INTRODUCTION

This document includes a list oral abstracts, oral poster discussions, and poster exhibitions submitted by US Government agencies and/or their grantees, and funded scientists. It is intended for informational purposes only as the conference program continues to be updated. A comprehensive list of all conference abstracts and sessions can be found on the AIDS 2012 website (pag.aids2012.org).

CDC

Oral Abstract: Co-Chair of Session

Health Disparities and the U.S. MSM HIV Epidemic - Monday, 11:00 -12:30, Session Room 3

Oral Abstract: Co-Chair of Session

Innovations in HIV Surveillance - Monday, 11:00 -12:30, Session Room 6

Oral Abstract: Scenario-based cost projections for PEPFAR resource requirements for the ART program in Ethiopia from FY2011-FY2015

Late Breaker Track E - Tuesday, 11:00 -12:30, Mini Room 9

Oral Abstract: Co-Chair of Session

Dangerous Liaisons: HIV and Sexually Transmitted Infections - Tuesday, 11:00 -12:30, Session Room 4

Oral Abstract: Co-Chair of Session

HIV and Hepatitis Co-Infection: Emerging Insights - Tuesday, 16:30 - 18:00, Session Room 8

Oral Abstract: The cost-effectiveness of maternal and infant antiretroviral regimens to prevent vertical HIV transmission in Malawi

Put Your Money Where the Future Is: The Cost of Treating Children - Friday, 11:00 - 12:30, Session Room 4

Oral Abstract: Estimating National HIV Incidence from Directly-observed Seroconversions in the Swaziland HIV Incidence Measurement Survey (SHIMS) Longitudinal Cohort

Late Breaker Cross-Track -Friday, 11:00 -12:30, Session Room 7

Oral Abstract: Continuum of HIV Care: Difference in care and treatment by sex and race/ethnicity in the United States

Late Breaker Cross-Track -Friday, 11:00 -12:30, Session Room 7

Oral Poster Discussion: Co-Chair of Session

New Epidemic Frontiers - Monday, 13:00 - 14:00, Mini Room 7

Oral Poster Discussion: Using Strategic Information to Track Access and Retention in Care

Using Strategic Information to Track Access and Retention in Care - Monday, 13:00 - 14:00, Mini Room 8

Oral Poster Discussion: Gonorrhea infections diagnosed among persons living with HIV/AIDS; cross matching surveillance registries to identify potential opportunities for integrated partner services, New York City, Miami/Dade County, and Arizona

Enhancing STI Services for HIV Prevention - Tuesday, 13:00 - 14:00, Mini Room 6

Oral Poster Discussion: Accumulation of Protease Mutations Among Patients on Non-suppressive 2nd-Line ART in Nigeria

ART in Resource-Limited Settings - Thursday, 13:00 - 14:00, Mini Room 6

Oral Poster Discussion: Antiretroviral therapy outcomes measured by virologic failure in Nigeria

ART in Resource-Limited Settings - Thursday, 13:00 - 14:00, Mini Room 6

Poster Exhibition: Leveraging PEPFAR HIV funding to Strengthen, Expand and Sustain Nigeria's Epidemiology, Disease Surveillance and Response capacity
Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Low Serum Adiponectin Level is associated with Lipoatrophy among HIV-infected Men in the SUN study
Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Pregnancy risk among HIV-positive women using longer-acting contraception
Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Translating and Disseminating an Evidence-Based Medication Adherence Intervention using e-Training: The Project HEART experience
Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Alcohol Use and Its Association with HIV Risk Behaviors among a Cohort of Patients Attending HIV Clinical Care in Tanzania, Kenya and Namibia

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Population-based evidence of disproportionate risk for HIV infection among sexual minority male adolescents from 12 states and 11 large urban school districts, 2001-2011, United States
Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: The identification of loss to follow up (LTFU) among pre-ART patients with unknown ART eligibility in five regions of Tanzania
Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Unequal progress: Differences in HIV-related risk behavior trends among subgroups of US adolescents, 1991-2011
Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Declining rates of maternal HIV infection detected at delivery settings in north central Nigeria
Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Acceptability of Novel ARV-Based HIV Prevention Methods in a Rural Kenyan Health and Demographic Surveillance Community
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: HIV-infected Patients in North America: risk of common cancers by 60 years of age
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Scientific, programmatic, and policy implications of safer injection facilities for persons who inject drugs
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Trends in Hispanic Births and Uptake of HIV Perinatal Prevention Strategies among Hispanic HIV-Infected Mothers by Nationality, Pediatric Spectrum of HIV Disease Project (PSD)
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: A single acid-fast bacilli (AFB) positive smear lacks specificity for diagnosing tuberculosis co-infection in HIV patients
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: HIV knowledge and testing behaviour of victims of childhood sexual violence: data from a national study of violence against children in Tanzania
Thursday, 12:30 - 14:30, Poster Exhibition Hall

CDC CGH

Oral Abstract: Co-Chair of Session
Access to and Retention of Antiretroviral Treatment -
Monday, 11:00 -12:30, Session Room 8

CDC DASH

Poster Exhibition: HIV-related risk behaviors among adolescents in 46 developing countries, 2003-2011
Tuesday, 12:30 - 14:30, Poster Exhibition Hall

CDC DGHA

Oral Abstract: Retention and risk factors for attrition among adults in antiretroviral treatment (ART) programs in Tanzania, Uganda and Zambia
Access to and Retention of Antiretroviral Treatment -
Monday, 11:00 - 12:30, Session Room 8

Oral Abstract: A Qualitative Study on Reasons for Relatively Low Methadone Dosing among Persons who Inject Drugs in Three Provinces in China
Harm Reduction: Availability, Coverage, Expansion and Efficacy - Monday, 16:30 - 18:00, Session Room 9

Oral Poster Discussion: Male Circumcision in Swaziland: Demographics, Behaviors, and HIV Prevalence
Male Circumcision: Are We Making the Cut? - Monday, 13:00 - 14:00, Session Room 8

Oral Poster Discussion: Service delivery trends in Kenya's voluntary medical male circumcision scale-up from 2008-2011
Male Circumcision: Are We Making the Cut? - Monday, 13:00 - 14:00, Session Room 8

Oral Poster Discussion: Use of Viral Load Testing in Resource-Limited Settings to Confirm Treatment Failure in Children: Experience from Nyanza Province, Western Kenya

How and How Often: Issues of Laboratory Monitoring -
Tuesday, 13:00 - 14:00, Mini Room 4

Oral Poster Discussion: A Field Evaluation of HIV-1 RNA Viral Load in Plasma and Dried Blood Spots Using the

Semi-automated COBAS AmpliCor and the Fully Automated COBAS Ampliprep/Taqman in Kisumu, Kenya

Laboratory Monitoring of HIV Infection - Wednesday, 13:00 - 14:00, Mini Room 8

Oral Poster Discussion: Routine viral load testing among pregnant HIV-infected women on antiretroviral therapy: Implications for prevention, Nyanza province, Kenya, 2011

How and How Often: Issues of Laboratory Monitoring - Tuesday, 13:00 - 14:00, Mini Room 4

Oral Poster Discussion: Integration of HIV Prevention with Health and Nutrition Program Involving Self Help Group Women in Andhra Pradesh, India

Combination HIV Prevention Interventions: Can They Work? - Wednesday, 13:00-14:00, Mini Room 7

Poster Exhibition: Out of the clinic, into the home: An assessment of PEPFAR Home-based HIV Testing and Counseling (HBHCT) programs in sub-Saharan Africa to inform the development of international WHO/PEPFAR HBHCT support tools

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Determinants Of Mortality In A Cohort Of Patients Initiating Art In Four Sites In Malawi

Poster Exhibition: Low prevalence of HIV-1 Drug Resistance in Malawian adults 2 years after ART initiation

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: National Program Management of an HIV Care and Treatment Quality Improvement Program: From Pilot to National Scale-up — Thailand, 2003–2012

Poster Exhibition: New approaches to early adolescent HIV prevention programming in Africa: Exploring the theory of possible selves and the Project AIM (Adult Identity Mentoring) youth development program in Botswana

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Retesting and HIV Sero-conversion Incidence among Self-Reported Previously Uninfected Clients Attending HIV Testing and Counseling Services in Rwanda, 2009-2010

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Sexually transmitted infections associated with alcohol use and HIV infection among men who have sex with men in Kampala, Uganda

Poster Exhibition: Strengthening the health system to achieve national HIV/AIDS program goals in Lao People's Democratic Republic (Lao PDR) through South-South technical cooperation: collaboration between Thailand, Lao PDR, and the US Centers for Disease Control and Prevention

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Tuberculosis screening and management of HIV-infected patients with TB, Nyanza Province, Kenya, July 2009-August 2010

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Using Routine Clinical Data to Estimate the Incidence of HIV infection in Female Commercial Sex Workers — Honduras, 2006–2010

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Can Routinely Collected Electronic and Paper-based Prevention of Mother-to-Child HIV Transmission Program Data be used for HIV Surveillance in Zambia

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Comparison of syndromic and etiological diagnosis of sexually transmitted infections in HIV-infected patients in Kenya

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: HIV among sexually-experienced men and women in Mozambique: factors associated with HIV infection from a nationally-representative survey, 2009

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: HIV Incidence in Asia: A review of available data and assessment of the epidemic from 1985-2010

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: HIV testing and associated factors among students aged 10 to 19 years in Botswana

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Is Ukraine moving from a concentrated to a generalized epidemic stage: evidence from triangulation of surveillance and case-reporting data?

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Long-term Retention and Predictors of Loss to Follow up in an Antiretroviral Therapy Program in an Urban Slum in Kenya

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: PMTCT Data Quality: Mozambique National Program Review 2011

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Same sex attraction, homosexual sex, and heterosexual anal sex in Kampala, Uganda

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Strengthening HIV Program Management through Process Improvement: The Botswana Sustainable Management Development Program

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Strengthening HIV Test Access and Treatment Uptake Study (Project STATUS): A randomized trial of HIV testing and counseling interventions

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Utility of PMTCT Program Data for HIV Surveillance among Pregnant Women in Botswana

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: An innovative approach to enhancing maternal and child health using a combined mother and child health booklet in Kenya

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: High levels of unknown eligibility and factors associated with loss to follow up (LTFU) among pre-ART patients with unknown ART eligibility enrolled in care in five regions of Tanzania

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Expanding access to PMTCT services: the PEPFAR Nigeria experience

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: HIV and AIDS Faculty Pre-service Training Needs Assessment in Botswana

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Impact of the National Prevention of Mother to Child Transmission of HIV (PMTCT) Program on Perinatal Mother-to-Child Transmission of HIV (MTCT) Measured at 6 weeks Postpartum, South Africa (SA): Results of the First Year of Implementation of the 2010 PMT

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Improving efficiency in project implementation through a PEPFAR-funded initiative to strengthen governance of Ministry of Health programs

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Responding to HIV in the Caribbean: A Regional Technical Assistance Model

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Site Maturity and Patient volume are Strong Predictors of HIV Treatment Costs in Resource Limited Settings: Results of a 6 County Study

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Uptake of Thailand's National Program for Early Infant HIV Diagnosis and Infant HIV-infection Outcomes, 2007-2010

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Using a Unique Mentoring Process to Build Capacity for Program Evaluation

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Best Practices: National PMTCT Program Review, Mozambique 2011

Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Community Counseling and Testing: Strategic Realignment to Maximize Impact in Mozambique

Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Formative evaluation of the Brazilian and American collaboration to adapt and implement three behavioral interventions for gay, bisexual, and other men who have sex with men (MSM) in three Brazilian cities.

Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Identifying gaps along the prevention of mother to child transmission of HIV (PMTCT) cascade to achieve the mother-to-child elimination goals: results from the South African PMTCT Effectiveness Survey (SAPMTCTE), 2011

Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Knowledge, attitudes, and practices on antiretroviral management, reproductive health, and sexual risk behavior among perinatally HIV-infected youth in Thailand

Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Low HIV testing uptake among non-venue-based female sex workers participating in the 2011 respondent-driven sampling survey in three provinces, Thailand

Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: National PMTCT Program Review: Mozambique 2011// 2/4 approved by Debra Stefan Bill LWD Martha

Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: The Effectiveness of Needle/Syringe Structural Interventions to reduce HCV and HIV infection

Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Age of Males Accessing Medical Male Circumcision Services at CDC-Funded Urban and Rural Clinics in South Africa

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Alcohol use and HIV related sexual risk behaviors among sexually initiated secondary school students in Botswana

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Benefits of a national Early Infant Diagnosis Monitoring and Evaluation System for performance measurement and evidence-based programme improvement of Prevention of Mother to Child HIV Transmission: Botswana [2007 to 2010]

Poster Exhibition: Burden of HIV and sexual behavior among men who have sex with men and male sex workers in Nairobi, Kenya

Poster Exhibition: Declining HIV prevalence among young pregnant women in Kenya, 2006-2008

Poster Exhibition: Establishing competence in HIV rapid testing among non-laboratory health professionals is key to task shifting: preliminary results from ten regions of Tanzania

Poster Exhibition: Evaluating Enrollment and Retention of People Who Inject Drugs in the Medication Assisted Treatment Cascade in Dar es Salaam, Tanzania

Poster Exhibition: Evaluating Kenya's readiness to transition from sentinel surveillance to routine HIV testing for antenatal clinic-based HIV surveillance

Poster Exhibition: Evaluation of a well-established task-shifting initiative: the lay counselor cadre in Botswana (2002-2010)

Poster Exhibition: Evaluation of HIV Prevention Programming among Injecting Drug Users (IDUs) in Northwestern Vietnam

Poster Exhibition: Evaluation of the performance of nine HIV rapid test kits (RTKs) for the development of an interim national HIV testing algorithm in Nigeria: laboratory based phase I study

Poster Exhibition: Factors associated with caregivers' readiness for diagnostic disclosure to HIV-infected children in Bangkok, Thailand, 2005–2008

Poster Exhibition: Fishing Communities in the Lake Victoria Basin are Hyper-endemic Foci for HIV, Kenya, 2010

Poster Exhibition: High Prevalence of HIV Infection among Female Sex Workers in Nairobi, Kenya: Results of a Respondent Driven Sampling Study, 2010-2011

Poster Exhibition: HIV prevalence, risk behaviors and characteristics of non-venue-based female sex workers in three provinces in Thailand

Poster Exhibition: Impact of HIV status on pregnancy intention and facility delivery

Poster Exhibition: Impact of quality improvement programs in HIV care and treatment clinics in Namibia on intensified TB case finding and isoniazid preventive therapy coverage, 2008-2010

Poster Exhibition: Implementation of emergency response during Thailand flood crisis to minimize antiretroviral drug interruptions and the occurrence of HIV drug resistance: Thailand's lessons learned

Poster Exhibition: Improving Quality of Care in Botswana's Health Facilities

Poster Exhibition: Introducing Cervical Cancer Prevention using Visual Inspection with Acetic Acid (VIA) and Cryotherapy among HIV-positive Women: new hope for Ethiopian women

Poster Exhibition: Introducing Cervical Cancer Screening In An Informal Settlement In Kenya

Poster Exhibition: Monitoring Quality of HIV Clinical Services Transitioned from International Partners to Rwanda Ministry of Health (MOH): Clinical Performance Results 12 months After Transition

Poster Exhibition: Prevention with Positive Interventions in the Rwanda National HIV Program, 2011

Poster Exhibition: Results from the first Botswana Youth Risk Behavioural Surveillance System (BYRBSS) – 2010

Poster Exhibition: Scaling up HIV Treatment in a Challenging Environment: ART Expansion in Zimbabwe, 2007-2009

Poster Exhibition: Sentinel Surveillance and Control of STI and Prevention of HIV with Vulnerable Populations in Guatemala City, Guatemala

Poster Exhibition: Sexual Violence and HIV among Female Sex Workers in Nicaragua

Poster Exhibition: STI Prevalence and Condom Use among Female Sex Workers in UMIETS-VICITS Clinics in Honduras 2006-2011

Poster Exhibition: The Integration of Cervical Cancer Prevention Services into HIV/AIDS Care and Treatment Services: The Addis Tesfa Experience in Ethiopia

Poster Exhibition: The interrelationship of food and housing insecurity and personal networks to women's vulnerability

Poster Exhibition: Towards elimination of mother-to-child transmission of HIV: the impact of a rapid results initiative in Nyanza Province, Kenya

Poster Exhibition: Transitioning PEPFAR-Supported HIV Clinical Services to the Rwanda Ministry of Health (MOH): Health System Management Results, 2009 - 2011

Poster Exhibition: Understanding Local Contexts and Recent Shifts in Heroin Use in Dar es Salaam, Tanzania: An Urgent Need for a Public Health Response for Heroin Smokers

Poster Exhibition: Very low rate of adverse events (AEs) during rapid scale-up of voluntary medical male circumcision (VMMC) services in both static and outreach campaign sites in Tanzania

CDC DHAP

Oral Abstract: Foreign Location of Birth and Time Since Immigration are Associate with HIV Status among Hispanic MSM in the United States
Health Disparities and the U.S. MSM HIV Epidemic - Monday, 11:00 -12:30, Session Room 3

Oral Abstract: Racial disparities in antiretroviral therapy use and viral suppression among HIV-infected men who have sex with men.

Health Disparities and the U.S. MSM HIV Epidemic - Monday, 11:00 -12:30, Session Room 3

Oral Abstract: Trends in HIV prevalence and HIV testing among young MSM– five United States cities, 1994-2008

Health Disparities and the U.S. MSM HIV Epidemic - Monday, 11:00 -12:30, Session Room 3

Oral Abstract: Applying Public Health Law Research Methods to Address Legal Barriers and Facilitators to Effective HIV Prevention Programs

Policy Monitoring, Evaluation and Innovative Methodologies - Wednesday, 16:30 - 18:00, Session Room 9

Oral Abstract: HIV Seroconversion During Pregnancy and Mother-to-Child HIV Transmission: Data from the Enhanced Perinatal Surveillance Project, United States, 2005-2010

Challenges in Scaling-Up PMTCT - Thursday, 11:00 - 12:30, Session Room 2

Oral Abstract: Cost-effectiveness of More Frequent HIV Screening of MSM in the US

HIV Diagnosis and HAART Initiation: Don't Be Late! - Thursday, 16:30 - 18:00, Session Room 2

Oral Poster Discussion: Sexually transmitted disease diagnoses associated with exchange sex among Hispanic migrant men who have sex with men in the United States

Enhancing STI Services for HIV Prevention - Tuesday, 13:00 - 14:00, Mini Room 6

Oral Poster Discussion: High Maraviroc Concentrations in Rectal Secretions after Oral dosing do not Prevent rectal SHIV Transmission in Macaques

Sheep Rings and Other Things: New Directions in ARV for Prevention - Wednesday, 13:00 - 14:00, Mini Room 6

Oral Poster Discussion: HIV testing among transgender persons funded by the Centers for Disease Control and Prevention in the United States, Puerto Rico and U.S. Virgin Islands, 2008-2009

The Global Picture: Transgender Health and Rights - Thursday, 13:00 - 14:00, Mini Room 8

Poster Exhibition: Cancer among children with perinatal exposure to HIV and Antiretroviral medications—New Jersey, 1995–2010

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Association between state AIDS Drug Assistance Program (ADAP) features and treatment initiation in clinically eligible U.S. HIV-infected persons

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Correlates of undiagnosed HIV infection among African American women at increased risk of HIV - United States, National HIV Behavioral Surveillance System, 2010

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: From data security breach to policy: Impact on HIV prevention programs

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: The allocation of HHS/AIDS resources based on the US epidemic by four regions

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Accurate Monitoring of HIV in the United States – CDC’s Routine Interstate Duplicate Review, 2005 – 2008

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: America or Africa: A behavioral intervention that uses social networks to impact increasing HIV infections in populations of black men who have sex with men. An introduction to d-up!

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Group sex and HIV risk behavior among US MSM recruited online: Results from an internet study

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: HIV risk factors for substance-using Asian Pacific Islander (API) MSM and multiracial API MSM

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: HIV Testing Behaviors and Associated Factors among Latino MSM – United States

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: HIV testing in six US cities using behavioral surveillance data for the TLC-Plus (HPTN 065) study.

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Persistent racial/ethnic disparities in AIDS diagnoses among people who inject drugs in the largest US metropolitan areas, 1993-2008.

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Prevalence of HIV infection and risk behaviors among younger and older injecting drug users in the United States, 2009

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Preventing HIV Transmission from Women and Men Living with HIV through Reproductive and Sexual Health Care: The Framework of the 2012 CDC/HRSA Recommendations for HIV Prevention with Adults and Adolescents Living with HIV

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Self-homophobia is differentially linked to sexual risk behavior for some black and some white men in a diverse sample of substance-using MSM in the US

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: The Release of the Pyrimidinedione IQP-0528 from Intravaginal Rings Yields Significant Anti-HIV Activity in Genital Secretions of Pigtailed Macaques

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Use of a liquid chromatography/mass spectrometry (LC/MS) in vitro assay to quantify nevirapine (NVP), efavirenz (EFV), and lamivudine (3-TC) on dried blood-spot (DBS) samples: a strategy to evaluate adherence to Prevention-Of- Mother-to-Child Transmission

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Use of Recent Negative HIV Test Information to Identify Acute HIV Infection in 18 HIV Incidence Surveillance Jurisdictions, 2006-2009

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Comparison of Ryan White CARE Act-funded Versus Non-Ryan White-funded HIV Outpatient Facilities in the United States, Medical Monitoring Project --2009

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Early HIV Infection and Transmission Averted by Early Diagnosis among Men Who Have Sex with Men in the United States

