References: Letter from Mr. W. K. Hughey (Entergy) to U.S. NRC, "Updated Schedule of Submittal of Future License Renewal Applications for Entergy Plants," dated August 31, 2009

Dear Sir or Madam:

In the above referenced letter, Entergy provided updated information on proposed license renewal application submittal schedules.

Based on evolving business conditions, this letter revises the previous information on Entergy's plans for future license renewal application submittals as follows:

- | | |
|---------------------------------|----------------------------|
| 1. October – December (4Q) 2011 | Grand Gulf Nuclear Station |
| 2. January – March (1Q) 2014 | Waterford 3 |
| 3. October – December (4Q) 2014 | River Bend Station |

Entergy's plans for future submittal of license renewal applications are subject to reevaluation and further updating as business conditions evolve. If changes in Entergy's plans occur, we will notify the NRC.

This letter contains no commitments.
