the Attorney General to units of local government, or combinations thereof, within such State, giving priority to those jurisdictions with the highest annual number of part 1 violent crimes of the Uniform Crime Reports reported by the unit of local government to the Federal Bureau of Investigation for the three most recent calendar years for which such data are available.

(g) SPECIAL RULES FOR PUERTO RICO.—

(1) ALL FUNDS SET ASIDE FOR COMMONWEALTH GOVERNMENT.—Notwithstanding any other provision of this subpart, the amounts allocated under subsection (a) to Puerto Rico, 100 percent shall be for direct grants to the Commonwealth government of Puerto Rico.

(2) NO LOCAL ALLOCATIONS.—Subsections (c) and (d) shall not apply to Puerto Rico.

(h) UNITS OF LOCAL GOVERNMENT IN LOUISIANA.—In carrying out this section with respect to the State of Louisiana, the term

“unit of local government” means a district attorney or a parish sheriff.

(42 U.S.C. 3789)

PROHIBITION OF FEDERAL CONTROL OVER STATE AND LOCAL CRIMINAL JUSTICE AGENCIES; PROHIBITION OF DISCRIMINATION

SEC. 809. (a) Nothing in this title or any other Act shall be construed to authorize any department, agency, officer, or employee of the United States to exercise any direction, supervision, or control over any police force or any other criminal justice agency of any State or any political subdivision thereof.

(b) Notwithstanding any other provision of law, nothing contained in this title shall be construed to authorize the National Institute of Justice, the Bureau of Justice Statistics, or the Law Enforcement Assistance Administration—

(1) to require, or condition the availability or amount of a grant upon the adoption by an applicant or grantee under this title of a percentage ratio, quota system, or other program to achieve racial balance in any criminal justice agency; or

(2) to deny or discontinue a grant because of the refusal of an applicant or grantee under this title to adopt such a ratio, system, or other program.

(c)(1) No person in any State shall on the ground of race, color, religion, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under or denied employment in connection with any programs or activity funded in whole or in part with funds made available under this title.

(2)(A) Whenever there has been—

(i) receipt of notice of a finding, after notice and opportunity for a hearing, by a Federal court (other than in an action brought by the Attorney General) or State court, or by a Federal or State administrative agency, to the effect that there has been a pattern or practice of discrimination in violation of paragraph (1); or

(ii) a determination after an investigation by the Office of Justice Programs (prior to a hearing under subparagraph (F) but including an opportunity for the State government or unit of local government to make a documentary submission regarding the allegation of discrimination with respect to such program or activity, with funds made available under this title) that a State government or unit of local government is not in compliance with paragraph (1);

the Office of Justice Programs shall, within ten days after such occurrence, notify the chief executive of the affected State, or the State in which the affected unit of local government is located, and the chief executive of such unit of local government, that such program or activity has been so found or determined not to be in compliance with paragraph (1), and shall request each chief executive, notified under this subparagraph with respect to such violation, to secure compliance. For purposes of clause (i) a finding by a Federal or State administrative agency shall be deemed rendered after notice and opportunity for a hearing if it is rendered pursuant to pro-

cedures consistent with the provisions of subchapter II of chapter 5, of title 5, United States Code.

(B) In the event the chief executive secures compliance after notice pursuant to subparagraph (A), the terms and conditions with which the affected State government or unit of local government agrees to comply shall be set forth in writing and signed by the chief executive of the State, by the chief executive of such unit (in the event of a violation by a unit of local government), and by the Office of Justice Programs. On or prior to the effective date of the agreement, the Office of Justice Programs shall send a copy of the agreement to each complainant, if any, with respect to such violation. The chief executive of the State, or the chief executive of the unit (in the event of a violation by a unit of local government) shall file semiannual reports with the Office of Justice Programs detailing the steps taken to comply with the agreement. These reports shall cease to be filed upon the determination of the Office of Justice Programs that compliance has been secured, or upon the determination by a Federal or State court that such State government or local governmental unit is in compliance with this section. Within fifteen days of receipt of such reports, the Office of Justice Programs shall send a copy thereof to each such complainant.

(C) If, at the conclusion of ninety days after notification under subparagraph (A)—

(i) compliance has not been secured by the chief executive of that State or the chief executive of that unit of local government; and

(ii) an administrative law judge has not made a determination under subparagraph (F) that it is likely the State government or unit of local government will prevail on the merits; the Office of Justice Programs shall notify the Attorney General that compliance has not been secured and caused to have suspended further payment of any funds under this title to that program or activity. Such suspension shall be limited to the specific program or activity cited by the Office of Justice Programs in the notice under subparagraph (A). Such suspension shall be effective for a period of not more than one hundred and twenty days, or, if there is a hearing under subparagraph (G), not more than thirty days after the conclusion of such hearing, unless there has been an express finding by the Office of Justice Programs after notice and opportunity for such a hearing, that the recipient is not in compliance with paragraph (1).

