[SGA/DFA-PY-08-21]**Solicitation for Grant Applications (SGA); Amendment One; Green Capacity Building Grants****AGENCY:** Employment and Training Administration (ETA), Labor.**ACTION:** Notice: Amendment to SGA/DFA-PY-08-21.

SUMMARY: The Employment and Training Administration published a document in the **Federal Register** on June 24, 2009, announcing the availability of funds and Solicitation for Grant Applications (SGA) for Green Capacity Building Grants to be awarded through a competitive process. This notice is the first amendment to the SGA and clarifies items related to (1) Eligible Applicants (Section III.A); (2) Participants Eligible to Receive Training (Section III.C.1); and, (3) Section B on Green Industries and Occupations (Supplementary Information). The document is hereby amended.

(1) *Section III.A, Eligible Applicants:* The eligible applicant list in Section III, A. on p. 30167 is revised by removing the following grantee program, “Advancing Registered Apprenticeship into the 21st Century: Collaborating for Success (SGA/DFA PY 08-11)” because funding decisions for this program have not been made and resultant grantees will not be eligible to apply for funds through this SGA. Accordingly, Section III, A. on p. 30167 is revised by replacing the language designated below as “old text” with the language designated as “new text”:

Old Text: “DOL intends to build the green training capacity of our current grantees, therefore, eligible applicants are limited to the following DOL grantees who received funding through the SGA number indicated in the parentheses: Indian and Native American Program (SGA/DFA PY 07-04), National Farmworker Jobs Program (NFJP) (SGA/DFA PY 06-04), Prisoner Re-Entry Initiative (PRI) (SGA/DFA PY 08-03 & SGA/DFA PY 07-05), Senior Community Service Employment Program (SCSEP) (SGA/DFA PY 07-02 & SGA/DFA PY 05-06), Women in Apprenticeship and Non-Traditional Occupations (WANTO) (SGA/DFA PY 07-08 & SGA/DFA PY 06-01), Advancing Registered Apprenticeship into the 21st Century: Collaborating for Success (SGA/DFA PY 08-11), YouthBuild (SGA/DFA PY 08-07 & SGA/DFA PY 06-08), and Young Offender Grants (SGA/DFA PY 08-09,

SGA/DFA PY 06-10, & SGA/DFA PY 06-14).”

New Text: “DOL intends to build the green training capacity of our current grantees, therefore, eligible applicants are limited to the following DOL grantees who received funding through the SGA number indicated in the parentheses: Indian and Native American Program (SGA/DFA PY 07-04), National Farmworker Jobs Program (NFJP) (SGA/DFA PY 06-04), Prisoner Re-Entry Initiative (PRI) (SGA/DFA PY 08-03 & SGA/DFA PY 07-05), Senior Community Service Employment Program (SCSEP) (SGA/DFA PY 07-02 & SGA/DFA PY 05-06), Women in Apprenticeship and Non-Traditional Occupations (WANTO) (SGA/DFA PY 07-08 & SGA/DFA PY 06-01), YouthBuild (SGA/DFA PY 08-07 & SGA/DFA PY 06-08), and Young Offender Grants (SGA/DFA PY 08-09, SGA/DFA PY 06-10, & SGA/DFA PY 06-14).”

(2) *Section III.C.1, Participants Eligible to Receive Training:* A portion of this section is revised to clarify that individuals with disabilities are among the populations that may be served. Accordingly, Section III.C.1 on p. 30167 is revised by replacing the language designated below as “old text” with the language designated as “new text”:

Old Text: “Other individuals, such as untapped labor pools and entry-level and incumbent workers that do not fit into the categories above, may also be served through these projects subject to the priority considerations given to the populations above and consistent with the populations to be served through the grantee’s statements of work for their existing grant(s).”

Next Text: “Other individuals, such as untapped labor pools including individuals with disabilities and entry-level and incumbent workers that do not fit into the categories above, may also be served through these projects subject to the priority considerations given to the populations above and consistent with the populations to be served through the grantee’s statements of work for their existing grant(s).”

(3) *Supplementary Information Section B “Green Industries and Occupations”:* On p. 30166 is revised to provide further information on the industries in which applicants may focus and includes the following statement:

New Text: “We will also evaluate applications for projects that include emerging green occupations from industries that have not been discussed in this section.”

DEPARTMENT OF LABOR

Employment & Training Administration

[SGA/DFA-PY 08-18]

Solicitation for Grant Applications (SGA); Amendment One—Energy Training Partnership Grants

AGENCY: Employment and Training Administration (ETA), Labor.

ACTION: Notice: Amendment to SGA/DFA-PY 08-18.

