# Temporary Corporate Credit Union Share Guarantee Program Extended

**June 2, 2010, Alexandria, Va.** – The National Credit Union Administration has extended the expiration date of NCUA’s Temporary Corporate Credit Union Share Guarantee Program (TCCUSGP) from June 30, 2012, to September 30, 2012. With this extension, new investments with maturities of two years or less in participating corporate credit unions made before September 30, 2010, will be fully covered by the guarantee program. This is in addition to the existing deposits already covered.

*The National Credit Union Administration charters and supervises federal credit unions. NCUA, with the backing of the full faith and credit of the U.S. government, operates and manages the National Credit Union Share Insurance Fund, insuring the accounts of 90 million account holders in all federal credit unions and the majority of state-chartered credit unions. NCUA is funded by credit unions, not federal tax dollars.*