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Fetal and Infant Mortality Review (FIMR)/HIV Prevention Methodology: A community-based, case review approach to identify and address systems issues contributing to mother-to-child HIV transmission
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Reasons for methamphetamine use and type of drug use administration by HIV status among high risk MSM in the US
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Using a Systems-level, population based approach to monitor and evaluate the National HIV/AIDS Strategy in the 12 U.S. Metropolitan Statistical Areas
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Utility of using HIV surveillance registry in San Francisco for re-engaging persons with high viral load in HIV care
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: 2012 CDC/HRSA Recommendations for HIV Prevention with Adults and Adolescents Living with HIV: A Status Report
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: A Focus on Neighborhood Composition to Better Understand Racial HIV Disparities among Black and White Men Who have Sex with Men (MSM)
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Comics + Technology and Health Communication= Innovation: Development an HIV/STI Focused Motion Comic for Young People Ages 15-24 Years in the US
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Community Based Organization (CBO) Assessment/Strategic Plan Analysis: Building HIV Programming Capacity Across the Nation
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Delivery of HIV Preventive Services by Physicians — Rhode Island, 2011
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Demographic and behavioral characteristics of black men who have sex with men and women recruited via community and chain referral sampling for three HIV prevention studies

Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Employment matters: Socioeconomic disparities in unrecognized HIV infection among heterosexuals in the US
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Linkage-to-Care and ART Adherence Practices at Participating Sites in the HPTN 065 (TLC-Plus) Study
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Proyecto SOL: A resilience based HIV prevention intervention for Latino MSM
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Rapid HIV tests as supplemental tests in pregnant women and others with reactive third-generation immunoassays and unconfirmed Western blots
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: The development of project POWER: An internet-based HIV prevention program for black bisexual men
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Obese HIV-infected Persons have Higher Levels of Select Inflammatory Markers and Co-Morbid Illnesses
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Risk of common cancers by age 60 for HIV-positive patients in the United States and Canada
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: The Role of Community-based Organizations (CBO's) and Health Departments (HD) in Advancing HIV Prevention with Adults and Adolescents Living with HIV: New CDC/HRSA Recommendations
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Lamivudine-containing Antiretroviral Therapy Frequently Fails to Suppress Hepatitis B Virus (HBV) Replication among HIV/HBV-coinfected Women with a High HBV Viral Load in Thailand
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Participant adherence in The Bangkok Tenofovir Study, an HIV pre-exposure prophylaxis trial in Bangkok
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

DOD

Poster Exhibition: HIV seroprevalence, associated risk behavior and alcohol use among male Rwanda Defense Forces (RDF) personnel

Poster Exhibition: Promoting Acceptance and Uptake of Voluntary Medical Male circumcision (VMMC) in Mobile Populations: a US Department of Defense (DOD) Success Story of the Rwanda Defense Forces (RDF)

FDA

Poster Exhibition: V3 prediction algorithms to determine tropism of divergent HIV subtypes
Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Development of point-of-care nanoparticle assays for rapid and sensitive detection of HIV-1 infection in resource-limited settings
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Novel Time Resolved Europium Nano particle Assay for Group O Detection
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: The role of FDA in PEPFAR
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: HIV infection induces autophagy in Jurkat cells
Monday, 12:30 - 14:30, Poster Exhibition Hall

HRSA

Poster Exhibition: Solving the Problem of Different Individuals Sharing a Unique Identifier in the Ryan White HIV/AIDS Program Client-level Data Set by Developing an Algorithm to Calculate "Match Scores" for Record Pairs
Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Lessons Learned in Transitioning the Track 1.0 Program Administered by HRSA
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: The PEPFAR Medical Education Partnership Initiative: Strengthening Human Resources for Health
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Telephone Consultation to Support HIV Prevention and Care: The Health Resources and

Services Administration Funded AETC Warmline, PEPLINE, and Perinatal HIV Hotline Model
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

HUD

Poster Exhibition: Analysis by the National HOPWA Performance Data Verification Project of resources distributed by the United States Housing Opportunity for Persons with AIDS (HOPWA) program in fiscal year 2010-2011 and the impact of those resources on housing stability among Persons Living With HIV/AIDS throughout the United States.

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: United States Government response to housing needs for persons living with HIV/AIDS; the U.S. Department of Housing and Urban Development's (HUD) Housing Opportunities for Persons With AIDS (HOPWA) strategy to enhance client stability through integrated housing and services.

Monday, 12:30 - 14:30, Poster Exhibition Hall

IHS

Poster Exhibition: Strengthening the circle: HIV/AIDS prevention implementation in partnership with American Indian and Alaska native communities
Tuesday, 12:30 - 14:30, Poster Exhibition Hall

NIH

Oral Abstract: Co-Chair of Session

The Future of Genomics in HIV Medicine - Wednesday, 11:00-12:30, Session Room 1

Oral Abstract: Stabilized Exposure of Conserved Epitopes by Structure Guided Insertion of Disulfide Bonds in HIV Envelope Glycoprotein

Late Breaker Track A - Monday, 11:00-12:30, Session Room 2

Oral Abstract: Evaluation of Treatment with the Histone Deacetylase Inhibitor Vorinostat (suberoylanilide hydroxamic acid; SAHA) in Antiretroviral Drug Treated, SIVmac239-Infected Rhesus Macaques

Late Breaker Track A - Monday, 11:00-12:30, Session Room 2

Oral Abstract: HIV-1 female-to- Male sexual transmission: evaluation of circumcised and uncircumcised penile tissue.
Late Breaker Track A - Monday, 11:00-12:30, Session Room 2

Oral Abstract: Unintegrated HIV-1 generates an Inducible Reservoir of Replication Competent Virus in Nonproliferating CD4+ T cells
Late Breaker Track A - Monday, 11:00-12:30, Session Room 2

Oral Abstract: Comparative activity of IgA Mediated Antibody Dependent Cell- Mediated Cytotoxicity (ADCC) in the genital mucosa of HIV seroconverters and highly exposed seronegative women
Late Breaker Track A - Monday, 11:00-12:30, Session Room 2

Oral Abstract: Mitochondrial Function and Metabolic Abnormalities in Children with Perinatally-Acquired HIV Infection Enrolled in the Pediatric HIV/AIDS Cohort Study (PHACS)
Complications of HIV and its Therapy in Children - Monday, 11:00-12:30, Session Room 9

Oral Abstract: HIV incidence determination in clade B epidemics: A multi-assay approach
Innovations in HIV Surveillance - Monday, 11:00-12:30, Session Room 6

Oral Abstract: CD4 criteria improves the sensitivity of a clinical algorithm developed to identify viral failure in HIV positive patients on first-line antiretroviral therapy
Access to and Retention of Antiretroviral Treatment - Monday, 11:00-12:30, Session Room 8

Oral Abstract: An Evolving Concentrated Epidemic: Comparison of Socioeconomic, Behavioral and Biological Factors among Newly Diagnosed, Previously Diagnosed and HIV-Uninfected Black Men Who Have Sex with Men in 6 U.S. Cities (HPTN 061)
Health Disparities and the U.S. MSM HIV Epidemic - Monday, 11:00-12:30, Session Room 3

Oral Abstract: Trends in antiretroviral therapy use, HIV RNA plasma viral load, and CD4 T-lymphocyte counts at death among HIV-infected persons in care in the United States, 2000-2008
Using Strategic Information to Track Access and Retention in Care - Monday, 13:00-14:00, Mini Room 8

Oral Abstract: HIV-1 transmission from semen to cervicovaginal tissues ex vivo
Transmission and Early Infection - Monday, 16:30-18:00, Session Room 5

Oral Abstract: Mental Health and Substance use problems among a sample of African-American and Latina Caregivers of Children infected, affected, and unaffected by HIV
Challenges of Caregiving - Monday, 16:30-18:00, Session Room 8

Oral Abstract: Estimation of HIV Sexual Transmission Potential from IDU to General Population in Two Russian Cities
HIV, Drug-Use and Risks in Different Contexts - Monday, 16:30-18:00, Session Room 3

Oral Abstract: HIV-1 peptide-specific NK cell responses in HIV seropositive and highly exposed seronegative men
Immune Function and Dysfunction - Monday, 16:30-18:00, Session Room 7

Oral Abstract: Changes in population-level HIV RNA distribution one year after implementation of key components of an HIV 'test and treat' strategy in rural Uganda
Late Breaker Track E - Tuesday, 11:00-12:30, Mini Room 9

Oral Abstract: Pharmacokinetics, Safety, and Efficacy of Dolutegravir (DTG; S/GSK1349572) in HIV-1 Infected Adolescents: Preliminary analysis from IMPAACT P1093
PK, Efficacy and Safety of ART in Infants and Children - Tuesday, 11:00-12:30, Session Room 8

Oral Abstract: A universal nanoparticle cell secretion capture assay for the study of HIV-1-infected tissues
Viral Regulation: From Proteins to Tissues - Tuesday, 11:00-12:30, Session Room 7

Oral Abstract: Tenofovir disoproxil fumarate (TDF) pharmacokinetics (PK) with daily dosing in the first week of life (HPTN 057)
PK, Efficacy and Safety of ART in Infants and Children - Tuesday, 11:00-12:30, Session Room 8

Oral Abstract: Discovery of novel transcription factors present only in infected cells
Viral Regulation: From Proteins to Tissues - Tuesday, 11:00-12:30, Session Room 7

Oral Abstract: IMPAACT P1066: Raltegravir (RAL) Safety and Efficacy in Patients 2 to 18 Years of Age through Week 48

PK, Efficacy and Safety of ART in Infants and Children - Tuesday, 11:00-12:30, Session Room 8

Oral Abstract: Glut1: establishing a new paradigm for HIV-1 infection by regulating glucose metabolism and activation in CD4+ T cells in HIV-1 positive subjects
Viral Regulation: From Proteins to Tissues - Tuesday, 11:00-12:30, Session Room 7

Oral Abstract: More HIV risk behaviors among HIV-uninfected STI patients compared to HIV-infected and HIV-uninfected HTC patients in Lilongwe, Malawi
Dangerous Liaisons: HIV and Sexually Transmitted Infections - Tuesday, 11:00-12:30, Session Room 4

Oral Abstract: Cost-effectiveness of strategies to promote identification of HIV cases: economic analysis of a controlled trial in China
Cost-Effective Approaches to HIV and TB Treatment and Prevention - Tuesday, 16:30-18:00, Session Room 9

Oral Abstract: Epigenetic Modifications of HIV Proviral LTRs: Potential Targets for Cure
Mechanism of HIV Latency - Tuesday, 16:30-18:00, Session Room 2

Oral Abstract: Abuse and mortality in women with and at risk for HIV
Positive Women: Reducing Vulnerability and Reinforcing Empowerment Opportunities - Wednesday, 11:00-12:30, Session Room 2

Oral Abstract: High maraviroc concentrations in rectal secretions after oral dosing do not prevent rectal SHIV transmission in macaques
Sheep Rings and Other Things: New Directions in ARV for Prevention - Wednesday, 13:00-14:00

Oral Abstract: HPV genotype attribution of anal neoplasia in HIV-infected MSM: Estimating the preventable fraction and disease misclassification
HPV: Meeting the Global Challenge - Wednesday, 14:30-16:00, Session Room 3

Oral Abstract: Characterization of early gene expression profile in the blood of macaques immunized a Thai trail-like vaccine
Natural and Vaccine Induced Immunities - Wednesday, 14:30-16:00, Session Room 9

Oral Abstract: The HIV-1 envelope protein gp120 mimics MAdCAM and VCAM in binding to Integrin- α 4 β 7
Natural and Vaccine Induced Immunities - Wednesday, 14:30-16:00, Session Room 9

