1. Introduction

The United States Patent and Trademark Office is pleased to announce the addition of ten new ePetitions to EFS-Web. In addition to the two existing PDF based ePetitions, the Petition to make special based on Age (37 CFR 1.102) and the Petition to Accept Unintentionally Delayed Payment of the Maintenance Fee (37 CFR 1.378(c)), the following ePetitions are available to users:

- Request for Withdrawal as Attorney or Agent of Record (37 CFR 1.36)
- Petition to Withdraw from Issue after Payment of the Issue Fee (37 CFR 1.313(c)(1) or (2))
- Petition to Withdraw from Issue after Payment of the Issue Fee (37 CFR 1.313(c)(3))
- Petition to Withdraw from Issue after Payment of the Issue Fee (37 CFR 1.313(c)(1) or (2) with Assigned Patent Number)
- Petition to Withdraw from Issue after Payment of the Issue Fee (37 CFR 1.313(c)(3) with Assigned Patent Number)
- Petition to Accept Late Payment of Issue Fee - Unintentional Late Payment (37 CFR 1.137(b))
- Petition for Revival of an Application based on Failure to Notify the Office of a Foreign or International Filing (37 CFR 1.137(f))
- Petition for Revival of an Application for Continuity Purposes Only (37 CFR 1.137(b))
- Petition for Revival of an Abandoned Patent Application Abandoned Unintentionally(37 CFR 1.137(b)) (For Cases Abandoned After 1st Action and Prior to Notice of Allowance)
- Petition to Correct Assignee After Payment of Issue Fee (37 CFR 3.81(b))

Unlike the two existing legacy ePetitions, which require the petition fillable PDF form to be completed and attached in EFS-Web, the new Web-based ePetitions can be filled out completely online through Web-based screens. ePetitions are auto-processed and granted immediately upon submission if the petition meets all of the requirements.

By using ePetition, petitioners will also now have more control over when their petitions are filed and answered. This is especially advantageous for critical petitions, such as petitions to withdraw from issue. And deciding petitions electronically will decrease the

need for renewed petitions, since petitioners will know instantly whether all requirements have been met and there are no EFS-Web fillable forms required. To process any of the auto-granted ePetitions, fees must be paid immediately which will then provide users more financial flexibility. A paper filed petition includes a fee but does not guarantee a granted petition.

This Quick Start Guide will provide you with the information you need in order to rapidly understand how to file the eight Web-based ePetitions electronically, including a brief overview of the process and screen shots that identify critical aspects of the product.

Filing instructions for the two legacy PDF-based ePetitions can be located on the ePetition Resource Page at

<http://www.uspto.gov/patents/process/file/efs/guidance/epetition-info.jsp>

2. Basic Guidelines for Filing ePetitions:

- Must be a registered eFiler.
- Must be able to access EFS-Web registered.
- Registered eFiler users are strongly advised to transmit their electronic filings sufficiently early in the day to allow time for alternative paper filing when transmission cannot be initiated or correctly completed.
- The ability to submit an ePetition under EFS-Web Contingency is not permitted.

Warning: For your protection, your EFS-Web session will time-out after one hour of inactivity. An ePetition request that has not been submitted after one hour of inactivity will be lost unless it is saved. You will need to login to EFS-Web again and re-enter the ePetition from the start.

Application Process