SUMMARY: The Employment and Training Administration published a document in the **Federal Register** on June 24, 2009, announcing the availability of funds and solicitation for grant applications (SGA) for Energy Training Partnerships awarded through a competitive process. This amendment to the SGA clarifies items related to: (1) Eligible applicants (Section III.A); (2) Statewide and local entities that are eligible applicants (Section III.A.2); (3) participants eligible to receive training (Section III.E.1); (4) correction to formatting of “Other Eligibility Requirements” section; (5) Attachment 1 for the list of auto-impacted communities; and (6) supplementary information in Section B “Green Industries and Occupations.” The document is hereby amended.

1. *Section III.A., “Eligible Applicants”:* (page 30154) Is revised to confirm that Local Workforce Investment Boards and One Stop Career Centers are not eligible applicants, confirm that the applicant in the proposed project must be clearly designated, and provide information on the definition of non-profit entities. In the SGA, the language designated below as “old text” is replaced with the language designated as “new text,” as follows:

a. **Old Text**—“Under this announcement, eligible applicants are private nonprofit organizations that must apply under one of two categories: (1) National labor-management organizations with local networks; or (2) Statewide or local nonprofit partnerships. All applicants are expected to work in conjunction with partnerships consisting of labor organizations, employers, Workforce Investment Boards (WIBs), and other organizations as defined in section 171(e)(2)(B)(ii) of WIA. These categories create two applicant pools, which will compete separately for funding under this SGA.”

b. **New Text**—“Under this announcement, eligible applicants are private nonprofit organizations that must apply under one of two categories: (1) National labor-management organizations with local networks; or (2) Statewide or local nonprofit partnerships. All applicants are expected to work in conjunction with partnerships consisting of labor organizations, employers, Workforce Investment Boards, and other organizations as defined in section 171(e)(2)(B)(ii) of WIA. While the SGA indicates required and suggested partners, the proposal must designate a lead applicant. These categories create two applicant pools, which will compete separately for funding under this SGA. Local Workforce Investment Boards and One Stop Career Centers are not eligible applicants under this SGA. A private nonprofit entity is an organization that is legally organized for the purposes of tax exempt nonprofit status under the Internal Revenue Service (IRS), or is actively pursuing IRS nonprofit tax exempt status.”

2. *Section III.A.2., “Statewide and Local Entities”:* (page 30154) Is revised to confirm that eligible applicants for the State and local category are Statewide or local private nonprofit entities, including private nonprofit entities that serve American Indian reservations. In the SGA, the language designated below as “old text” is replaced with the language designated as “new text,” as follows:

a. **Old Text**—“Statewide and Local Entities: Applicants for the State and local category are local or Statewide non-profit entities with a joint partnership of labor organizations, employers or industry organizations, Workforce Investment Boards and One Stop Career Centers. A Statewide or local entity that receives an award under category 2 of this SGA may not receive sub-grant or sub-contract funding from a national organization that receives an award under category 1.

For the purposes of this SGA, the term ‘State’ means each of the 50 States of the United States, the District of Columbia, and U.S. territories as defined in Section VI.B.”

b. **New Text**—“Statewide and Local Entities: Applicants for the State and local category are Statewide or local private nonprofit entities, including private nonprofit entities that serve American Indian reservations, with a joint partnership of labor organizations, employers or industry organizations, Workforce Investment Boards and One Stop Career Centers. A Statewide or local private nonprofit entity that receives an award under category 2 of this SGA may not receive sub-grant or sub-contract funding from a national organization that receives an award under category 1. For the purposes of this SGA, the term ‘State’ means each of the 50 States of the United States, the District of Columbia, and U.S. territories as defined in Section VI.B.”

3. *Section III.E.1, “Participants Eligible to Receive Training”:* (page 30156) Is revised to clarify that individuals with disabilities are among the populations that can be served through grants awarded through this SGA by replacing the language designated below as “old text” with the language designated as “new text,” as follows:

a. **Old Text**—“Projects may also serve individuals with a criminal record; and populations that have not traditionally been employed in construction and skilled trade occupations, such as women and minorities.”

b. **New Text**—“Projects may also serve other types of individuals that may not be a part of the categories above, such as: individuals with a criminal record; individuals with disabilities; and populations that have not traditionally been employed in construction and skilled trade occupations, such as women and minorities.”

4. *Correction to formatting of “Other Eligibility Requirements” section:* The “Other Eligibility Requirements” section of the SGA is currently listed as section “D. Other Eligibility Requirements” on p. 30155. The section was formatted incorrectly, and the SGA is revised so that the “Other Eligibility Requirements” section is now listed as “C. Other Eligibility Requirements” instead of “D. Other Eligibility Requirements”. With this correction, “Other Eligibility Requirements” is now correctly listed as Section III.C. of the SGA.

5. *Attachment I—Counties Impacted By Automotive-Related Restructuring:* This notice is to provide “Attachment I”
