SCHEDULE B-1

Tennessee Housing Development Agency

Hardest Hit Fund Program (HHFP)

Summary Guidelines

1. Program Overview	The Tennessee Housing Development Agency (THDA) Hardest Hit Fund Program (HHFP) will provide loans to unemployed or substantially underemployed homeowners who, through no fault of their own, are financially unable to make their mortgage payments and are in danger of losing their homes to foreclosure. Loan proceeds will be used to pay all mortgage and mortgage-related expenses (e.g., property taxes, homeowner insurance, homeowner dues) until the homeowner secures employment or completes training for a new career. For homeowners who have found a new job, but accumulated payment arrearages, reinstatement assistance will be available.
2. Program Goals	To assist unemployed, or substantially underemployed, homeowners to remain in their homes and make monthly payments on their mortgages and mortgage related expenses such as property taxes, homeowner insurance, homeowner dues, and/or past-due mortgage payments (arrearages) so that they may avoid delinquency and foreclosure.
3. Target Population / Areas	This program will be available in all Tennessee counties. THDA will provide additional assistance over a longer period of time to eligible homeowners living in targeted or "hardest hit" counties, defined as those counties showing greater than average distress based on a combination of unemployment rate, the percent of the state's foreclosures in that county, and delinquency rates. Twenty-nine counties were chosen as targeted based on the fact that they scored high on two of three factors, as follows: having an unemployment rate at or above the state average rate, having a high percentage of the state's foreclosure filings (in the 75th percentile of counties), having a high delinquency rate (again, in the 75th percentile of counties).
4. Program Allocation (Excluding Administrative Expenses)	\$ 189,940,400.76
5. Borrower Eligibility Criteria	Unemployed or substantially underemployed homeowners who, through no fault of their own, are unable to make their mortgage payments and are at risk of foreclosure. Homeowners will be required to provide a financial hardship affidavit with appropriate documentation as to the cause of their hardship, as

	<p>specified in the program guidelines. Homeowners will be required to provide continual documentation certifying to their ongoing hardship.</p> <p>Employed homeowners who have previously been unemployed or substantially underemployed and who are delinquent, but who can resume future payments without additional assistance.</p> <p>Substantially underemployed homeowners whose income has been reduced by 30% or more.</p> <p>The event or incident which results in unemployment or substantially underemployment must have occurred after January 1, 2008.</p> <p>Principal, Interest, Taxes and Insurance >31% of household income after job loss/reduction of income.</p> <p>Asset test: Borrower must not have >6 months reserves</p> <p>Borrower must be a low or moderate income homeowner (maximum \$92,680 household income).</p> <p>Eligibility for program assistance will be determined primarily by participating foreclosure prevention partners using THDA underwriting criteria stated above.</p> <p>Funds will be allocated on a first come/approved, first served basis.</p>
<p>6. Property / Loan Eligibility Criteria</p>	<p>Existing single-family homes or condominiums (attached or detached) including manufactured homes on foundations permanently affixed to real estate owned by the borrower.</p> <p>Tennessee owner-occupied, primary residences only.</p>
<p>7. Program Exclusions</p>	<p>Total Unpaid Principal Balances > \$275,000</p> <p>Manufactured Homes not considered real property</p> <p>Non-legal U.S. resident</p>
<p>8. Structure of Assistance</p>	<p>0% interest, non-recourse, deferred-payment, forgivable, subordinate loan. A forgiveness clause will reduce the loan amount by 20% a year for every year the borrower stays in the home up until 5 years. At the end of 5 years the note will be</p>

	<p>considered satisfied and THDA will release the lien securing the note.</p> <p>Loan funds are due and payable if property is sold, refinanced or no longer owner occupied and there are sufficient equity proceeds available (unless otherwise prohibited under applicable federal law).</p> <p>All deferred, subordinate mortgages will be evidenced by a Home Equity Line of Credit promissory note and secured by a deed of trust on the property. Borrowers will be required to sign and acknowledge via written agreement indicating the program guidelines.</p> <p>Any funds returned according to established program guidelines will be recaptured and used to assist additional homeowners through December 31, 2017. After December 31, 2017, any remaining or recaptured funds will be returned to Treasury.</p>
9. Per Household Assistance	<p>Maximum amount available per homeowner:</p> <ul style="list-style-type: none"> • Standard benefit counties: \$ 20,000 up to 12 months • Targeted benefit counties: \$ 25,000 up to 18 months • There is no maximum monthly payment amount; however, total loan amount cannot exceed applicable benefit.
10. Duration of Assistance	<p>Homeowners may receive assistance up to a maximum of 12 or 18 months (depending on county). Should a homeowner become reemployed within the applicable period, the homeowner may continue receiving assistance for up to an additional 2 months after reemployment. Additionally, if a homeowner becomes reemployed within the applicable period and the homeowner's mortgage payment exceeds 31% of their current income, they are eligible for continued assistance.</p> <p>Any reinstatement assistance shall be made in one payment.</p>
11. Estimated Number of Participating Households	<p>13,500 homeowners over the next 4-5 years with an average loan amount of \$ 14,000. Recaptured funds will be recycled and used for additional homeowners which could extend the program until as late as December 31, 2017.</p>
12. Program Inception / Duration	<p>Program began serving the targeted, hardest hit counties January 1, 2011. On March 1, 2011 the Standard benefit counties became eligible for the program. Program is expected to run until December 31, 2015, but will continue until all funds are exhausted. Recaptured funds will be recycled and used for additional homeowners which could extend the program until as late as December 31, 2017.</p>