(D) Payment of the suspended funds shall resume only if—

(i) such State government or unit of local government enters into a compliance agreement approved by the Office of Justice Programs and the Attorney General in accordance with subparagraph (B);

(ii) such State government or unit of local government complies fully with the final order or judgment of a Federal or State court, or by a Federal or State administrative agency if that order or judgment covers all the matters raised by the Office of Justice Programs in the notice pursuant to subparagraph (A), or is found to be in compliance with paragraph (1) by such court; or

(iii) after a hearing the Office of Justice Programs pursuant to subparagraph (F) finds that noncompliance has not been demonstrated.

(E) Whenever the Attorney General files a civil action alleging a pattern or practice of discriminatory conduct on the basis of race, color, religion, national origin, or sex in any program or activity of a State government or unit of local government which State government or unit of local government receives funds made available under this title, and the conduct allegedly violates the provisions of this section and neither party within forty-five days after such filing has been granted such preliminary relief with regard to the suspension or payment of funds as may be otherwise available by law, the Office of Justice Programs shall cause to have suspended further payment of any funds under this title to that specific program or activity alleged by the Attorney General to be in violation of the provisions of this subsection until such time as the court orders resumption of payment.

(F) Prior to the suspension of funds under subparagraph (C), but within the ninety-day period after notification under subparagraph (C), the State government or unit of local government may request an expedited preliminary hearing on the record in accordance with section 554 of title 5, United States Code, in order to determine whether it is likely that the State government or unit of local government would, at a full hearing under subparagraph (G), prevail on the merits on the issue of the alleged noncompliance. A finding under this subparagraph by the administrative law judge in favor of the State government or unit of local government shall defer the suspension of funds under subparagraph (C) pending a finding of noncompliance at the conclusion of the hearing on the merits under subparagraph (G).

(G)(i) At any time after notification under subparagraph (A), but before the conclusion of the one-hundred-and-twenty-day period referred to in subparagraph (C), a State government or unit of local government may request a hearing on the record in accordance with section 554 of title 5, United States Code, which the Office of Justice Programs shall initiate within sixty days of such request.

(ii) Within thirty days after the conclusion of the hearing, or, in the absence of a hearing, at the conclusion of the one-hundred-and-twenty-day period referred to in subparagraph (C), the Office of Justice Programs shall make a finding of compliance or noncompliance. If the Office of Justice Programs makes a finding of noncompliance, the Office of Justice Programs shall notify the Attorney General in order that the Attorney General may institute a civil action under paragraph (3), cause to have terminated the payment of funds under this title, and, if appropriate, seek repayment of such funds.

(iii) If the Office of Justice Programs makes a finding of compliance, payment of the suspended funds shall resume as provided in subparagraph (D).

(H) Any State government or unit of local government aggrieved by a final determination of the Office of Justice Programs under subparagraph (G) may appeal such determination as provided in section 804 of this title.

(3) Whenever the Attorney General has reason to believe that a State government or unit of local government has engaged in or is engaging in a pattern or practice in violation of the provisions of this section, the Attorney General may bring a civil action in an appropriate United States district court. Such court may grant as relief any temporary restraining order, preliminary or permanent injunction, or other order, as necessary or appropriate to insure the full enjoyment of the rights described in this section, including the suspension, termination, or repayment of such funds made available under this title as the court may deem appropriate, or placing any further such funds in escrow pending the outcome of the litigation.

(4)(A) Whenever a State government or unit of local government, or any officer or employee thereof acting in an official capacity, has engaged or is engaging in any act or practice prohibited by this subsection, a civil action may be instituted after exhaustion of administrative remedies by the person aggrieved in an appropriate United States district court or in a State court of general jurisdiction. Administrative remedies shall be deemed to be exhausted upon the expiration of sixty days after the date the administrative complaint was filed with the Office of Justice Programs or any other administrative enforcement agency, unless within such period there has been a determination by the Office of Justice Programs or the agency on the merits of the complaint, in which case such remedies shall be deemed exhausted at the time the determination becomes final.

(B) In any civil action brought by a private person to enforce compliance with any provision of this subsection, the court may grant to a prevailing plaintiff reasonable attorney fees, unless the court determines that the lawsuit is frivolous, vexatious, brought for harassment purposes, or brought principally for the purpose of gaining attorney fees.

