please note that ICE has already supplied me with a compact disc containing much of the information requested below; I would like to refresh that request, dated March 10,2011, to obtain the most up-to-date and current information as possible;

I am seeking the names, and a breakdown of gang affiliations, of the more than 20,000 individuals U.S. Immigration and Customs Enforcement says it has arrested since 2005 under Operation Community Shield.

Of those individuals, the number who have been deported or otherwise removed from the United States.

I am seeking a list of charges faced by each of the more than 20,000 people arrested since 2005 under Operation Community Shield, including a breakdown of how many face criminal charges and how many face administrative/immigration violations. Specifically, I am seeking the most serious arrest in an individual's criminal history that resulted in the deportation.

I am seeking a breakdown of how many of the more than 20,000 people arrested since 2005 under Operation Community Shield are U.S. citizens, how many are illegal immigrants and how many are foreign nationals.

I am seeking information about how much funding ICE has allotted to Operation Community Shield in the current fiscal year and in the previous two fiscal notes

Please could you provide copies of the relevant available records which established Immigration and Customs Enforcement ("ICE") and/or Enforcement Removal Operations ("ERO") informed American Airlines that it would be required to transport any criminal deportees on commercial flight AA136 on 13th August 2008 from Los Angeles to London Heathrow prior to departure.

details of generic ICE/ERO policy on effective deportation procedure on the removal of aliens with criminal (and violent histories) via international flights that were previously in ERO custody.
