

OFFICE OF INSPECTOR GENERAL

MEMORANDUM

DATE: March 27, 2008
TO: Chairman
FROM: Inspector General
SUBJECT: Review of FCC Wireless Network Security Controls

The Office of Inspector General (OIG) engaged CyberDefenses, Inc., to conduct an independent review of the effectiveness of controls over FCC Wireless Network(s).

In its attached report, CyberDefenses identified several management, technical, and operational controls that could be strengthened. The Office of Managing Director (OMD) concurred with the report and has already taken appropriate steps to implement improvements where needed.

CyberDefenses is wholly responsible for its report and the conclusions expressed therein. We express no assurance on the report or its conclusions.

Due to the sensitive nature of information contained in the report, it is marked "For Official Use Only." The report has a limited distribution and those receiving it are requested not to photocopy or otherwise distribute it.

If you have any questions, please contact me at (202) 418-0845.