(C) In any action instituted under this section to enforce compliance with paragraph (1), the Attorney General, or a specially designated assistant for or in the name of the United States, may intervene upon timely application if he certifies that the action is of general public importance. In such action the United States shall be entitled to the same relief as if it had instituted the action.

PART J—FUNDING

AUTHORIZATION OF APPROPRIATIONS

SEC. 1001. (a)(1) There is authorized to be appropriated \$30,000,000 for fiscal year 1992 and \$33,000,000 for each of the fiscal years 1994 and 1995 to carry out the functions of the Bureau of Justice Statistics.

(2) There is authorized to be appropriated \$30,000,000 for fiscal year 1992 and \$33,000,000 for each of the fiscal years 1994 and 1995 to carry out the functions of the National Institute of Justice.

(3) There are authorized to be appropriated such sums as may be necessary for fiscal year 1992 and \$28,000,000 for each of the fiscal years 1994 and 1995 to carry out the remaining functions of the Office of Justice Programs and the Bureau of Justice Assistance other than functions under parts D, E, F, G, L, M, N, O, P, Q, or R or EE.¹

(4) There are authorized to be appropriated for each fiscal year such sums as may be necessary to carry out part L of this title.

(5) There are authorized to be appropriated such sums as may be necessary for fiscal year 1992 and \$1,000,000,000 for each of the fiscal years 1994 and 1995 to carry out the programs under parts D and E (other than chapter B of subpart 2) (other than chapter B of subpart 2 of part E) of this title.²

(6) There are authorized to be appropriated such sums as may be necessary for fiscal year 1992, \$245,000,000 for fiscal year 1993, and such sums as may be necessary for fiscal year 1994 and 1995 to carry out chapter B of subpart 2 of part E of this title.

(7) There is authorized to be appropriated to carry out part N \$1,000,000 for each of fiscal years 2001 through 2005.

(8) There are authorized to be appropriated such sums as may be necessary for fiscal year 1992, \$16,500,000 for fiscal year 1993, and such sums as may be necessary for fiscal year 1994 and 1995.

(9) There are authorized to be appropriated to carry out part O—

- (A) \$24,000,000 for fiscal year 1996;
- (B) \$40,000,000 for fiscal year 1997;
- (C) \$50,000,000 for fiscal year 1998;
- (D) \$60,000,000 for fiscal year 1999; and
- (E) \$66,000,000 for fiscal year 2000.

(10) There are authorized to be appropriated \$10,000,000 for each of the fiscal years 1994, 1995, and 1996 to carry out projects under part P.

¹Perhaps an omission in amendments made by section 801 of Public Law 101-647. Unlike section 241(c) of that law, an amendment was not made to exclude part O from this authorization of appropriations and thus prevent overlapping the authorization of appropriations below. IS THIS NEEDED ANYMORE? Amendments made by section 32101(d)(1), 40121(c)(1), 40231(c)(1), 50001(c)(1), 210201(c)(1), and 210302(c)(3)(A) of the Violent Crime Control and Law Enforcement Act of 1994 (P.L. 103-322) are unexecutable. Probably should read “parts D, E, F, G, L, M, N, O, P, Q, R, S, T, U, V, W, and X”.

²Omission in amendments made by section 1801(e) of Public Law 101-647. Because paragraph (6) authorizes funds for chapter B of subpart 2 of part E, a conforming amendment is necessary here to prevent overlapping authorizations of appropriations. The amendment should insert “(other than chapter B of subpart 2)” after “and E”. IS THIS NEEDED ANYMORE? NEW FOOTNOTE: section 330001(b)(3) of Violent Crime Control and Law Enforcement Act of 1994 (P.L. 103-322) inserted “(other than chapter B of subpart 2)” after “and E”. This amendment probably was not needed due to an amendment made by section 1(5) of P.L. 102-534.

(11)(A) There are authorized to be appropriated to carry out part Q, to remain available until expended \$1,047,119,000 for each of fiscal years 2006 through 2009.

(B) Of funds available under part Q in any fiscal year, up to 3 percent may be used for technical assistance under section 1701(d) or for evaluations or studies carried out or commissioned by the Attorney General in furtherance of the purposes of part Q. Of the remaining funds, 50 percent shall be allocated for grants pursuant to applications submitted by units of local government or law enforcement agencies having jurisdiction over areas with populations exceeding 150,000 or by public and private entities that serve areas with populations exceeding 150,000, and 50 percent shall be allocated for grants pursuant to applications submitted by units of local government or law enforcement agencies having jurisdiction over areas with populations 150,000 or less or by public and private entities that serve areas with populations 150,000 or less. In view of the extraordinary need for law enforcement assistance in Indian country, an appropriate amount of funds available under part Q shall be made available for grants to Indian tribal governments or tribal law enforcement agencies.