Oral Abstract: HIV vaccines based on HPV pseudovirions
Natural and Vaccine Induced Immunities - Wednesday, 14:30-16:00, Session Room 9

Oral Abstract: Immunogenicity of the HPV-6, -11, -16, -18 Vaccine in HIV-Infected Young Women (ATN 064)
Immunogenicity of the HPV-6 - Wednesday, 14:30-16:00, Session Room 3

Oral Abstract: The addition of Nitazoxanide to peginterferon alfa-2a and ribavirin does not significantly improve sustained virologic response in HCV treatment-naïve genotype 1 HIV-1/HCV co-infected subjects: Results of ACTG 5269

HCV: A New Era Dawns - Wednesday, 14:30-16:00, Session Room 1

Oral Abstract: Safety and immunogenicity of the quadrivalent human papillomavirus vaccine in HIV-infected women
Immunogenicity of the HPV-6 - Wednesday, 14:30-16:00, Session Room 3

Oral Abstract: Differential SIV infection patterns of lymph node-resident CD4 T cells distinguishes progressive from nonprogressive SIV infection
HIV/SIV Pathogenesis - Wednesday, 16:30-18:00, Session Room 3

Oral Abstract: Characterization of persistent HIV-1 in a broad spectrum of CD4+ T-cells isolated from peripheral blood and gut associated lymphoid tissue from patients on long-term suppressive therapy
HIV Reservoirs: Where and How is the Virus Hiding? - Thursday, 14:30-16:00, Session Room 9

Oral Abstract: Associations of Inflammatory Markers with AIDS and non-AIDS Clinical Events after Initiation of Antiretroviral Therapy (ART): AIDS Clinical Trials Group A5224s, a substudy of ACTG A5202
Late Breaker Track B - Thursday, 16:30-18:00, Session Room 6

Oral Abstract: Effect of Early versus Delayed Initiation of Antiretroviral Therapy (ART) on Clinical Outcomes in the HPTN 052 Randomized Clinical Trial

Late Breaker Track B - Thursday, 16:30-18:00, Session Room 6

Oral Abstract: Predictors of Dropping out of Methadone Maintenance Treatment in China: a Six-year Cohort Study

Evidence-Based Prevention for Injecting Drug Users: It Works! - Thursday, 16:30-18:00, Session Room 4

Oral Abstract: Nonadherence to HIV Testing Guidelines and Late HIV Diagnosis Is Common Among US Black Men Who Have Sex with Men (MSM)

HIV Diagnosis and HAART Initiation: Don't Be Late! - Thursday, 16:30-18:00, Session Room 2

Oral Abstract: An MSM-Specific Definition of Intimate Partner Violence Includes HIV-related Violence and is Associated with Sexual Risk-Taking among MSM

Late Breaker Track D -Friday, 11:00-12:30, Session Room 5

Oral Abstract: The clinical and economic impact of a generic first-line antiretroviral regimen in the U.S.

Late Breaker Cross Track -Friday, 11:00-12:30, Session Room 7

Oral Abstract: Combination interventions for the prevention of HIV among injection drug users: A complex system dynamics model

Late Breaker Track C -Friday, 11:00-12:30, Session Room 6

Oral Abstract: The Cost-effectiveness of Treatment as Prevention: Analysis of the HPTN 052 Trial

Late Breaker Track C -Friday, 11:00-12:30, Session Room 6

Oral Abstract: HIV clinical and program outcomes among older patients with HIV enrolled in HIV care and initiating ART in sub-Saharan Africa

Late Breaker Track C -Friday, 11:00-12:30, Session Room 6

Oral Abstract: Effect of a national social cash transfer program on HIV risk behavior in Kenya

Late Breaker Track D -Friday, 11:00-12:30, Session Room 5

Oral Abstract: BCG vaccination at birth induces non-specific CD4 T cell activation in HIV-exposed South African infants, which may increase HIV transmission through breastfeeding

Late Breaker Track C -Friday, 11:00-12:30, Session Room 6

Oral Abstract: Method of hormonal contraception is associated with lower tenofovir concentration in healthy women (MTN-001): implications for pre-exposure prophylaxis

Late Breaker Track C -Friday, 11:00-12:30, Session Room 6

Oral Abstract: HIV prevalence, sexual risks and HIV knowledge among men who have sex with men (MSM) in Malawi: understanding risks among a stigmatized population and opportunities for interventions

Late Breaker Cross-Track -Friday, 11:00-12:30, Session Room 7

Oral Abstract: An Automated Platform for Delivery of CD4 Results to SMS-Enabled Antenatal Clinic Printers, Botswana

Put Your Money Where the Future Is: The Cost of Treating Children -Friday, 11:00-12:30, Session Room 4

Oral Abstract: Determinants of Penicilliosis Seasonality in Ho Chi Minh City, Vietnam

HIV and Co-Infections: Co-Enemies - Monday, 11:00-12:30, Session Room 4

Oral Poster Discussion: Impact of food assistance on clinic attendance among patients on antiretrovirals in Haiti

Food Security - Monday, 13:00-14:00, Mini Room 9

Oral Poster Discussion: ZNDR1 Gene affects host susceptibility to HIV-1 infection

Innate Resistance and Responses to HIV - Monday, 13:00-14:00, Mini Room 3

Oral Poster Discussion: Sustained treatment as prevention: continued decreases in unprotected sex and virological suppression after HAART initiation among participants in HPTN 052

Treatment as Prevention: A Work in Progress - Monday, 13:00-14:00, Mini Room 6

Oral Poster Discussion: A pilot South African worksite-based parenting program: preliminary effects on parent-child communication about sex and HIV
Winning the Generations: Family Centered Approaches to Prevention, Treatment and Care - Monday, 13:00-14:00, Session Room 7

Oral Poster Discussion: Toll-like Receptor (TLR) 9 variant is associated with mother-to-child transmission (MTCT) of HIV-1 and TLR9 and TLR8 variants are associated with peak viral load in HIV-1 infected infants
Innate Resistance and Responses to HIV - Monday, 13:00-14:00, Mini Room 3

Oral Poster Discussion: Time and money: the costs of utilizing HIV and TB treatment and care in rural KwaZulu-Nata

The Patient Point of View: Costs and Benefits of ART - Monday, 13:00-14:00, Mini Room 4

Oral Poster Discussion: Severe household food insecurity is highly prevalent and associated with suboptimal breastfeeding practices among HIV-infected women in rural Uganda

Food Security - Monday, 13:00-14:00, Mini Room 9

Oral Poster Discussion: Economic spillover effects of ART on rural South African households

The Patient Point of View: Costs and Benefits of ART - Monday, 13:00-14:00, Mini Room 4

Oral Poster Discussion: The Contribution of HIV Discordant Couples to HIV Transmission in Lilongwe, Malawi

Couples, Families and HIV Transmission - Tuesday, 13:00-14:00, Mini Room 8

Oral Poster Discussion: Development of the First Liquid Chromatography-Tandem Mass Spectrometry Assay for Antiretrovirals in Meconium

Pharmacokinetics and Pharmacogenomics of ART: Coming of Age - Tuesday, 13:00-14:00, Session Room 8

Oral Poster Discussion: Characterization of broadly neutralizing antibodies (bNAbs) to HIV-1 present in a cohort of long term non-progressors (LTNPs)

Aberrant T Cell Responses - Tuesday, 13:00-14:00, Mini Room 3

Oral Poster Discussion: Social and Structural Barriers to Uptake of PMTCT in Nyanza Province, Kenya: a Community-Based Survey

Couples, Families and HIV Transmission - Tuesday, 13:00-14:00, Mini Room 8

Oral Poster Discussion: Sexually transmitted disease diagnoses associated with exchange sex among Hispanic migrant men who have sex with men in the United States

Enhancing STI Services for HIV Prevention - Tuesday, 13:00-14:00, Mini Room 6

Oral Poster Discussion: Effectiveness of behavioral interventions on unprotected sex among people living with HIV/AIDS: A system review and meta-analysis
Combination HIV Prevention Interventions: Can They Work? - Wednesday, 13:00-14:00, Mini Room 7

Oral Poster Discussion: Highly-exposed HIV seronegative persons (HESN) had higher levels of inflammatory and immune activation-associated serum biomarkers than lower risk HIV seroconverters (LRSC)
Highly Exposed Seronegatives - Wednesday, 13:00-14:00, Mini Room 1

Oral Poster Discussion: Risk and Protective Factors for Depression Symptoms among Children Affected by HIV/AIDS in Rural China: A Structural Equation Modeling Analysis

Mental Health: All in the Mind; Mental Health and Wellness for HIV/AIDS Infected and Affected People - Wednesday, 13:00-14:00, Mini Room 5

Oral Poster Discussion: Modeling of HIV epidemic among men who have sex with men in Beijing, China
Global MSM: Epidemiology and Trends - Thursday, 13:00-14:00, Mini Room 7

Oral Poster Discussion: HIV-facilitated Paracellular Penetration of HPV into Mucosal Epithelium
HIV and Other Pathogens: The Basic Science of Co-Infections - Thursday, 13:00-14:00, Mini Room 1

Poster Exhibition: Delays in seeking HIV/AIDS testing and treatment among patients on ARVs in urban (Kampala) and rural South Western Uganda
Monday, 12:00-14:30

Poster Exhibition: HIV Vulnerabilities and Risk Taking Activities among Persons with Unknown HIV-Status in Rural Malawi
Monday, 12:30-14:30

Poster Exhibition: The impact of antiretroviral therapy on quality of life and economic outcomes for South African patients: five-year follow-up
Monday, 12:30-14:30

Poster Exhibition: Prevalence and factors associated with renal dysfunction in HIV positive and negative adults at the University Teaching Hospital in Lusaka
Monday, 12:30-14:30

Poster Exhibition: Critical Steps in the Cascade of services to identify and retain HIV+ pregnant women for PMTCT in Haiti

Monday, 12:30-14:30

Poster Exhibition: Higher rates of viremic control in HIV-1 infected women in discordant relationships may affect generalizability of transmission rates

Monday, 12:30-14:30

Poster Exhibition: Prevalence and Correlates of Protective Measles Antibody in HIV-infected Kenyan children on HAART

Monday, 12:30-14:30

Poster Exhibition: I feared...my intention was a child but I was very afraid: Fertility intentions and HIV-1 risk perception among HIV-1 serodiscordant couples in Kenya

Monday, 12:30-14:30

Poster Exhibition: Cost savings associated with the provision of a simple care package including long lasting insecticide treatment bednets and a point-of-use water filtration device to delay HIV-1 disease progression in Africa

Monday, 12:30-14:30

Poster Exhibition: Expansion of CD4+Glut1+ T cells during chronic HIV-1 infection is associated with CD4+ T cell depletion and T cell activation in patients

Monday, 12:30-14:30

Poster Exhibition: C3 Modelling HIV epidemics

Monday, 12:30-14:30

Poster Exhibition: Health Empowerment: Using Targeted Ethnography to Adapt the Mpowerment Intervention for South African Men who have Sex with Men (MSM)

Monday, 12:30-16:30

Poster Exhibition: Effect of Second Generation Antipsychotics on Metabolic Variables in HIV-infected Adults on Long Term Antiretroviral Therapy

