PROJECT Installation of Five Capital Bikeshare Stations The National Mall Washington, D.C.	NCPC FILE NUMBER 7147F
	NCPC MAP FILE NUMBER 1.41(40.00)43523
SUBMITTED BY United States Department of the Interior National Park Service	APPLICANT'S REQUEST Preliminary and final approval of site development plans
	ACTION TAKEN Approve with comments
	REVIEW AUTHORITY Approval per 40 U.S.C. § 8722(b)(1) and (d)

The Commission:

Approves the preliminary and final site development plans for the installation of five Capital Bikeshare stations near the following locations on the National Mall: Smithsonian Metrorail Station; the Washington Monument; the Jefferson Memorial; the Lincoln Memorial; and the Franklin Delano Roosevelt Memorial / Martin Luther King, Jr. Memorial, as shown in NCPC Map File No. 1.41(40.00)43523.

Commends the National Park Service for its efforts to extend the Capital Bikeshare program to the National Mall in order to expand the range of available transportation alternatives on the National Mall and increase the convenience of bike sharing as a viable mode of transportation for visitors, workers, and residents, both in the District of Columbia and in parts of the National Capital Region.

Encourages the National Park Service to work with the District of Columbia Department of Transportation to monitor the demand for bicycles at the new bikeshare stations; identify how the stations could be expanded and their positioning optimized in the future; and determine where additional stations could be located in East Potomac Park and elsewhere on the National Mall.