(16)¹ There are authorized to be appropriated to carry out projects under part R—

- (A) \$20,000,000 for fiscal year 1996;

- (D) \$35,000,000 for fiscal year 1999; and
- (E) \$40,000,000 for fiscal year 2000.

(17) There are authorized to be appropriated to carry out the projects under part S—

- (A) \$27,000,000 for fiscal year 1996;
- (B) \$36,000,000 for fiscal year 1997;
- (C) \$63,000,000 for fiscal year 1998;
- (D) \$72,000,000 for fiscal year 1999; and
- (E) \$72,000,000 for fiscal year 2000.

(18) There is authorized to be appropriated to carry out part T \$225,000,000 for each of fiscal years 2007 through 2011.

(19) There is authorized to be appropriated to carry out part U \$75,000,000 for each of fiscal years 2007 through 2011. Funds appropriated under this paragraph shall remain available until expended.¹

(20) There are authorized to be appropriated to carry out part V, \$10,000,000 for each of fiscal years 2001 through 2004.

(21) There are authorized to be appropriated to carry out part W—

- (3) \$5,000,000 for fiscal year 1998;
- (4) \$6,000,000 for fiscal year 1999; and
- (5) \$7,500,000 for fiscal year 2000.

¹ So in law. There are no paragraphs (12)–(15).

¹ Two periods so in law. See amendment made by section 102(a) of Public Law 109–162.

(22)¹ There are authorized to be appropriated to carry out part X—

- (1) \$1,000,000 for fiscal year 1996;

- (3) \$5,000,000 for fiscal year 1998;
- (4) \$13,500,000 for fiscal year 1999; and
- (5) \$17,500,000 for fiscal year 2000.

(23) There are authorized to be appropriated to carry out part Y, \$25,000,000 for each of fiscal years 1999 through 2001, and \$50,000,000 for each of fiscal years 2002 through 2012.

(24) There are authorized to be appropriated to carry out part BB, to remain available until expended—

(B) The Attorney General shall reserve not less than 1 percent and not more than 4.5 percent of the sums appropriated for this program in each fiscal year for research and evaluation of this program.

¹ Section 210302(c)(3)(B) of P.L. 103-322 added this paragraph at the end of section 1001. It probably should have been added at the end of subsection (a) of section 1001.

¹ The amendment made by section 1142(b) of Public Law 109-162 to insert a new clause in section 1001(25)(A) was executed by adding such clause to section 1001(a)(25)(A) to reflect the probable intent of Congress. Also, margin for clause (v) so in law.

Subpart 1—Death Benefits

PAYMENTS

SEC. 1201. (a) In any case in which the Bureau of Justice Assistance (hereinafter in this part referred to as the "Bureau") determines, under regulations issued pursuant to this part, that a public safety officer has died as the direct and proximate result of a personal injury sustained in the line of duty, the Bureau shall pay a

benefit of \$250,000, adjusted in accordance with subsection (h), as follows:

(1) if there is no surviving child of such officer, to the surviving spouse of such officer;

(2) if there is a surviving child or children and a surviving spouse, one-half to the surviving child or children of such officer in equal shares and one-half to the surviving spouse;

(3) if there is no surviving spouse, to the child or children of such officer in equal shares;

(4) if there is no surviving spouse or surviving child—

(A) in the case of a claim made on or after the date that is 90 days after the date of the enactment of this subparagraph, to the individual designated by such officer as beneficiary under this section in such officer's most recently executed designation of beneficiary on file at the time of death with such officer's public safety agency, organization, or unit, provided that such individual survived such officer; or

(d) The amount of an interim payment under subsection (c) shall be deducted from the amount of any final benefit paid to such individual.

(e) Where there is no final benefit paid, the recipient of any interim payment under subsection (c) shall be liable for repayment of such amount. The Bureau may waive all or part of such repayment, considering for this purpose the hardship which would result from such repayment.

(f) The benefit payable under this part shall be in addition to any other benefit that may be due from any other source, except—

(1) payments authorized by section 12(k) of the Act of September 1, 1916, as amended (D.C. Code, sec. 4-622); or

(k) For purposes of this section, if a public safety officer dies as the direct and proximate result of a heart attack or stroke, that officer shall be presumed to have died as the direct and proximate result of a personal injury sustained in the line of duty, if—
