*[Handwritten number 7]*  
The Consulate General of Mexico in **Nogales and Phoenix**, and the **Consulate of Mexico in Tucson and Douglas** ("the Consulate"), the Regional Office of the National Institute of Migration in the State of **Sonora** ("the INM") of the Secretariat of Governance of the United Mexican States (Mexico) and the **Phoenix, Tucson, Douglas, and Nogales, Arizona** Offices of Customs and Border Protection ("CBP") and Immigration and Customs Enforcement (Investigations and Detention and Removal) ("ICE") of the Department of Homeland Security (DHS) of the United States of America (the United States), all together hereinafter referred to as "the Participants":

*[Handwritten initials]*  
*[Handwritten mark]*  
**RECOGNIZING** the obligations of Mexico and the United States of America set forth in the Vienna Convention on Consular Relations of April 24, 1963, of which both are Contracting Parties, and in the Consular Convention between the United Mexican States and the United States of America of August 12, 1942;

*[Handwritten initials]*  
**BEARING IN MIND** the provisions of the Memorandum of Understanding on Consular Protection of Mexican and United States Nationals, of May 7, 1996; and the Memorandum of Understanding on Consultation Mechanisms of the Immigration and Naturalization Service Functions and Consular Protection, of June 11, 1998;

*[Handwritten initials]*  
**RECOGNIZING** the need to regulate the flow of persons, particularly on the common border, as was reflected in the Memorandum of Understanding between the Department of Homeland Security of the United States of America and the Secretariat of Governance and the Secretariat of Foreign Affairs of the United Mexican States, on the Safe, Orderly, Dignified and Humane Repatriation of Mexican Nationals, signed on February 20, 2004 (hereinafter the MOU);

**CONSIDERING** that the Governments of the United States of America and the United States of Mexico have approached the topic of migration at the highest level, and that the Joint Declaration "Towards a Partnership for Prosperity: The Guanajuato Proposal" addresses this issue as a matter of cooperation and shared responsibility;

**CONSIDERING** that in 1997 the Working Group on Migration and Consular Affairs of the Mexico-U.S. Binational Commission was established as a means of developing improved procedures for repatriating Mexican nationals in a safe, dignified and orderly way with respect to their human rights, and that this Working Group has strengthened the mutual collaboration in the subsequent sessions on those matters;

**DESIRING** to establish a local arrangement on the safe and orderly repatriation of Mexican nationals, as mentioned in the Plan of Action for Cooperation on Border Safety, of June 21, 2001; the U.S.-Mexico Border Partnership Action Plan, of March 22, 2002, and the U.S.-Mexico Action Plan for Cooperation on Border Safety, of February 20, 2004.

Have established the following Local Arrangement:

## **CRITERIA AND PROCEDURES**

### **SECTION 1**

The purpose of this Arrangement is to establish local procedures for the orderly and safe repatriation of Mexican nationals from the United States to Mexico, consistent with the criteria and principles referred to in Article 3 of the February 20, 2004 Memorandum of Understanding on the Safe, Orderly, Dignified and Humane Repatriation of Mexican Nationals (the MOU).

**SECTION 2**

Consistent with the MOU, repatriations from the interior, ports of entry and at the border of Mexico and the United States should be conducted in a manner consistent with the respect of the human rights and dignity of Mexican nationals found in the United States in violation of U.S. immigration law.

**SECTION 3**

Under this Arrangement:

The Consulate General of Mexico in Nogales and Phoenix, the Consulate in Tucson and Douglas, Arizona should take appropriate actions with respect to Mexican nationals found in, detained in or repatriated from the counties of **Apache, Cochise, Coconino, Gila, Graham, Greenlee, Maricopa, Mojave, Navajo, Pima, Pinal, Santa Cruz, and Yavapai.**

The Regional Office of the National Institute of Migration in the State of **Sonora** should take appropriate actions with respect to Mexican nationals repatriated to the established points of repatriation.