Monday

Poster Exhibition: Sexual Health Knowledge in a Sample of Perinatally HIV-infected and Perinatally-exposed Uninfected Youth

Monday

Poster Exhibition: Mediation analysis in a couple-based HIV prevention among African American serodiscordant couples recruited from four cities in the US

Monday

Poster Exhibition: Free Light Chains and the Risk of AIDS-Defining Opportunistic Infections in HIV-infected Individuals

Monday

Poster Exhibition: Sexual Networks and HIV Risk among Black Men Who Have Sex with Men (BMSM) in the U.S. (HPTN 061)

Monday

Poster Exhibition: Increased Liver Fibrosis in HIV-Infected Africans is Associated with High Levels of Soluble CD14 in the Absence of Microbial Translocation

Monday

Poster Exhibition: Body weight evolution in HIV-positive patients over two years of antiretroviral treatment; a multiregional analysis of the IeDEA collaboration

Monday

Poster Exhibition: Co-injection of IL-12 DNA increases the breadth and quality of immune responses in SIV DNA Vaccinated Macaques

Monday

Poster Exhibition: Adherence to antiretroviral prophylaxis during early infancy: The National Institute of Child Health and Human Development International Site Development Initiative (NISDI) Longitudinal Study in Latin American Countries (LILAC) Study

Monday

Poster Exhibition: Association of tenofovir disoproxil fumarate with neonatal growth

Monday

Poster Exhibition: Biological Impact of Polymorphisms in the itga4 Gene Encoding the Alpha-4 Integrin Subunit in HIV+ Patients

Monday

Poster Exhibition: HIV testing of drug treatment participants in the U.S.: A secondary analysis of NIDA Clinical Trials Network Protocol CTN0032

Monday

Poster Exhibition: Exploring the Sexual Relationships of HIV-positive and Negative Black and Hispanic Young Women and their Male Sexual Partners. (ATN 084)

Monday

Poster Exhibition: Characterization of amino acid polymorphisms in the $\alpha 4\beta 7$ integrin from Old World Primates: Potential Phenotypes of lentivirus envelope binding

Monday

Poster Exhibition: Correlates of individual and partner sexual risk behaviors in US women participants in HPTN 064 (Women's HIV Seroincidence Study (ISIS))

Monday

Poster Exhibition: Linking HIV-positive adolescents to care in 15 different clinics across the United States: Creating solutions to address structural barriers for linkage to care (ATN 093)

Monday

Poster Exhibition: Determinants of Hormonal Contraceptives and Condoms for Family Planning Among HIV Concordant and Serodiscordant Couples in Rakai, Uganda

Monday

Poster Exhibition: Zidovudine exposure during pregnancy and hypospadias in infants: data from the Antiretroviral Pregnancy Registry: 1989-2011

Monday

Poster Exhibition: Young women's self-assessment of HIV risk and the desire for children in Rakai, Uganda

Monday

Poster Exhibition: Association between nevirapine-resistant HIV-variants and antiretroviral treatment outcomes in single-dose nevirapine exposed infants

Monday

Poster Exhibition: Predicting response to antiretroviral therapy without a genotype: a clinical tool for resource-limited settings

Monday

Poster Exhibition: Long-run effects of ART on employment in rural South Africa: evidence from a population cohort

Monday

Poster Exhibition: Incident bone fracture in men with, or at risk for, HIV-infection in the Multicenter AIDS Cohort Study (MACS), 1996-2011

Monday

Poster Exhibition: What drives the US and Peruvian HIV epidemics in men who have sex with men (MSM)?

Monday

Poster Exhibition: From GRID to gridlock: the relationship between scientific breakthroughs and HIV/AIDS policy in the U.S. Congress

Monday

Poster Exhibition: Neonatal Death in Premature HIV-exposed Infants Born to Women on Antiretroviral Therapy in Rural Uganda

Monday

Poster Exhibition: Short and Long-Term Outcomes of HIV/AIDS Status Disclosure among HIV clients in an Urban Clinic Kampala, Uganda

Monday

Poster Exhibition: Strategies to facilitate timely and rigorous impact evaluation of large-scale HIV interventions

Monday

Poster Exhibition: Use of new drugs and HIV/STIs: methamphetamine use in association with HIV/STI prevalence and sexual risk behaviors among female sex workers in China

Monday

Poster Exhibition: HIV-1 viral kinetics among in utero and intrapartum-infected infants in NICHD HPTN 040/PACTG 1043

Monday

Poster Exhibition: The Influence of Social Support on Learning about HIV and the Decision to be Tested among IDUs in Jakarta and Bali, Indonesia

Monday

Poster Exhibition: The high prevalence of incarceration among Black men who have sex with men (BMSM): associations and implications

Monday

Poster Exhibition: Correlates of individual and partner sexual risk behaviors in US women participants in HPTN 064 [Women's HIV Seroincidence Study (ISIS)]

Monday

Poster Exhibition: Sexual Networks and HIV Risk among Black Men Who Have Sex with Men (BMSM) in the U.S.

Monday

Poster Exhibition: Association Between State AIDS Drug Assistance Program (ADAP) Features and Treatment Initiation in Clinically Eligible U.S. HIV-infected Persons
Monday

Poster Exhibition: Defining optimal growth response in children on antiretroviral treatment in South Africa
Monday

Poster Exhibition: Gender differences in HIV/STI related sexual risks associated with intimate partner violence and relationship power among South African adolescents
Monday

Poster Exhibition: HIV Transmission among commercial sex workers visiting GHESKIO centers in Haiti. (HVTN 907)
Monday

Poster Exhibition: Impact of recent ART guidelines on incidence of tuberculosis in children with HIV in Kenya: re-evaluating the need for pre-exposure preventive therapy
Monday

Poster Exhibition: Increased risk of mortality associated with pregnancy in a cohort of HIV-1-infected women on antiretroviral treatment in Uganda
Monday

Poster Exhibition: Modeling the Effect of "Risk Interruption" interventions on HIV Prevalence in Lilongwe, Malawi
Monday

Poster Exhibition: Tenofovir-Associated Kidney Function Decline with a PI-based Versus NNRTI-based Regimen
Monday

Poster Exhibition: Time trend of cancer proportionate mortality in the Veterans Aging Cohort study
Monday

Poster Exhibition: Modelling 24-month immune recovery according to age and CD4 percent at initiation of antiretroviral therapy in the IeDEA paediatric West African Cohort (pWADA)
Monday

Poster Exhibition: Life Skills Education and Changes in Knowledge among Adolescent Women Living with HIV in Zimbabwe
Tuesday, 10:00-18:30

Poster Exhibition: Social Network Characteristics and Sexual Risk-Taking among Men Who Have Sex With Men in Atlanta, GA
Tuesday, 12:30-14:30

Poster Exhibition: Inside the house" / "Outside the house": men's gendered logic about HIV risk in rural Kasungu district, Central Malawi
Tuesday, 12:30-14:30

Poster Exhibition: Correlates of Study Product Use Among U.S. Participants in the iPrEx Randomized Controlled Trial of Daily Oral Preexposure Prophylaxis
Tuesday, 12:30-14:30

Poster Exhibition: Prevalence and incidence of hepatitis B and hepatitis C infections among HIV infected adult patients in Kigali, Rwanda
Tuesday, 12:30-14:30

Poster Exhibition: Attrition from HIV testing to antiretroviral therapy initiation among patients newly diagnosed with HIV in Haiti
Tuesday, 12:30-14:30

Poster Exhibition: Persistence of Non Nucleoside Reverse Transcriptase Inhibitors (NNRTIs) Associated Mutations in HIV-1 Subtype C infected Patients failing NNRTI sparing second line Antiretroviral Therapy in Zambia
Tuesday, 12:30-14:30

Poster Exhibition: Risk factors associated with deportation history among HIV-positive Latinos in the U.S.-Mexico border region
Tuesday, 12:30-14:30

Poster Exhibition: Assessing Prevention of Mother to Child HIV Transmission Services in Bantey Meanchey Province, China
Tuesday, 12:30-14:30

Poster Exhibition: Male-Male Sexual Violence Risk Factors and Prevention Needs among South African MSM & MSMW: A Qualitative Assessment
Tuesday, 12:30-16:30

Poster Exhibition: "One day we will come together and unite": Imagining Community Among Men Who Have Sex With Men (MSM) in Mpumalanga, South Africa
Tuesday, 12:30-16:30

Poster Exhibition: Improved intestinal immunity and cytotoxic potential of T cells in interleukin (IL)-21 treated SIV-infected rhesus macaques

Tuesday, 16:30-18:00

Poster Exhibition: Data Harmonization Efforts Across the Seek, Test, Treat and Retain Paradigm at the National Institute on Drug Abuse

Tuesday

Poster Exhibition: The Strategic Multisite Initiative for the Identification, Linkage and Engagement to Care of HIV-Infected Youth (SMILE): Can Treatment As Prevention Work for American Minority Youth?

Tuesday

Poster Exhibition: Delayed emergence of HIV-1 variants resistant to 4'-ethynyl-2'-fluoro-2'-deoxyadenosine (EFdA): Comparative sequential passage study with tenofovir, emtricitabine, and festinavir

Tuesday

Poster Exhibition: Exposure to nucleoside reverse transcriptase inhibitors (NRTIs) induces genotoxicity persistent for up to three years in *Erythrocebus patas* monkeys

Tuesday

Poster Exhibition: Age at cancer diagnosis in HIV-infected individuals in North America compared to the general U.S. population

Tuesday

Poster Exhibition: Sociocultural and Psychological Factors as Predictors of HIV Sexual Risk Behavior in Black Men Who Have Sex with Men (MSM) from six US cities

Tuesday

Poster Exhibition: Significant boost in potency by the bis-tetrahydrofuran (THF) and tris-THF moieties of HIV-1 protease inhibitors compared to that of mono-THF moiety against multi-drug-resistant HIV-1 protease

Tuesday

Poster Exhibition: Cervical human papillomavirus, HIV infection and immunodeficiency in women of childbearing age in Abidjan, Côte d'Ivoire

Tuesday

Poster Exhibition: Recruitment and Retention of Youth for Research Using Social Media: Experiences from the Just/Us Study

Tuesday

Poster Exhibition: Willingness of Black young adults to participate in biomedical HIV prevention trials in Durham, North Carolina

Tuesday

Poster Exhibition: Sexual health knowledge and health practices of female sex workers in Liuzhou, China differ by venue size

Tuesday

Poster Exhibition: Predictors of Tuberculosis Disease in HIV-infected and HIV-exposed uninfected children from Southern Africa: IMPAACT P1041 study

Tuesday

Poster Exhibition: Small Molecules Interacting to Protein Phosphatase-1 Inhibit HIV-1 Transcription

Tuesday

Poster Exhibition: Direct and indirect concurrency among a cohort of low-income US women: data from HPTN 064 (The Women's HIV SeroIncidence Study)

Tuesday

Poster Exhibition: Dual Testing Algorithms of BED-CEIA and BioRad ½ + O EIA Avidity Assays in Evaluating HIV-1 False-Recent Misclassification in a Longitudinal Sample of African Women

Tuesday

Poster Exhibition: The development of new computational models for the HIV-TREPs online treatment selection tool

