

# **PBCA NOFA STATUS UPDATE**

**8/31/2012**

On August 15, 2012, the Government Accountability Office (GAO) sustained the protests filed against HUD under the PBCA NOFA. Although HUD had planned on announcing awards on August 31, in light of GAO's decision, we are not prepared to make announcements at this time. HUD is in the process of reviewing GAO's recommendations and assessing possible next steps. We will provide further information when it becomes available.