The following DHS authorities should take appropriate actions with respect to Mexicans found in, detained in or repatriated from the counties listed above:

- a) Customs and Border Protection (CBP): **Tucson** Office of Field Operations; Office of Border Patrol, **Tucson** Sector.
- b) Immigration and Customs Enforcement (ICE): **Phoenix Field Office** Detention and Removal Operations (DRO); **Phoenix SAC** Office of Investigations.

When the repatriation of a Mexican national involves areas covered by this Arrangement and one or more additional local arrangements (e.g., the individual is detained by DHS in a county covered by this Arrangement and is to be repatriated at appoint of repatriation covered by another local arrangement) this Arrangement will apply to the actions that take place within the area covered by this Arrangement, and the other local arrangement(s) will apply to the actions that take place within the area(s) covered by the other local arrangement(s).

**CONSULAR NOTIFICATION AND ACCESS**

**SECTION 4**

The DHS Participants should advise every detained Mexican national (who is not also a U.S. national) that he/she may communicate with a consular official. When a detained Mexican national requests consular access, the DHS Participants should notify the Mexican Consulate, facilitate access and provide Mexican consular officials, to the extent practicable, the opportunity to conduct interviews in private. The DHS Participants should make available to the Mexican Participants copies of applicable regulations and the DHS Detention Standards applicable to all persons detained for a period longer than 72 hours. Notification should be done through telephone, fax or e-mail to the numbers and addresses stated in Attachment 1.

**SECTION 5**

The Participants have listed in Attachment 1 the names and titles of, and contact information for, their officials responsible for the delivery to, or reception of Mexican nationals, in Mexico, or for the coordination of repatriation activities.

**SECTION 6**

The DHS Participants should provide to the appropriate points of contact designated by the Mexican participants in Attachment 1 the names and appropriate

information of Mexican nationals being directly repatriated at the ports of entry or from the borders of the United States for whom notifications have not previously been made but who are suspected of committing, or known to have committed criminal violations, in the United States or Mexico, as well as those identified as being of special interest to the Government of Mexico. Such notification should be provided as soon as possible prior to any repatriation.

Local procedures should be developed as necessary to ensure that repatriation is accomplished in a coordinated manner through a mechanism developed by the appropriate officials of both countries when an individual who is suspected of committing, or known to have committed, criminal violations has been identified as being of special interest to the Government of Mexico in response to a previous notification.

#### SECTION 7

The Participants should set forth the conditions for routine notification of repatriations of Mexican nationals from the interior, ports of entry, and at the border of the United States and Mexico. Notification of routine repatriations should be done in a manner consistent with logistical and operational needs.

The DHS Participants should whenever possible, consistent with logistical and operational needs, deliver to the appropriate Mexican Participants at established points of repatriation and at the time of repatriation, a list of Mexican nationals to be repatriated, which includes at least name, sex, date and place of birth.

The Mexican Participants should provide appropriate officials at the established points of repatriation to receive the requested information.

#### SECTION 8

The Participants have established the points of repatriation, and their hours of scheduled operation and staffing, in Attachment 2. The Participants should update the

Attachment whenever the points of repatriation or their hours of scheduled operation and staffing change. The Mexican Participants should make every effort to ensure that agreed-upon points of repatriation are fully staffed with appropriate local, state and/or federal entities responsible for the health, welfare and safety of Mexican nationals.

## SECTION 9

The Participants have listed in Attachment 3 the points of contact to receive and/or convey information about incidents involving reported misconduct, mistreatment or violations of human rights.

In regard to the solution of differences in the application or interpretation of this Arrangement, the procedures established in Articles 8 and 1 (b) of the MOU remains applicable.

## INTERIOR AND BORDER COORDINATION

### SECTION 10

The unity of families should be preserved during repatriation, within administrative parameters. For purposes of this Arrangement, the Participants define "family" as including spouses (including common law spouses), children, siblings (brothers and sisters), parents, grandparents, aunts and uncles. When doubts about kinship between juveniles and adults exist, DHS participants should coordinate with the Consulate of Mexico in order to safe-guard the well-being of the juveniles.