Tuesday

Poster Exhibition: Psychosocial characterization of HIV Clients with potential to be change agents for HIV prevention in Uganda

Tuesday

Poster Exhibition: High testing uptake and linkages to HIV treatment through home-based HIV counseling and testing and facilitated referral in KwaZulu-Natal, South Africa

Tuesday

Poster Exhibition: Cervical human papillomavirus, HIV infection and immunodeficiency in women of childbearing age in Abijan, Cote d'Ivoire

Tuesday

Poster Exhibition: Epidemiology of AIDS defining and non-AIDS defining malignancies before and during HAART era in southern Rwanda

Tuesday

Poster Exhibition: Population pharmacokinetics of efavirenz in HIV-1 infected Thai children

Tuesday

Poster Exhibition: Emerging one-time sex among heterosexuals in China and implications for HIV prevention

Tuesday

Poster Exhibition: Direct empirical Evidence for the Role of Concurrency in Sub-Saharan African Heterosexual Epidemics: 10 studies, 9 Countries, and 20 years of data confirm the primary role of concurrent partnerships in HIV transmission

Tuesday

Poster Exhibition: Lopinavir and Efavirenz Concentrations in Paired Hair Samples as a Marker of Cumulative Exposure among Postpartum Women and Breastfeeding Infants in Tororo, Uganda

Tuesday

Poster Exhibition: Virologic suppression outcomes of second-line antiretroviral therapy in a Nigerian cohort

Tuesday

Poster Exhibition: The Development of a Recent Infection Testing Algorithm to Decrease the False Recent Rates of HIV Infection in African Women

Tuesday

Poster Exhibition: Sexual behaviors and HIV-related issues among truck drivers and their wives: Implications for HIV prevention in South India

Tuesday

Poster Exhibition: Dual Testing Algorithms of BED-CEIA and BioRad ½ + O EIA Avidity Assays in Evaluating HIV-1 False-Recent Misclassification in a Longitudinal Sample of African Women

Tuesday

Poster Exhibition: Time-to-ART Initiation: A Risk Factor Analysis of the HPTN 052 HIV-infected Partners on Delayed Therapy

Tuesday

Poster Exhibition: Lessons Learned from Implementing a Black Caucus into HPTN 061: Demonstrated Community Engagement

Tuesday

Poster Exhibition: [Direct and Indirect Concurrency Among a Cohort of Low-Income US Women: Data from HPTN 064 (The Women's HIV SeroIncidence Study)]

Tuesday

Poster Exhibition: Reported Behavior Change and Attitudes on Prevention Studies Among Newark, NJ HIV Prevention Trials Network (HPTN) 064 Participants: Results of Exit Interview

Tuesday

Poster Exhibition: Reconciling Reality with Fantasy: HIV Prevention in the House Ball Community

Tuesday

Poster Exhibition: Sociocultural and Psychological Factors as Predictors of HIV Sexual Risk Behavior in Black Men Who Have Sex with Men (MSM) from 6 US cities

Tuesday

Poster Exhibition: A Critical Consciousness-Based HIV Prevention Intervention for Black Gay/Bisexual Male Adolescents: A Novel Approach to Resisting Oppression

Tuesday

Poster Exhibition: Age at cancer diagnosis in HIV-infected individuals in North America compared to the general U.S. population

Tuesday

Poster Exhibition: Communication, community, and HIV/AIDS: the need for structural interventions to support Black young men who have sex with men

Tuesday

Poster Exhibition: Community Engagement for HPTN 065 (TLC-Plus) study, a community based study evaluating the feasibility of a combination of interventions to prevent HIV transmission in the US

Tuesday

Poster Exhibition: Coping styles, condom use, and adherence in urban youth living with HIV

Tuesday

Poster Exhibition: Feasibility of Recruiting Adolescent Women into a Mock HIV Prevention Trial

Tuesday

Poster Exhibition: From HIV testing to start of antiretroviral therapy in HIV infected children: a systematic review and meta-analysis

Tuesday

Poster Exhibition: HIV testing in six cities using behavioral surveillance data for the TLC-Plus (HPTN 065) study

Tuesday

Poster Exhibition: Re-conceptualizing the relationship between hypersexual behavior and HIV sex risk among young men who have sex with men (YMSM)

Tuesday

Poster Exhibition: Social Network Recruitment by STI Patients is a Promising Strategy for Identifying STIs and HIV in Resource-Limited Settings

Tuesday

Poster Exhibition: Substitutions to initial antiretroviral therapy in children in South Africa – The International epidemiologic Databases to Evaluate AIDS – Southern Africa (IeDEA-SA) Collaboration

Tuesday

Poster Exhibition: The origin of the quasi-species: Tracing the acquired virus in mother-to-child HIV transmission

Wednesday, 12:30-14:30

Poster Exhibition: A baseline random household survey of male circumcision prevalence, knowledge and attitudes of adults in rural Kasungu District, Central Malawi

Wednesday, 12:30-14:30

Poster Exhibition: Factors associated with poor HIV treatment outcomes among Intravenous Drug Users (IDUs) receiving antiretroviral (ARV) treatment in Jakarta and Bali, Indonesia.

Wednesday, 12:30-14:30

Poster Exhibition: Identifying the unique needs of HIV-infected pregnant women and HIV-infected new mothers in Brazil: A qualitative study

Wednesday, 12:30-14:30

Poster Exhibition: T cell activation in HIV-1/HSV-2 co-infected Kenyan women receiving valacyclovir

Wednesday, 12:30-14:30

Poster Exhibition: The influence of social support on learning about HIV and the decision to be tested among IDUs in Jakarta and Bali, Indonesia

Wednesday, 12:30-14:30

Poster Exhibition: District of Columbia Partnership for HIV/AIDS Progress (DC PFAP) Subspecialty Clinics: A model for hepatitis C care and research in community clinics serving a predominantly HIV-positive population

Wednesday

Poster Exhibition: Minimizing Risk in HIV Research: Drug Adherence as a Tool for Protecting Participants

Wednesday

Poster Exhibition: "I feel like having a child but my heart tells me that I may produce and die or start looking sickly": decision challenges to having children among HIV+ young adults receiving care in Uganda

Wednesday

Poster Exhibition: Incident Tuberculosis After Initiation of Antiretroviral Therapy in Rural Kericho, Kenya

Wednesday

Poster Exhibition: Resilience and positive peer relationship of children affected by HIV/AIDS in China

Wednesday

Poster Exhibition: Missed Opportunities for Prevention of Mother-to-Child Transmission of Human Immunodeficiency Virus Type 1: The National Institute of Child Health and Human Development International Site Development Initiative (NISDI) Perinatal and Longitudinal Study in

Wednesday

Poster Exhibition: Substance Use Patterns and Changes Over Time in a Cohort of High-Risk Heterosexual Women in the United States: Data from the HIV Prevention Trials Network (HPTN) 064 Women's HIV Seroincidence Study (ISIS)

Wednesday

Poster Exhibition: Gender differences in determinants of condom use among HIV clients in Uganda

Wednesday

Poster Exhibition: Risk of Common Cancers by Age 60 for HIV-infected Patients in the United States and Canada

Wednesday

Poster Exhibition: Relationship between ART regimen, lumefantrine exposure, and risk of malaria following treatment with artemether-lumefantrine for uncomplicated malaria in HIV infected children in rural Uganda

Wednesday

Poster Exhibition: Mortality among mothers and children by maternal HIV treatment status in Malawi

Wednesday

Poster Exhibition: HIV Selectest: a new peptide-based enzyme immunoassay successfully distinguishes HIV vaccine-induced seropositivity from HIV infection in RV144, VAX003 and VAX004 vaccine trial participants

Wednesday

Poster Exhibition: Epidemiology of AIDS Defining and Non-AIDS Defining Malignancies before and during HAART era in Southern Rwanda

Wednesday

Poster Exhibition: Trends in AIDS Defining Cancers during Scale up of Antiretroviral Therapy in Rwanda: 2007-2011

Wednesday

Poster Exhibition: Relative Accuracy of Cervical and Anal Cytology for Detection of Histopathologic High Grade Lesions by Magnification Guided Biopsy: A Cutpoint Specific Meta-Analytic Comparison

Wednesday

Poster Exhibition: Long-term virological response of Hepatitis B virus (HBV) to lamivudine-containing HAART in patients co-infected with HIV and HBV in Thailand

Wednesday

Poster Exhibition: A community-based evaluation of correlates of non-facility delivery among HIV-infected mothers in Nyanza Province, Kenya

Wednesday

Poster Exhibition: Development of worldwide HIV subtype reference panels

Wednesday

Poster Exhibition: Not to Breastfeed: HIV infected pregnant women and new mothers report emotional suffering

Wednesday

Poster Exhibition: What's Supportive About Social Support? A Mediation Model for Social Support and

Health Related Quality of Life for Mothers Living with HIV in New York City

Wednesday

Poster Exhibition: Substance Use Patterns and Changes Over Time in a Cohort of High-Risk Heterosexual Women in the United States: Data from the HIV Prevention Trials Network (HPTN) 064 Women's HIV Seroincidence Study (ISIS)

Wednesday

Poster Exhibition: Effectiveness of reducing HIV transmission with an MMT program in Ruili, China

Wednesday

Poster Exhibition: Differences in psychological, social, substance use and HIV sexual risks between urban Black Men who have Sex with Men Only (BMSMO) and Black Men who have Sex with Men and Women (BMSMW)

Wednesday

Poster Exhibition: Risk and Resilience in Perinatally HIV-infected and Perinatally HIV-exposed, uninfected adolescents.

Wednesday

Poster Exhibition: Assessing viral suppression amongst HIV patients accessing care in five cities using US HIV surveillance data for the TLC-Plus (HPTN 065) study

Wednesday

Poster Exhibition: Co-occurring mental health and substance use disorders among HIV+ women: Impact on antiretroviral therapy use, adherence, and immune health

Wednesday

Poster Exhibition: Coping and Health Protective Behavior Among Urban Youth Living with HIV

Wednesday

Poster Exhibition: Effects of Maternal HIV on Children's Psychosocial Adjustment with Peers and with Their Mother

Wednesday

Poster Exhibition: Impact of Maternal HIV Health: A 12-year Study of the PACT Children

Wednesday

Poster Exhibition: Mothers living with HIV: Coping strategies associated with health and psychosocial outcomes at 30-month follow-up

Wednesday

Poster Exhibition: Patterns and Predictors of Absences from HIV Care in North America (2000-2008)

Wednesday

Poster Exhibition: Pediatric Neurodevelopmental Functioning Following in utero Exposure to Triple-NRTI vs. PI-based ART in a Randomized Trial, Botswana

Wednesday

Poster Exhibition: Psychosocial factors associated with gender-based violence and antiretroviral adherence among HIV-infected women in a New York City clinic

Wednesday

Poster Exhibition: Risk of Common Cancers by Age 60 for HIV-infected Patients in the United States and Canada

Wednesday

Poster Exhibition: Structured monitoring and evaluation activities can improve patient care: encouraging results in Kinshasa, Democratic Republic of Congo

Wednesday

Poster Exhibition: Willingness to use pre-exposure prophylaxis (PrEP) among men who have sex with men (MSM) at high-risk for HIV acquisition in Lima, Peru

Wednesday

Poster Exhibition: High prevalence of abnormal anal cytology among HIV-positive and HIV-negative men who have sex with men in Bangkok, Bali and Jakarta

Wednesday

Poster Exhibition: Implementing a rapid HIV testing program in a New York City hospital-based dental clinic

Thursday, 12:30-14:30

Poster Exhibition: Reducing Sexual Risk Among Youth In Continuation Schools: Outcome Results from a Randomized Trial

Thursday, 12:30-14:30

Poster Exhibition: Sexual HIV risk behaviors in Liuzhou: comparing differences with other prefecture-level cities in China using population-based surveys in 2006 and 2008

Thursday, 12:30-14:30

Poster Exhibition: Can a structural economic and food security intervention promote HIV testing for women in rural Malawi?

