**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on May 7, 2007, based on a complaint filed by Global Locate, Inc. ("Global Locate"). *72 Fed. Reg.* 25777 (May 7, 2007). The complaint alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain GPS (Global Positioning System) devices and products containing the same by reason of infringement of various United States patents. The complaint named five respondents: SiRF Technology, Inc.; Pharos Science & Applications, Inc.; MiTAC International Corp.; Mio Technology Ltd., USA; and E-TEN Information Systems Co., Ltd. The notice of investigation was subsequently amended to add Broadcom Corporation as a complainant inasmuch as Broadcom acquired Global Locate.

On August 8, 2008, the ALJ issued his final initial determination ("ID"), and on August 22, 2008, he issued his RD. In his ID, the ALJ found a violation of section 337 in the importation and the sale after importation of certain GPS devices and products containing the same. On October 9, 2008, after considering petitions for review, the Commission determined to

review the ALJ's ID in part. *73 Fed. Reg.* 61169 (October 15, 2008). The Commission requested and received written submissions on certain issues relating to violation as well as remedy, the public interest, and bonding.

The Commission has determined to extend the target date of the above-referenced investigation by seven (7) days until January 14, 2009.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.51(a) of the Commission's Rules of Practice and Procedure (19 C.F.R. §210.51(a)).

By order of the Commission.