### SECTION 11

The Participants should repatriate persons with special needs during daylight hours to ensure their safety. For purposes of this Arrangement, "persons with special needs" may include, but are not limited to, unaccompanied minors, the elderly, and women traveling alone, pregnant or with children, and individuals who are mentally or

medically incapacitated. The Mexican participants should make every effort to have the appropriate representatives receive such persons upon repatriation from the United States. Repatriation of such persons should generally be arranged prior to 7:30 p.m. local time (Year round), as described in attachment 2.

## SECTION 12

If additional preparation is required to receive an unaccompanied minor or an individual with medical, mental or other special needs, the DHS Participants should provide the information specified in Attachment 4 to the Mexican Participants.

## ARRANGEMENT'S EVALUATION

### SECTION 13

Based on the framework of Article 5 of the MOU, when specific circumstances so require and if deemed feasible, the Repatriation Technical Working Group will explore bilateral mechanisms for repatriation of Mexican nationals to their places of origin, conforming to the agreed principles.

The Participants may also propose special programs for consideration by the Repatriation Technical Working Group.

The Participants should develop local procedures to implement approved special programs.

### SECTION 14

The Participants should meet no less than two times per year to review the Arrangement and discuss repatriation issues. The Participants should refer to the Repatriation Technical Working Group: (a) unresolved issues; (b) best practices; (c) new or emerging repatriation issues, and (d) proposed changes in, or proposed termination of, the Local Repatriation Arrangement.

The local repatriation procedures should be reviewed and updated in consultation with the Repatriation Technical Working Group at least on an annual basis.

In compliance with Sections 6, 7 and 8 of this Arrangement, the DHS Participants should take into consideration the following conditions for routine notifications of repatriations of Mexican nationals:

1. All notifications should be done primarily through telephone, and secondary notification may be done through fax and e-mail to the numbers and electronic addresses stated in Attachments 1 and 2.
2. In cases related to the repatriation of unaccompanied juveniles in DHS custody, specifically Border Patrol, the Mexican Consulate shall notify the INM authorities about the repatriation of the juveniles and send through fax the list of the repatriated juveniles
3. In regard to unaccompanied juveniles detained at the designated Ports of Entry, repatriation should be conducted through the Consulate of Mexico.
4. The DHS Participants should provide the Mexican authorities lists of the persons to be repatriated, which will be signed by the Mexican Authorities as acknowledgement of receipt of the repatriated Mexican nationals. The lists should contain the basic information included in form I-216 of the DHS. The DHS Participants should provide a list for each repatriated group. The Mexican authorities should provide appropriate Officials at the Point of Repatriation established in this Attachment 2 to receive the requested information.

- An INM office in Sonora will confirm in writing having received the repatriated minors.

#### 4.2 Repatriation of unaccompanied minors detained at the designated Ports of Entry in Arizona

- If a special device (crutches, wheelchair, and walker) might be needed to allow the mobilization of accident victims, in order to speed up their repatriation it should be supplied by the medical center in which the victims were cared for. In cases where the medical center, as a practice, does not provide special devices (crutches, wheelchair, and walker), the DHS Participants should allow the Consulate a reasonable time to provide the device.

- If the Mexican national is ambulatory, the repatriation should not take place until the necessary arrangements with the family or the medical institution that will receive the ill person are made.

#### **4.4 Repatriation of mentally incapacitated people**

- The Consulate should be notified as soon as possible of the intended removal of a mentally challenged or incapacitated person and the repatriation should take place as soon as possible after the notification.
- The DHS Participants and the Consulate will make every effort to obtain the medical release from the institution providing treatment. In cases where treatment is not rendered documentation will not be available.
- The repatriation should take place as soon as possible and shall be received by the designated officials.

#### **4.5 Repatriation of unaccompanied women, pregnant women and elderly people**

- The repatriation of this group of people should be done at the times and places established in section 11 and attachment 2.
- In certain circumstances, repatriations might be done outside the scheduled timetables specified in attachment 2, once a previous agreement has been reached by the participants.