Thursday, 12:30-14:30

Poster Exhibition: Characterizing one-time sex in social venues in Liuzhou, China: Implications for STI/HIV prevention

Thursday, 12:30-14:30

Poster Exhibition: Social drivers of the HIV epidemic in Pakistan

Thursday, 12:30-14:30

Poster Exhibition: A Demonstration Project to Develop A Model For Comprehensive Program to Prevent HIV, TB and Associated Infectious Disease in Prison System in Haiti

Thursday, 12:30-14:30

Poster Exhibition: A randomized controlled trial to compare a brief HIV counseling video to written HIV information in offering HIV testing to adolescent patients in a New York City Emergency Department

Thursday, 12:30-14:30

Poster Exhibition: Switching on 'After Nine': The Duality of Sexual Identity and Partnerships among Black MSM in Rural South African Towns

Thursday, 12:30-16:30

Poster Exhibition: "This is the medicine": Results from a pilot interactive community-level educational intervention on concurrent partnerships

Thursday

Poster Exhibition: The whos, whats, whens, and wheres of sex: low-income U.S. black heterosexual men's sexual scripts and HIV risk and protective behaviours

Thursday

Poster Exhibition: Evidence of Coronary Vessel Wall Thickening in Asymptomatic Young HIV Positive Patients Using MR Imaging of HIV-associated Vasculopathy

Thursday

Poster Exhibition: Internal displacement among Colombian men who have sex with men and HIV Risk

Thursday

Poster Exhibition: Glucocorticoid treatment as a means to the decrease the CD16+ monocyte virus reservoir in SIV/HIV infection

Thursday

Poster Exhibition: Prevalent Low Body Mass Index (BMI) Among Patients with Advanced HIV Initiating Antiretroviral Therapy (ART) and Risks of Subsequent Hospitalization and Mortality: the Kericho IRIS Study

Thursday

Poster Exhibition: Peer-driven intervention greatly increases rates of screening for and enrollment into AIDS clinical trials and other biomedical studies among African American and Latino/Hispanic persons living with HIV/AIDS

Thursday

Poster Exhibition: Alcohol Use Predicts Sexual Risk Behavior with HIV-Negative or Partners of Unknown Status Among Young HIV-Positive Men Who Have Sex with Men

Thursday

Poster Exhibition: Mediation Analysis of Safer Sex Self-Efficacy, Sexual Communication, and Condom Use among Chinese MSM and Young Migrants in Beijing

Thursday

Poster Exhibition: Non-Disclosure of HIV Status Among Patients With Advanced HIV Starting Antiretroviral Therapy (ART) is Associated With Virologic Failure: the Kericho IRIS Study

Thursday

Poster Exhibition: Substance use treatment as a preventive strategy for depression and sexual risk behavior: A secondary analysis of NIDA Clinical Trials Network Protocol CTN0032

Thursday

Poster Exhibition: HIV testing experience among Black young adults in Durham, North Carolina

Thursday

Poster Exhibition: Models of relationships between local health departments and adolescent medicine clinics: Implications for identifying a best-practice approach for linking HIV-infected adolescents to care

Thursday

Poster Exhibition: Size and Decay of the Resting CD4+ T Cell Latent HIV Reservoir During HAART in HIV-Infected Infants

Thursday

Poster Exhibition: High Rates of Post-Traumatic Stress Disorder among a Cohort of Low-Income US Women in High HIV Prevalence Communities: Data from HPTN 064 (The Women's HIV Seroincidence Study)

Thursday

Poster Exhibition: Modeling the impact of implementing a Seek, Test, Treat, and Retain (STTR) strategy to halt the HIV epidemic within the Criminal Justice System (CJS) in different regions in the US

Thursday

Poster Exhibition: An Alternative KSHV Replication Program Triggered by Host Cell Apoptosis

Thursday

Poster Exhibition: One year of counseling supported buprenorphine-naloxone treatment for HIV prevention in opiate dependent injection drug users showed efficacy in reducing opiate use and injection frequency: HPTN 058 in Thailand and China

Thursday

Poster Exhibition: Multiple Micronutrients in HIV Disease: A Bayesian Meta-analysis

Thursday

Poster Exhibition: The role of HIV proteins or AZT on arterial stiffening and intima-media thickening

Thursday

Poster Exhibition: Role of HIV Proteins in Biomechanically Mediated Protease Activity and Arterial Remodeling

Thursday

Poster Exhibition: Short message service (SMS)-testing based strategies to enhance HIV testing among men who have sex with men (MSM) in Lima, Peru

Thursday

Poster Exhibition: Safer sexual practice among known HIV-positive compared to HIV-negative/unknown status men who have sex with men in Bangkok, Bali and Jakarta

Thursday

Poster Exhibition: A Study of Perceived Discrimination in Black MSM and its Association with Healthcare Utilization and HIV Testing

Thursday

Poster Exhibition: High Rates of Post-Traumatic Stress Disorder among a Cohort of Low-Income US Women in High HIV Prevalence Communities: Data from HPTN 064 (The Women's HIV Seroincidence Study)

Thursday

Poster Exhibition: Project STYLE: A multisite HIV prevention trial for youth in mental health treatment

Thursday

Poster Exhibition: Alcohol Use Predicts Sexual Risk Behavior with HIV-negative or Partners of Unknown Status among Young HIV-positive Men who have Sex with Men

Thursday

Poster Exhibition: Reduced Functional Aerobic Capacity in a Sample of HIV+ Adults From The Southeastern United States: A Comparison of Males and Females

Thursday

Poster Exhibition: Gold Nanoparticles to Improve Drug Delivery to the Central Nervous System: Targeting HIV Reservoirs in the Brain

Thursday

Poster Exhibition: HCV viremia affects immune phenotypes in Elite controllers of HIV infection-A Women's HIV Interagency Study

Thursday

Poster Exhibition: Oral Microbiome Associated with HIV/AIDS

Thursday

Poster Exhibition: Low Level Viral Load Detection in Blood and Mucosal Sites in Elite Controllers and HAART suppressed Women Enrolled in the Women's Interagency HIV Cohort

Thursday

Poster Exhibition: Clinician Practices and Attitudes Regarding Early Antiretroviral Therapy in the US: Baseline Results from HPTN 065

Thursday

Poster Exhibition: Linkage-to-Care and ART Adherence Practices at participating sites in HPTN 065 (TLC-Plus) Study

Thursday

Poster Exhibition: Exploring Factors Associated with Non-Change in Condom Use Behavior Following Participation in an HIV Prevention Intervention for African-American Adolescent Females

Thursday

Poster Exhibition: Reproductive counseling by clinic healthcare workers in Durban, South Africa: perspectives from HIV-positive men and women reporting serodiscordant partners

Thursday

Poster Exhibition: United for HIV Integration and Policy (UHIP): Creating A Roadmap for Structural Change in the Detroit Metro Area

Thursday

Poster Exhibition: Domestic Violence Among Adolescents and Young Women in HIV Prevention Research in Tanzania: Participant Experiences and Measurement Issues

Thursday

Poster Exhibition: The Impact of Trans-Identity on Access to Care Among Transwomen Living with HIV in Alameda County California: A qualitative Analysis

Thursday

Poster Exhibition: Socio- and environmental factors and condom use among female injection drug users who are sex workers in China

Thursday

Poster Exhibition: Do Adolescents Under 18 Years Old Warrant Inclusion in HIV Prevention Clinical Research? Comparing Sexual Risk Patterns of Adolescent and Young Adult Women in a Mock Trial in Tanzania

Thursday

Poster Exhibition: The Development of Substance Use Behaviors in Perinatally HIV-infected Adolescents: A five-year longitudinal Study

Thursday

Poster Exhibition: Characterization of Mutant HIV-1 Rev Nucleolar Localization Sequences on the Viral Infectious Cycle

Poster Exhibition: Improving retention in care among HIV/AIDS patients on antiretroviral therapy (ART) through the use of ART-experienced patients acting as adherence supporters: a cluster randomized controlled trial in one region in Ethiopia.

Poster Exhibition: Implementation of daily nevirapine prophylaxis in HIV-exposed breastfeeding infants in Western Kenya

Poster Exhibition: Identification of the platelet-derived chemokine CXCL4/PF-4 as a broad-spectrum HIV-1 inhibitor

Poster Exhibition: Acceptability of oral or vaginal HIV pre-exposure prophylaxis among at-risk black women in the United States

Poster Exhibition: A potent combination microbicide gel for the prevention of vaginal and rectal HIV and HSV-2 infection

Poster Exhibition: Trends in antiretroviral therapy initiation and virologic suppression among newly clinically-eligible HIV-infected individuals in North America, 2001-2009

Poster Exhibition: T cell receptor clonotypes modulate the protective effect of human leukocyte antigen class I alleles in HIV-1 infection

Poster Exhibition: Clinical Diagnosis Versus Expedited Virologic Testing for HIV Infection in Hospitalized Malawian Infants: A Randomized Controlled Proof-of-Concept Trial of Point-of-Care Infant Testing

Poster Exhibition: Efficacy and sustainability of the treatment for prevention in public health programs: evidence from a national observational cohort of HIV-1 serodiscordant couples study in China

Poster Exhibition: A systematic review of mobile phone applications for HIV care and prevention

Poster Exhibition: Reactivation of Herpes Simplex Virus Type 2 after Initiation of Antiretroviral Therapy

Poster Exhibition: CD4 T cells from HIV-1 controllers are not infected in trans

Poster Exhibition: Discordance between peripheral blood and tissue CD4 T-cell reconstitution in SIV-infected Rhesus Monkeys during combination antiretroviral therapy (cART)

Poster Exhibition: Program retention and patient-level predictors of loss to follow-up among HIV-infected men and women in the MTCT-Plus Initiative in sub-Saharan Africa and Thailand

Poster Exhibition: CD4 aptamer-siRNA chimeras confer durable protection from intravaginal HIV-1 transmission to humanized mice and maintain effectiveness when administered in hydroxyethyl cellulose (HEC) gel formulation

Poster Exhibition: Significant decrease in community viral load and increase in proportion with suppressed viral load six months after a program of home-based HIV counseling and testing and facilitated referral to HIV care in KwaZulu-Natal, South Africa

Poster Exhibition: Evaluation of a rapid point-of-care test to screen for HIV infection in infants

Poster Exhibition: Improving means to activate/eliminate latent HIV reservoirs

Poster Exhibition: Reallocation of Resources from Repeat HIV Testing to Linkage to Care for Previously Diagnosed HIV Positive Individuals in Baltimore City

