The complaint alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain mobile telephones and wireless communication devices featuring digital cameras, and components thereof by reason of infringement of certain claims of U.S. Patent No. 6,292,218. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337.
