

FY2011 GPC PURCHASE REQUEST < \$3,000

Agencies must comply with all regulatory and statutory rules which include FAR Part 8, Required Sources of Supplies and Services. According to the "order of precedence" outlined in FAR Part 8, DoD agencies must first seek to fulfill requirements through Ability One/JWOD, then from existing Government pre-priced contracts or Blanket Purchase Agreements whenever possible. "Open Market" commercial sources should only be used as the last available option for fulfilling DoD requirements (see note in "Required Government Sources Reviewed" section below).

ALL FIELDS ON THIS FORM ARE REQUIRED TO BE FILLED IN.

REQUIRED GOVERNMENT SOURCES REVIEWED

NOTE: Before selecting from the options below, you must conduct market research to determine if Ability One/JWOD has an item that is "essentially the same" (ETS) as the item you require; if they do, you MUST purchase the Ability One item or obtain a waiver from them. If Ability One does NOT have an ETS item, then your next source option would be vendors with pre-priced contracts or BPAs with the Government (e.g. GSA contracted vendors). Open Market or local commercial vendors should only be used as a last resort, and only after adequate market research has been conducted to determine what you need is not available from Ability One or other contracted vendors, or that pricing from a commercial vendor is actually less than GSA pricing.