Poster Exhibition: T memory stem cells: a long-term reservoir for HIV-1

Poster Exhibition: Higher plasma levels of IL-6 before initiation of anti-retroviral therapy (ART) are associated with increased risk of paradoxical Immune Reconstitution Inflammatory Syndrome (IRIS) in patients with HIV and tuberculosis

Poster Exhibition: CD4+ T cell Recovery During Suppression of HIV Replication on Antiretroviral Therapy: A Global Comparison of Immunologic Efficacy

Poster Exhibition: PrEP, HIV Testing and Treatment Access among Gay and Other Men Who Have Sex with Men: Social and structural barriers and facilitators in the Global South and Global North

Poster Exhibition: Desired Properties of Viral Load Diagnostics for Optimizing Treatment Delivery in Resource-Limited Settings: Mathematical Modelling Study

PEPFAR

Poster Exhibition: Effectiveness of the prevention of mother-to-child transmission program for two regions in northern Tanzania

Poster Exhibition: PMTCT Performance among HIV-Infected Infants in Tanzania

USAID

Oral Abstract: Conducting an Objective Assessment of Organizational Capacity of NGOs Providing Services to HIV Orphans and Vulnerable Children in India
Community Matters: Building Support and Capacity for Community-Based Service Delivery - Tuesday, 14:30 - 16:00, Session Room 1

Oral Abstract: Mapping HIV spending in Central America: providing evidence for a renewed policy agenda

Policy Monitoring, Evaluation and Innovative Methodologies - Wednesday, 16:30 - 18:00, Session Room 9

Oral Poster Discussion: Implementation of VMMC Efficiency Elements in Four Sub-Saharan Countries: Service Delivery Methods and Provider Attitudes
Male Circumcision: Are We Making the Cut? - Monday, 13:00 - 14:00, Session Room 8

Oral Poster Discussion: Cote d'Ivoire in Crisis: Supply Chain Strategies Averted Treatment Interruption
No Breaks in the Chain: Ensuring Uninterrupted Drug Supplies - Thursday, 13:00 - 14:00, Session Room 8
Oral Poster Discussion: Helping People Deliver: How introducing pre-service training in supply chain management has strengthened local capacity, produced cost-savings and improved patients' lives

No Breaks in the Chain: Ensuring Uninterrupted Drug Supplies - Thursday, 13:00 - 14:00, Session Room 8

Poster Exhibition: Evaluating India's Children Affected by AIDS Pilot Scheme through Organizational Network Analysis
Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: For Voluntary Medical Male Circumcision (VMMC), analysis shows advantages in cost and logistics of disposable kits compared to reusable kits
Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Improving Adolescent HIV Treatment, Care, Prevention and Family Planning Services: A Multi-Country Assessment
Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Programs Providing Family-Centered Support to Most-At-Risk-Populations (MARPs) and their Children: A Qualitative Study
Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Addressing implications of scale-up of prevention of mother-to-child transmission (PMTCT) programs in PEPFAR countries on demand for nevirapine oral solution: a case study in modeling demand and in collaborative action to maintain market supply
Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: A smart investment: The use of mobile technology to conduct the first assessment of the HIV/AIDS supply chain system in Nigeria
Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Determinants of high HIV Prevalence among individuals in Iringa, Tanzania; THMIS Survey Data, 2007-2008
Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: A practical approach to HIV Disclosure to Children
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Reducing cost to increase availability and access in South African's (SA) ARV procurement: Building a sustainable supply chain best practice model to support to South Africa's long-term Transformational AIDS Initiative
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Assessing Newly Approved

Antiretroviral Drugs for Use in Resource-Limited Settings: A Framework to Inform Policy
Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Gender-based violence, survival sex and HIV risk among female sex workers in South Sudan
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Leveraging the Private Health Sector in the Context of Diminishing Donor Resources
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: How motherhood influences HIV risk behaviors among FSW's
Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Maximizing Private Sector Contributions to HIV/AIDS in Eastern Caribbean Countries
, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Cross-Generational Relationships: Perceived Norms and Practices in Jamaica
Poster Exhibition: Developing the first strategic plan to assess and decrease HIV risk for most-at-risk populations including female sex workers and men who have sex with men in a highly generalized epidemic: The Case of Swaziland

Poster Exhibition: From 5% (2005) to 89% (2010): Reaching Universal Access to PMTCT Services through

Increased collaboration using Country- Owned Health Facility Platforms (The Lesotho Experience)

Poster Exhibition: From vertical to horizontal:

Reshaping HIV prevention communication to address sustained vulnerability among adult women in hyperendemic epidemic contexts

Poster Exhibition: Youth Organisation against the silent epidemic in schools and communities

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

USAID Botswana

Poster Exhibition: The Influence of Culture And Gender on the Interpretation of HIV Prevention Messages on Multiple Concurrent Partnerships in Botswana

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

USAID Cameroon

Poster Exhibition: Advantages and challenges of using Respondent Driven Sampling (RDS) to reach MSM in Cameroon

Thursday, 12:30 - 14:30, Poster Exhibition Hall

USAID Caribbean

Poster Exhibition: Health System Assessments of the Sustainability of the HIV Response in the Eastern Caribbean

USAID Dominican Republic

Oral Abstract: Emotional Men and Pragmatic Women: Relationship and gender dynamics between female sex workers and their regular partners in the Dominican Republic

Sex Workers: Prevention Needs, Coping Strategies, Personal Relationships and Ageing - Tuesday, 14:30 - 16:00, Session Room 9

Poster Exhibition: Formative research to develop a positive health, dignity and prevention strategy among female sex workers living with HIV and their regular male partners in Santo Domingo, Dominican Republic

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Amigos y Amistades: Male friendships and their role in HIV prevention in the Dominican Republic

Thursday, 12:30 - 14:30, Poster Exhibition Hall

USAID Ghana

Oral Abstract: Put your Money Where the Future Is: The Cost of Treating Children

Put Your Money Where the Future Is: The Cost of Treating Children -Friday, 11:00 - 12:30, Session Room 4

Poster Exhibition: Enhancing Monitoring and Evaluation Capacity through Institutional Collaboration for HIV Response in Ghana

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Mobilizing, mentoring and partnering hard to reach community groups for HIV programming: Role of local CBOs in capacity building

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Expanding South to South cooperation for strengthening MARP programming in Ghana: Adopting and adapting best practices and strategic approaches from similar epidemics

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Protecting the most vulnerable: A legal and support network for key populations in Ghana

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Technology in Prevention: The Use of Internet-Based Bulk Mobile Text Messaging in Ghana

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: An economic evaluation of Ghana's national HIV/AIDS interventions for Most-at-risk Populations

Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Improving HIV case detection and ART uptake through a partnership between traditional health practitioners and the public health care system in Ghana

Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Using a mobile phone-based questionnaire to quantitatively assess the use of social media among most-at-risk populations (MARPs) in Jamaica

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Layered Stigma among Clinic and Social Service Staff in Jamaica: Implications for Capacity Strengthening

Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Cross-Generational Relationships: Perceived Norms and Practices in Jamaica

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Using a socio-ecological model as a framework to analyze stigma and discrimination towards MSM in Jamaica

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Strengthening the Organizational and Advocacy Capabilities of Jamaican NGOs in Support of MARPs

Wednesday, 12:30 - 14:30

USAID Malawi

Poster Exhibition: We are doing these things in an underground way: Structural barriers to HIV prevention and service utilization among MSM in Malawi

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

USAID Mozambique

Poster Exhibition: Shifting the tide: The effect of HIV prevention communication on consistent condom use among youth in Mozambique

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

USAID Namibia

Poster Exhibition: Understanding the factors associated with Gender Based Violence in two high GBV regions in Namibia

Thursday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: The impact of a Community-based Positive Health Dignity and Prevention (PHDP) toolkit in select regions in Namibia on referral to additional HIV care and support services

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Understanding and Addressing Alcohol-related HIV Risk Behaviors in Katutura, Namibia

USAID Nepal

Poster Exhibition: Increased access to prevention of mother to child transmission (PMTCT) services through a community based approach in a rural district of Nepal

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

USAID Nigeria

Poster Exhibition: HIV/AIDS Prevalence among Pregnant Women attending PMTCT Services in Cross River state, Nigeria

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: A comparison of Savings and Loans Association (SLA) and Micro Credit (MC) as Effective Household Economic Strengthening (HES) Strategies in Nigeria

Thursday, 12:30 - 14:30, Poster Exhibition Hall

USAID Russia

Poster Exhibition: Experience of Partnership between Civil Society and Government in Coordination of Case Management Services for Women Former Inmates including PWIDs and HIV-positive in St/ Petersburg, Russia.

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: The Impact of Highly Active Antiretroviral Therapy (HAART) on the Social Adaptation of Drug Users: Results of an Anonymous Survey in Patients of St. Petersburg City AIDS Center

Wednesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Assessment of Adherence to HAART: Results of Medical Chart Audits and Anonymous Social Surveys of Patients at the Sait-Petersburg City AIDS Center

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Development of Comprehensive HIV Prevention Programs for People Who Inject Drugs Through Government and Civil Society Collaboration in Russia

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Gender aspects of HIV in the penitentiaries of the Republic of Kazakhstan

USAID South Africa

Oral Abstract: CD4 criteria improves the sensitivity of a clinical algorithm developed to identify viral failure in HIV positive patients on first-line antiretroviral therapy. *Access to and Retention of Antiretroviral Treatment - Monday, 11:00 -12:30, Session Room 8*

Oral Abstract: Using Geographic Information Systems Mapping as a Decision Support Tool for PEPFAR South Africa

Policy Monitoring, Evaluation and Innovative Methodologies - Wednesday, 16:30 - 18:00, Session Room 9

Poster Exhibition: Addressing the quality gap in PMTCT services in low-resource settings through a health systems strengthening approach: an evaluation of PMTCT 'Nurse Quality Mentors' in three South African provinces

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Community Engagement Programming and HIV Prevention: Perspectives from Men who have sex with Men (MSM) in Cape Town, South Africa

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Does the introduction of Action Research in a management development programme help develop self directed managers?

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Patient retention at key milestones after HIV diagnosis at a primary health clinic in Johannesburg, South Africa

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: The impact of antiretroviral therapy on quality of life and economic outcomes for South African patients: five year follow-up

Monday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Reduced loss to ART Initiation among patients initiating cotrimoxazole prophylaxis therapy in Johannesburg, South Africa

Tuesday, 12:30 - 14:30

Poster Exhibition: Socio-cultural factors in gender power imbalances and age-mixing among young women in South Africa

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Analysis of queries received by the South African National HIV & TB health care worker hotline between March 2008 and February 2012

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Incident pulmonary tuberculosis on antiretroviral therapy: 7 years of experience at the Themba Lethu Clinic in Johannesburg, South Africa

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Initiation of ART at higher CD4 counts under South Africa's revised antiretroviral therapy

Tuesday, 12:30 - 14:30, Poster Exhibition Hall

Poster Exhibition: Long term adherence to cotrimoxazole prophylactic therapy in adult HIV- positive patients in South Africa

Tuesday, 12:30 - 14:30, Poster Exhibition Hall
